George is the head custodian. He receives a standing ovation as the dedication is announced.

The Yellow Jacket Staff has a special friend at D.H.S. In fact without the help and cooperation we get from this friend, it would be difficult if not impossible to produce our 408-page story of the 77-78 school year.

This friend does so many special things to help students and teachers achieve their goals, even if it involves getting up at one a.m. to help a cheerleader unlock her car. Or spend extra hours to secure the building after late classes and meetings.

But the most important and special thing about our friend is smiling enthusiasm, and an attitude that says **I care about everyone.**

These things show through in the many extra things he does for all of us. With pride and gratitude we dedicate the 1978 Yellow Jacket Annual to our friend George Parker.

This Yellow Jacket Annual comes "winging" to you with compliments of the 1978 Yellow Jacket Staff.

A very special Yellow Jacket year has just "flown by". Each month seemed "buzzier" and better than the last. To record these special moments, we have compiled a Jacket Monthly. We hope as you "fly" through these pages of this year that you will again enjoy these very special moments.

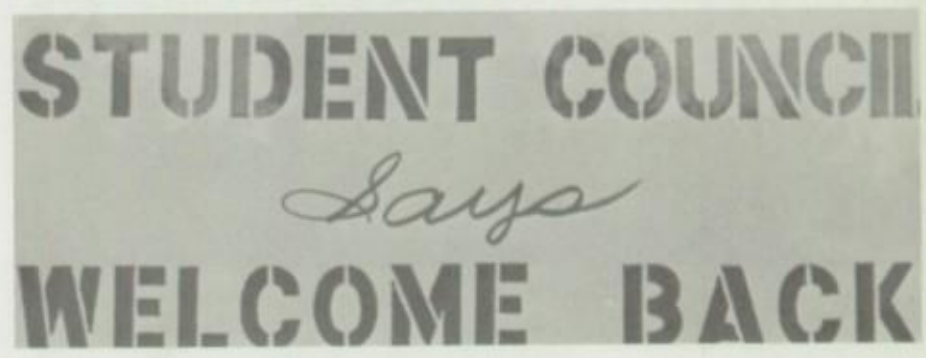
For your convenience this travel packet includes a complete index to help you find the people, clubs, sports, and advertisers you want to see, and a table of contents to guide you through the 77-78 year.

With flight reservations made during summer registration, the 1978 Yellow Jacket took to the air in September with Homecoming, Sherman-Denison week, and class pictures being taken.

Due to turbulence, the flight paused awhile in October to see club initiations, 50's day, and Neewollah.

As the leaves fell off the trees, the Jackets could see into November, glimpsing "Oliver", Twirp week, and Thanksgiving holidays.

It's a bird, it's a plane — No it's Mike Taylor flying over the pool at Senior Day.



Little Jackets were watching out and being good in December. District Basketball started, parties were given, and it was a time for sharing.

We "buzzed" through January with the Senior Play, cake decorating in Homemaking, and SNOW!

The flight was delayed by ice and snow during February, but we still had a successful blood drive, the Who's Who assembly, and the F.T.A. sold carnations.

In March we landed for a week of repair. Some Jackets just couldn't be grounded, however, and were off to Russia and Mexico. The Annual and Stinger staffs "buzzed" down to Austin and at D.H.S. Mr. Wonderful was announced.

Spring blossomed and the March winds blew the Jackets into April. We took time to dance at the Denteens' Spring Formal and to participate in track, tennis, and baseball.

May was the "buzziest" time ever with lots of picnics and banquets. The Jacket stars were honored at the awards assembly and Senior Day rounded out the year's flight just as the Senior Jackets landed at Munson Stadium for graduation.

Marching in action: Members of the band began practices August 1 from 8 to 11:30 a.m.

Stingerettes attended summer camp for a week at Kilgore Jr. College. They learned new routines to be used during the football season. They started practice the first of August and continued practicing all through the month. They learned new routines and practiced the ones they had learned at camp during this time.

Varsity Cheerleaders attended camp in Nacogdoches, June 12-17. The girls got all superior ratings, won the spirit stick, were named the super star squad and named in the top five out of 60 squads. They learned new jumps, cheers, chants, stunts and skits to be used in the assemblies during football season.

'77 Yellow Jacket Staff Distributes Long Awaited Books

No one knows just what it is like to move boxes that weigh about 24 lbs.; the boxes we're talking about are the ones that the '77 annuals were in when they arrived. The day before the annual signing party, last year's seniors came back to visit D.H.S. for one more time. The day was hot and the top-secret mission of matching annuals with orders took place in the cafeteria kitchen with the doors closed.

Annual Staff hosted their annual signing party in the cafeteria. This year's seniors worked from 7 a.m. until 6 p.m. on one of the hottest days, August 29. Staff members distributed about 600 annuals that day.

This year's members are Editors-in-Chief JoNell Lang and Susan Hennigh, Photo-Editors Scott Bates, Bruce Powers, Blanda Manning; Layout Theresa Watkins and Jalene Hawk, Business Manager Mike Smith. Juniors are Stacy Jackson, Charles Rister, Mike Neal, Sammie Massie, Randy Hackworth, Randall Campo, and Ricky Mask.

Planning the Budget — Julie Harrison, Business Manager, and her assistant Teresa Miller plan the Stinger budget (above) at the summer workshop. Karen Luper, Hank Largin and Zach Cassita discuss upcoming sports pages while Julie White and Ginna Greig plan the first editorial page. (below)

Stinger Starts Early

Stinger Staff held workshop in room 214, August 15-19. "Editors and co-editors planned the first trimester newspaper layouts," said Editor-in-Chief Shelle Ray. Seniors who worked on the Stinger last year applied for the various jobs on the staff for this year. Stinger Staff is made up of seven seniors, 14 juniors, and one sophomore. Editors for this year are Editor-in-Chief Shelle Ray, News Editor Terri Julian, Features Editor Angie Reese, Editorials Editor Ginna Grieg, Sports Editor Hank Largin, Head Photographer Randy Talley, Business Manager Julie Harrison, and Sponsor Mrs. Kay Casey. Junior assistants are Stephanie Clift, Elizabeth Johnson, Amy Clark, Stacey Ramsey, Sherry Todd, Larry Doolittle, Julie White, Zachary Cassita, Sissy Luper, Mike Neal, Randy Taylor, Mark Litrell, Greg Watson, and Teresa Miller. This year there is one sophomore Kirk Kincaid.

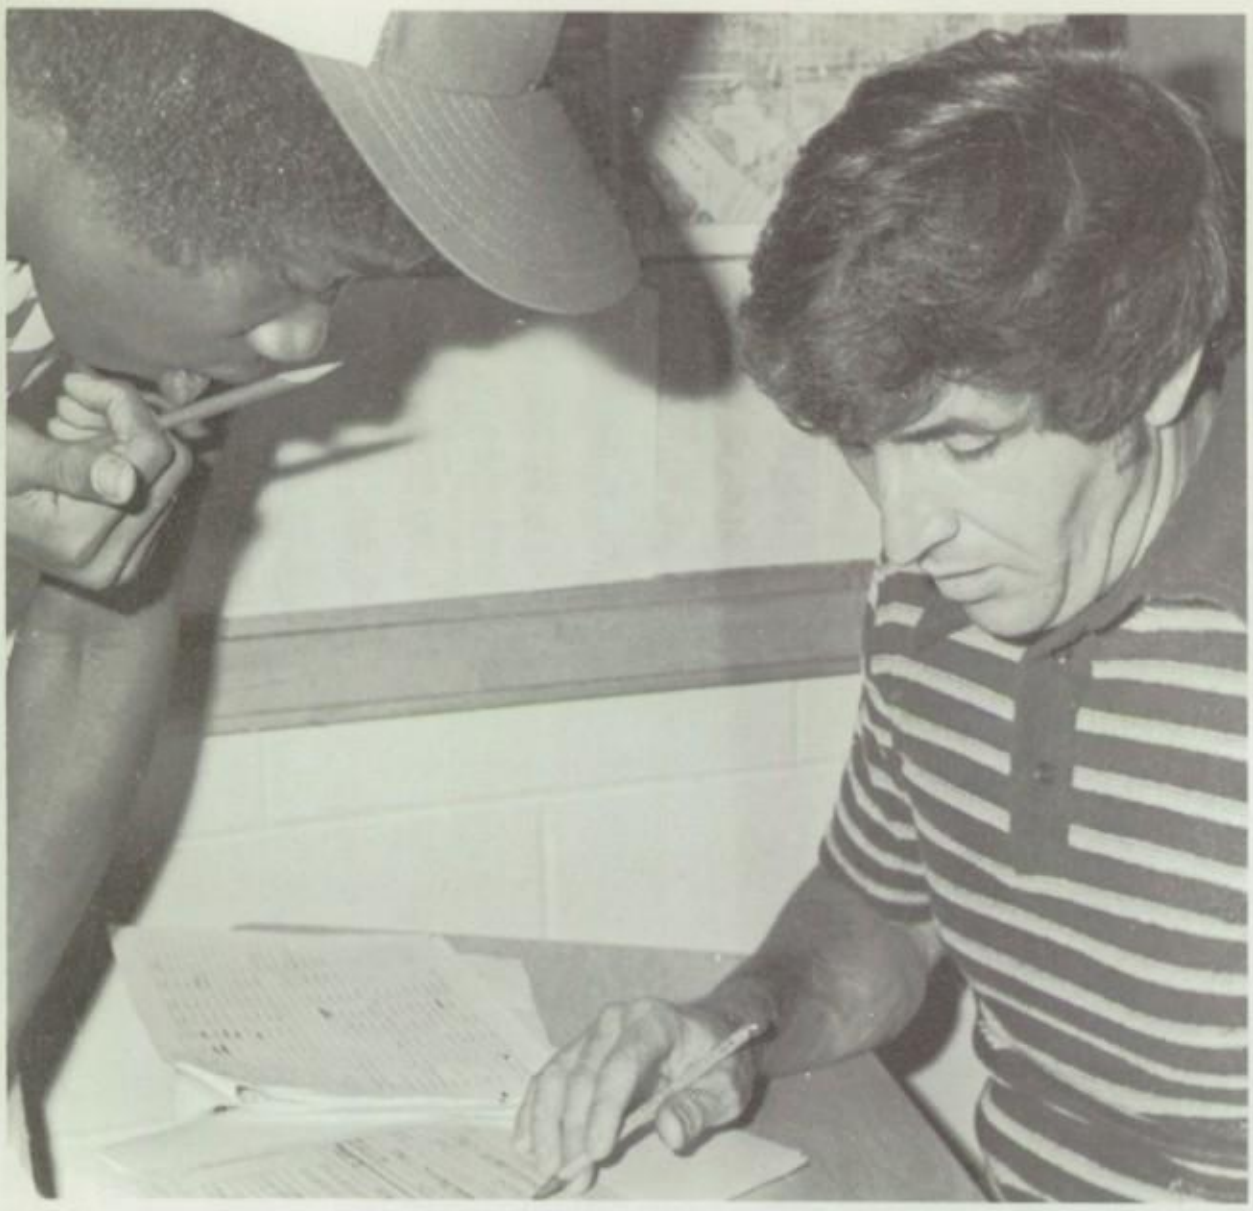
Testy Questions — Examination exemptions were the agenda as members of the Board of Education heard Superintendent Dr. Bill K. Ford (right) present information for discussion. The board revised the policy to exempt students with a grade of 90 or above and four unexcused absences.

Board Ups Exemption Requirements

A new exemption policy was released by the School Board for the school year. With the new policy students can be absent up to 15 days and have only 4 unexcused absences and a grade of 90 or above. With last year's policy students who were absent 4 times and had a 90 or above could be exempt, same for 80 and 3 absences or 70 and 2 absences.

Attentive Audience — Board members and administrators welcomed interested parents, students, teachers and patrons to meetings. Mr. Johnny Terry, US Club sponsor, and Monty Curry (third from left) US President received permission to sponsor a blood drive.

Meeting in the Senior High library, (around table) board members Mrs. Lera Floyd, Assistant Superintendent V. R. Smith, Dr. Ford, assistant superintendent Dr. Bill Jacobs, and board members Mrs. Janell Jones, Badgett Steedman and Dr. Clayton Elmore recognize visitors. Board President Dr. Stanley Clayton and member Dr. John Hartsell were also at the meeting, but obscured by the camera angle.



Students Select Classes

Summer registration was held in August to allow students to pick the teachers, and subjects they wanted. Counselors give each student a list of the courses that students must schedule. A college type registration is used. This type permits the student to select his subject and teachers. He then must arrange his schedule and sign up. If the class he has chosen is full, he must revise the schedule. Students make schedule changes from the choice sheets they make in the spring. Mrs. Judy Aleman the new sophomore counselor commented, "This type of enrollment is beneficial to the students, but hard on counselors."

Registration Frustration — Volunteer faculty members and the administrative staff gather for registration before school starts. Principal Henry Scott (above) helps a student with his scheduling problems.

Getting Started — Mike Castleberry, Bob Wilson, and Cherie Gouge pick up information about the courses they must take this year and begin the process of selecting electives and arranging schedules. The line starts in the library where counselors help students outline their needs. Once the courses have been selected, the student arranges the schedule, selects the teacher and then proceeds upstairs to register in each class. After the schedule is initialed by teachers handling the sign-up, the schedule is returned to the counselor for a final check.

District Contending Jackettes Begin Volleyball Workout

Volleyball practice started on August 22. All girls that were interested in athletics were notified about practice. Teams were picked after the first week of practice. Varsity team members named by Coach Ann McFarland were: Seniors Natalie Polk, Cari Hunt and Kristi Thomas; juniors Vicki Bizzle, Karen Luper, Zoe Rhymes and Barbara Braxton.

Junior varsity team members chosen after one week were Tammie Zamora, Barbara McPeak, Kelly Laing, Karen McDaniel, Jennifer Carreathers, Delphine Flemmings, Sonda Coney, Laurie Morris, Tracy Price, Babbie Patterson, and Vivian Fairchild. The Volleyball season started September 1.

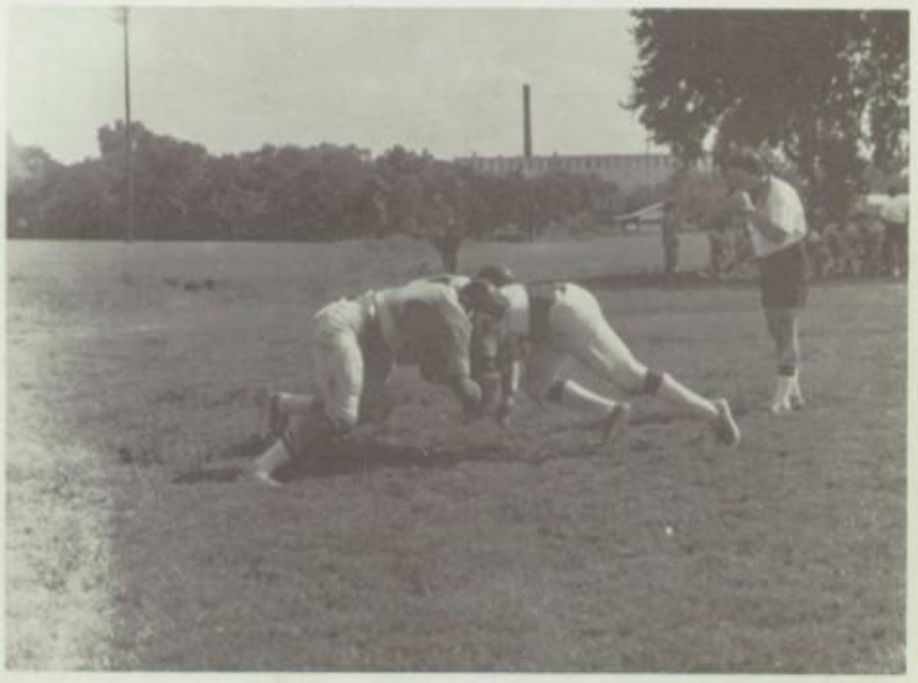
Step Right Up — Coach Tim Williams weighs Delton Mundine as all athletes line up for the required physicals.

Summer Drills — Jacket footballers hit the practice field in full force to prepare for the early season opener.



Head on — Coach Duke Sparks checks early progress for the Fighting Yellow Jackets.

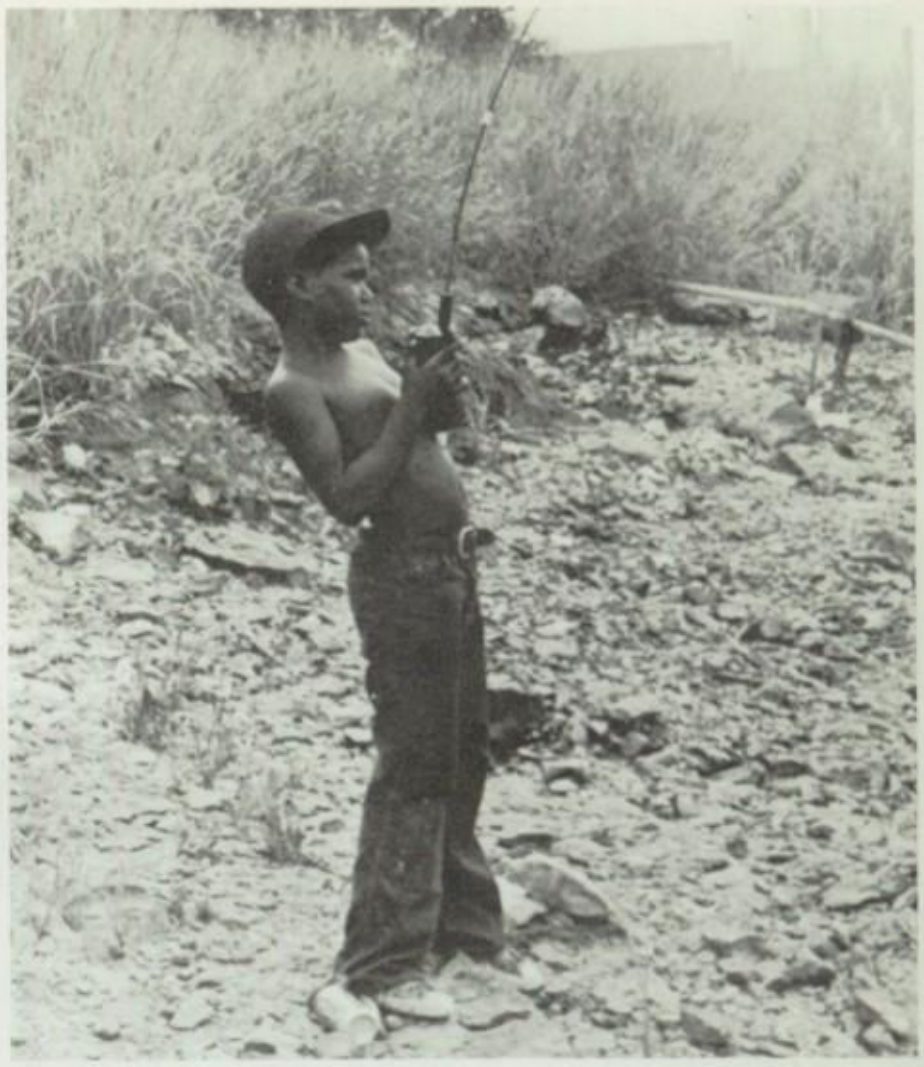
Jacket Football Goes to Battle as the 'New Sting'

Jacket players and coaches used summer workouts to polish the game designed in spring training. A speedy backfield and strong running backs are a plus for the team.

Summer Fun Over, Back to the Books

School bells call students from the shores of Lake Texoma, summer jobs, and travels back to classrooms, ball games and school activities.

Soaking up the Sun — Linda Jones and Danette Harley worked on their suntans, a top priority job for summer.



Got a Big'un — Kids of all ages enjoy wetting a hook or drowning a worm at one of the area lakes as well as stock ponds.

Splish-Splash — Water frisbee is replacing volleyball as a lakeside sport. Texoma area water sports enthusiasts enjoy boating, boat races, skiing, sailing and swimming. Lake campouts and cookouts lure families and friends to the cooling waters on hot summer days.

Drama and art students took to the out of doors in the early September heat. Mrs. Underwood's art classes studied drawing nature while Mrs. Sylvia McBrayer's drama students prepared to play clowns in the homecoming parade.

They prepared for the project by learning how to apply stage make-up.

Photography classes also ventured out of doors for their first picture-taking experience. Each student took one picture after focusing the camera and making all adjustments necessary.

Enjoying the Scenery — Clay Burden looks on as Hykue LaFoy draws the scenery west of the school in Mrs. Mary Underwood's art class.

The Stage is Set — Tim Helm, Joan Stinson, Dave Deforrest and Clown Theresa Watkins, drama students, prepare for the homecoming parade. Joan was the group's sweetheart and Theresa clowned around the street during the parade helping the parade marshall keep order.

Ag., Shop Set Projects

Woodshop students, like those in other laboratory courses, learn by doing, adopting projects where they can learn or perfect skills.

Beginning students select projects that can be completed in a short time while advanced students may choose a bigger project.

Future Farmers of America is a vital part of the agricultural education program. The group aids in instruction and provides projects for actual on-the-spot learning situations. Besides providing information, FFA offers competition for the students to display their agriculture skills and knowledge.

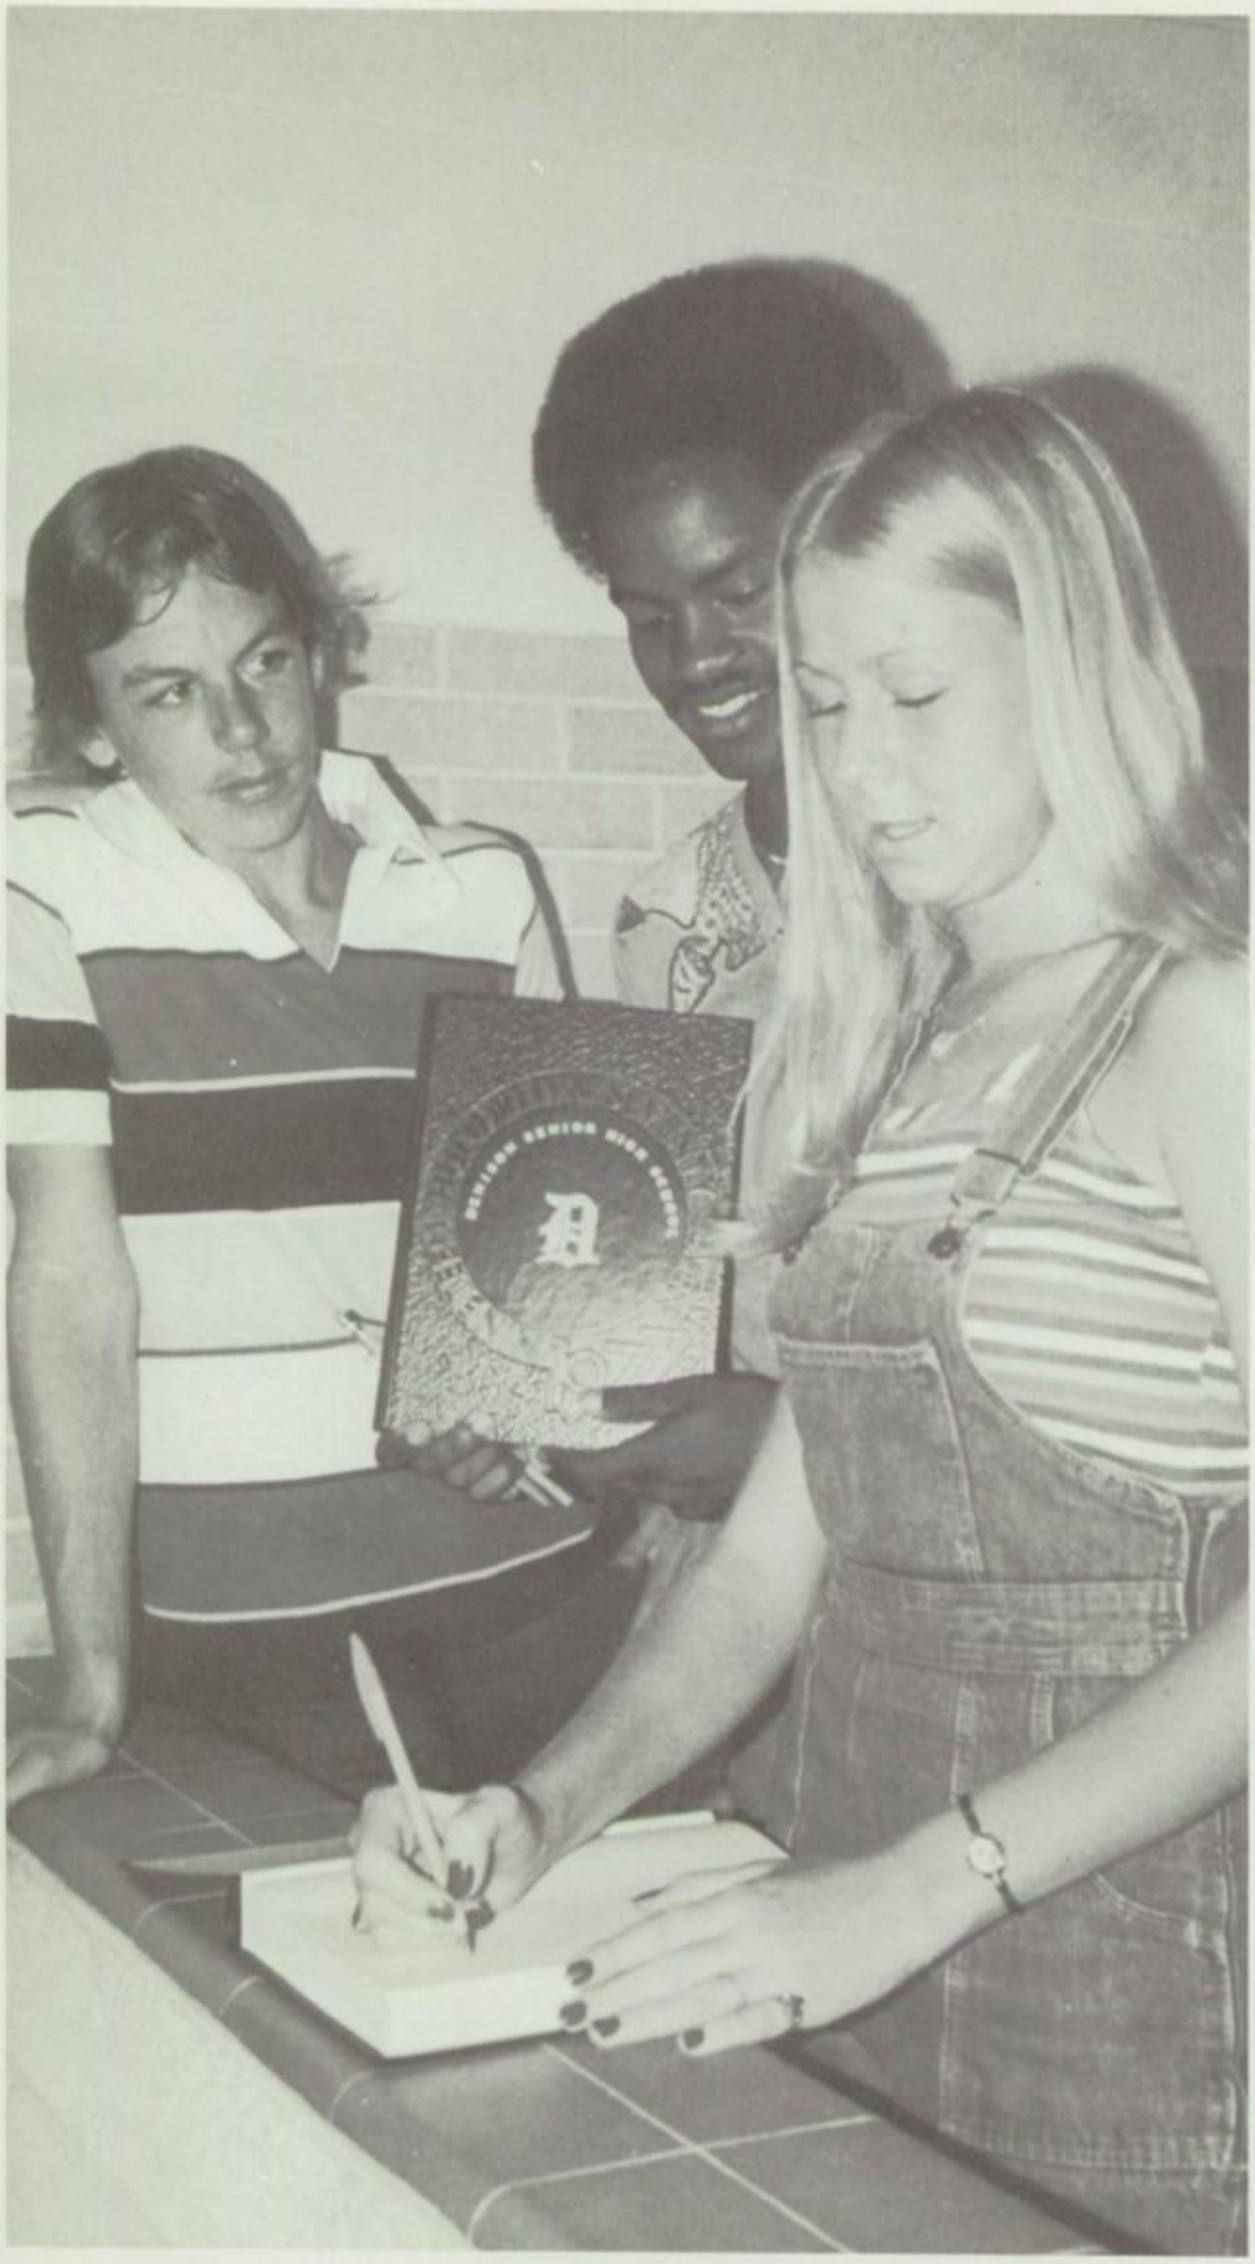
Finishing Touches — Norman Manning and Frank Mezzacappa use the sander in woodshop to finish a shelf unit.

Green Hands? — Greenhand initiation is the first step to becoming a success in FFA. A group of sophomores builds a pyramid (left) and Michael Vaughn duck walks, (above).

"First you unlock the upper filmspool locking spring, then . . . — Randy Talley and Jack Browning practice for camera proficiency tests which they must pass before checking out equipment.

The Crop's The Thing — Mike Murphy learned to study his proof sheet and choose the best picture.

Into Orbit? — Steve Streun completes the next to the last step in developing black and white film.



Autograph Party? — No, just posing for a picture for the Denison Herald. Photography students Jack Browning and Blanda Manning drafted Nathan Beck to set up a picture about the 1977 yearbook distribution. Photo students learn about posing subjects to achieve the desired effect or the desired communication.

In addition to learning the technical aspects to taking and reproducing pictures, photography students study techniques to improve communication with visual images other than words.

Courses Meet School, Job, Life Needs

The variety of courses offered at DHS provide choices for academic education to prepare for higher education, for vocational training to prepare for further training and for immediate employment, for practical skills and knowledge needed to function in a democratic society, and for development of creative talents.

Art, photography, creative writing and band and choral music are a few of the courses where students may develop or improve particular talents while they express their creativity.

Art courses span the arts and crafts by including drawing, painting with oils, acrylics, and water color, as well as pottery, macrame, stained glass, metal sculpture, and other creative activities.

Photography includes basic technical skills in black and white photography, creative composition, and communications skills.

Creative writing provides students skills necessary for expression through essay, poetry, and short story.

Rodeo Club Holds 3rd Annual Rodeo

Rodeo Club's third annual Youth rodeo, held September 19 earned $270 which will be used to provide transportation to National Finals in Oklahoma City.

Rodeo contestants from DHS, Sherman, Bonham, Ector, and other areas of northern Texas and southern Oklahoma competed in several events: bareback riding, bull riding, calf roping, steer riding and riding, and Girls' Barrel Racing.

"The students did well, the parents helped and it all went real good," Mr. Bill Day, sponsor commented. Rodeo members were selected by having to sell 15 rodeo tickets. Officers are: president, Robert Ramsey; secretary, Don Droegmider; sweetheart is Annette Richardson.

Communication Class Spins Off DHS-DJ

According to KRLD's Alex Burton, there are two ways to become a sports announcer. The first being a retired athlete and the second, to start as a disc jockey.

Trying to find a job that would enable Hank Largin to still be involved in sports, as he is an avid sports fan, would be a simple solution.

Simple? It is everything but simple. There are few job openings in that particular area, so Largin decided that being a disc jockey was the best solution (since he is not a retired athlete). This would give him the background needed and as Largin put it, "That's the only way to get into sports announcing."

This past summer Largin attended the Texas Association of Broadcasters workshop at Baylor University in Waco. During this week long stay, he and other soon to be disc jockeys learned new facts of the communication world. A closed circuit TV was used so students could evaluate their own ability and learn from their mistakes. The workshop also gave them first hand experience, as they were disc jockeys on KWBU, the local college station. Hank received a FCC third class provisional permit which allows him to work for a radio station for one year. He also received first place for his ability as a newscaster.

Mrs. Sylvia McBrayer, speech teacher at Denison High, was responsible for Largin's knowledge of the workshop. Mrs. McBrayer's speech and communication class broadcasts a local television show on ITV Channel 2. Last year the class produced Center Stage, a weekly news show. This year the class produced High School Highlights. Largin gained basic knowledge in broadcasting from classes as well as the broadcaster's workshop. He is currently working as a disc jockey for Radio KIKM.

The Kid At Work — Working for a local radio station involves choosing the discs, punching the buttons and answering the request line. (top, middle and bottom left). Hank Largin manned the turntables first in the midnight to 6 a.m. slot, then from 6 p.m. to midnight.

Sherman Week Dress Puts Spirit on Line

Signs of Sherman Week Spirit went up all over the campus, the students, and their autos as the Jackets revved up for the annual axe battle. Cheerleader-sponsored activities designed to boost spirit involved students and teachers in a parade of costumes, a downtown pep rally, a bonfire and the annual friendship dinner arranged by the Student Council.

Inside-out — Turn Sherman Inside Out Day saw students wearing jeans wrong-side out. Many had "Beat Sherman" T-shirts.

HATS OFF TO THE JACKETS — Don Taylor and Susan Hennigh joined the Hats Off salute on picture-taking day.

Spirited Attire — Sissy Luper and Shelle Ray not only advocate inside-out, but suspend Sherman.

On Top of The Situation — Ann Derishweiler and Phyllis Johnson had their hats on sideways for spirit week.

Almost Everybody — Between Overall Spirit Day, Sock It To Sherman Day, and Hats Off to the Jackets, everyone had a chance to join the spirit team.

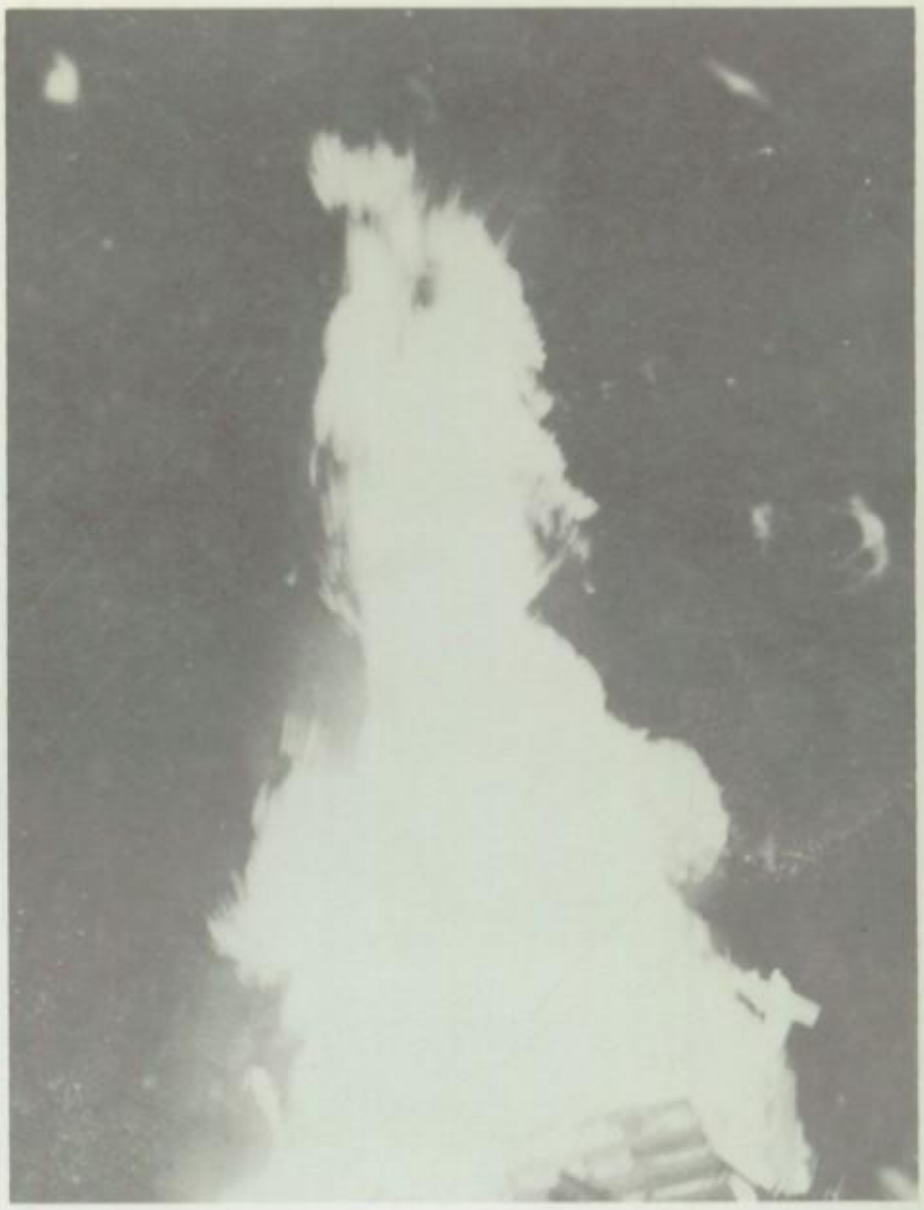
Campus Topsy Turvy

For a week before the Jackets played Sherman, students turned the campus upside down. Cheerleaders planned a week of spirit events beginning with "Turn Sherman Inside Out" on Monday when students wore clothing wrong side out. Some wore suspenders to "Suspend Sherman." Jacket fans wore hats on Tuesday, "Hats Off To The Jackets" day, and tipped their hats to footballers. Wednesday was "Sock It To Sherman Day" with everyone wearing socks and no shoes. Thursday was Overall Spirit Day when everyone wore overalls to boost school spirit. Friday was Black and Gold Day with everyone in the traditional school colors.

At a Student Council friendship dinner at Sherman High School, Denison attorney Joe Taylor presented a friendship offering of a football scene painted in the Bearcats' colors. The monochrome featured the Bearcat running game. Taylor had done a poster similar to the painting for the Jacket team last year. Posters were sold by the Fellowship of Christian Athletes to provide camp scholarships.

Rich Tradition Follows Jackets Into Battle

A Real Trophy — Former Yellow Jacket football player Clyde Davis who now teaches at Hughes Junior High brought out his trophy game ball from the 1936 Denison defeat of the Bearcats 7-6 (above). A giant bonfire intended to "burn" Sherman and boost Jacket fans' spirits was touched off after a street pep rally (above right). Cheerleaders Dawn Hopkins and Janet Alberding (right) lead students and citizens in a rousing cheer for the Jackets. Cheerleaders felt that all the spirit boosters available would be needed to urge their Jackets on to victory over the state-ranked Bearcats.



Student Power — Students gathered on Main Street for a show of strength in the Jacket cause before the Battle for the Axe. Pep Club members led the charge.

MAKE SHERMAN'S SPIRIT REST IN PEACE — Scott Badgett pledged his efforts in the Axe Battle at the pep rally.

Sherman Spirit Burned in Fire, Streets Sing Spirit

Sherman Week was full of spirit raising events as cheerleaders planned activities for the students. Before the bonfire September 20, the cheerleaders sponsored a street pep rally on Main Street. Students gathered to cheer the Jackets as a wooden casket standing upright featured Sherman's spirit being hung.

That night one of the largest bonfires in recent history burned Sherman's spirit. Cheerleaders made a Bearcat effigy for the top of the bonfire.

The football rivalry between Sherman and Denison reflects the competitive spirit of the citizens and has produced some of the largest crowds to witness a sporting event in the North Texas area. Standing room only becomes a packed audience as fans and alumni meet for the annual fracas.

Go! Go! Go! Go! Go! — Hundreds of students chant at the street pep rally.

Stingerettes Welcomed

Unusual costumes are a tradition in Stingerette Drill Team fall initiation for juniors. Though they were selected as Stingerettes last spring, juniors experience the formal, or informal, initiation after completing the summer work shop sessions.

Stingerettes initiated — Mary Fitch and Laura Lyons, (kneeling) Row 2: Linda Newsom, Pam Gampper, Cherri Gouge, Vicki Orrick, Jill Langley and RoeAnn West. Row 3: Debbie Pierson, Sherry Todd, Angela Ransom, and Cindy Stevens (right).

All Dressed Up — Stingerette initiates posed for photographer.

Stingerettes Initiated — (kneeling) Lori Mitchell, Sally Groves, and Joanna Clapp. Row 2: Tanya Crow, Cindy Potts, Laura Delaney, Lisa Bently, Karel Anne Berry, and Bonita Cline. Row 3: Sharon King, Charlene Neasbitt, Blenna Crowell, Debra Little, Lisa Cray and Lisa Heironimus.

Watch Your Step — Craig Cravey and Debbie O'Neal help Jeanette Marlow and Tammy Woods make their way through the obstacle course.

Musicians Initiate New Troops

Sophomore members of the Yellow Jacket Band were initiated by the senior musicians for a week. During initiation week, the sophomores were required to do the seniors' bidding, no matter how dumb the request. New members of the Flag Corps were also initiated.

(Below) Charles Hunter, Carl Sutherland, and Robert Mackey enjoy Craig Cravey's mess.

Sign on the Line — Elaine Anderson wore a "senior sign" which she was required to have signed by senior band members. That was the hard part.

Service to School, Community Goals

Unite for Service — DenTeens joined together to serve the school, community, and provide fellowship for members.

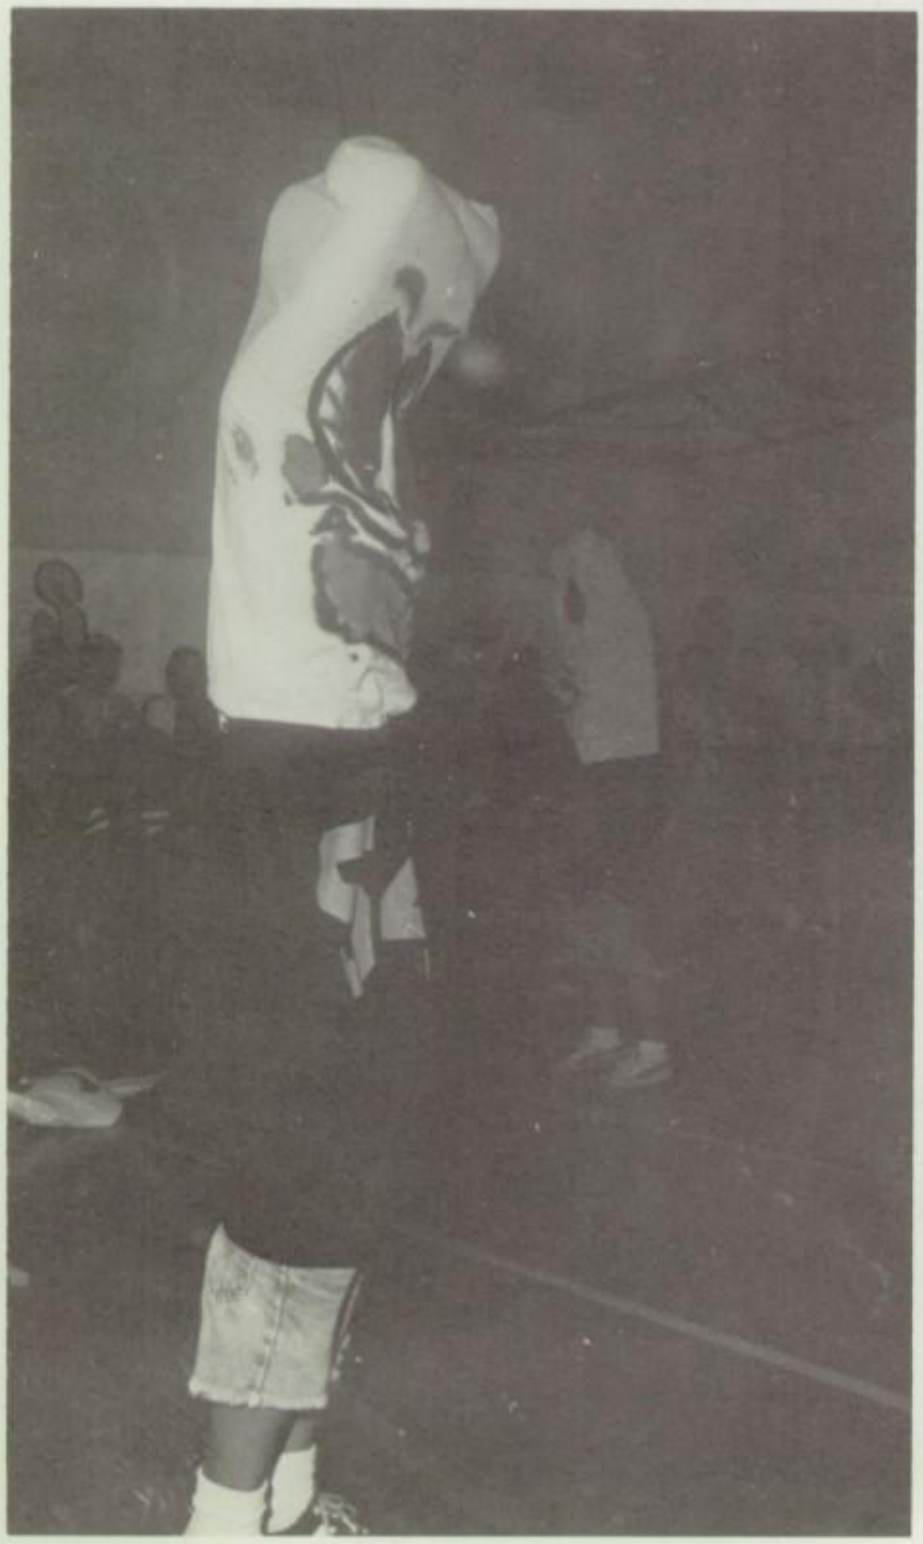
DenTeens Swing In

Swing-In (the Teens for Spiritual Development and Service initiation) was a meaningful service for girls who attended. Mrs. John Burtis, the guest speaker, inspired all of the girls with her remembrances of things done in the organization when she was a member. Many girls had never known that the rose and ivy were symbolic of the organization. Great stress was placed upon friendship and the dismissal friendship chain was formed at the end of the service.

T.S.D.S. Mothers received words of great appreciation for making lovely new ties for the senior and junior members. Sophomore Y-Teens received their blue and white ribbon pins and were treated to soft drinks.

Stingerettes Perform — what was termed a Stingerette routine was anything but routine as the high-stepping drill team performed new and different shows for each pep rally, half-time show and other public performances (above).

Incognito — A popular skit involving pillow cases and painted faces was a pep rally feature (below) as was the '50's dance which included drill team members and the audience (right).



Friday Madness Is Usual Activity

During football season, Friday mornings at DHS are something else. The gym is all decorated for the morning activities.

The cheerleaders, the band, the drill team, faculty and the student body all head for the gym. There the excitement for the game that night is at its boiling point. Teachers assist with students to see who has the most spirit. Cheerleaders have skits prepared. Drill team performs. It all ends with the singing of the Alma Mater, till the next week.

Writer's Cramp — Stacey Jackson, Michael Smith, Jalene Hawk, Blanda Manning and Susan Hennigh along with other annual staff members ready pictures for distribution (left). (Above) Students line up to purchase the 1978 Yellow Jacket.

Staff Makes Pictures, Sells Books

Annual Staff scheduled picture-making days September 21-22, during English classes. More than 1200 boys wearing jackets and girls in attractive colored clothing posed for the photographers. "78" Annuals went on sale the same day.

Pictures were returned to students who had the option of purchasing a color packet for $7.25. Copies of the pictures are provided for the use of the annual and newspaper staffs in their publications.

Students not wishing to purchase pictures returned them.

It's the Real Thing — Glenna Crowell gets a first glimpse at this year's pictures. Many students' families have a copy of their school pictures for every year.

Anita, Wasn't it fun in Jordan's English class last year? I'm glad I got to know you and that we have become friends. You are real sweet and nice to everyone. Always remember God loves you and do ask Him to help you in all things. Have a good summer and good luck in the future.

Love, Karen Johnson

Anita, a little late but glad we're related, I'm not saying much. We don't see more of each other since you moved to Phoenix. Have a good summer, as well as a cousin, Cheryl

Pride of Texomaland Boasts Trio Drum Majors, Majorette

Three Leaders — This year was a one of a kind. For the first time, the Pride of Texomaland had three drum majors. Mark Riddle served as Senior Drum Major. Junior Drum Majors were Tim Helm and Alan Williams.

Sophomore Sara Cooper (right) was majorette for the Yellow Jacket Band. Sara performed with the band during half time and also in parades.

DenTeens Gift Helpers, Faculty

DenTeens, a service organization formerly known as Y-Teens, has one of the largest membership rosters on campus. DenTeens stands for Denison Teens for Service and Spiritual Development. Mrs. Nancy Terry is head sponsor. Susan Hennigh is general president.

DenTeens presented Hank Largin with a gift of thanks for serving as emcee for the annual Neewollah Talent Show (right).

Members of DenTeens presented cookies to teachers on their birthdays as a special recognition. Summer birthdays were honored throughout the year. Susan and Shelly Middleton presented Coach Mike Pike a plate or two of cookies (below).

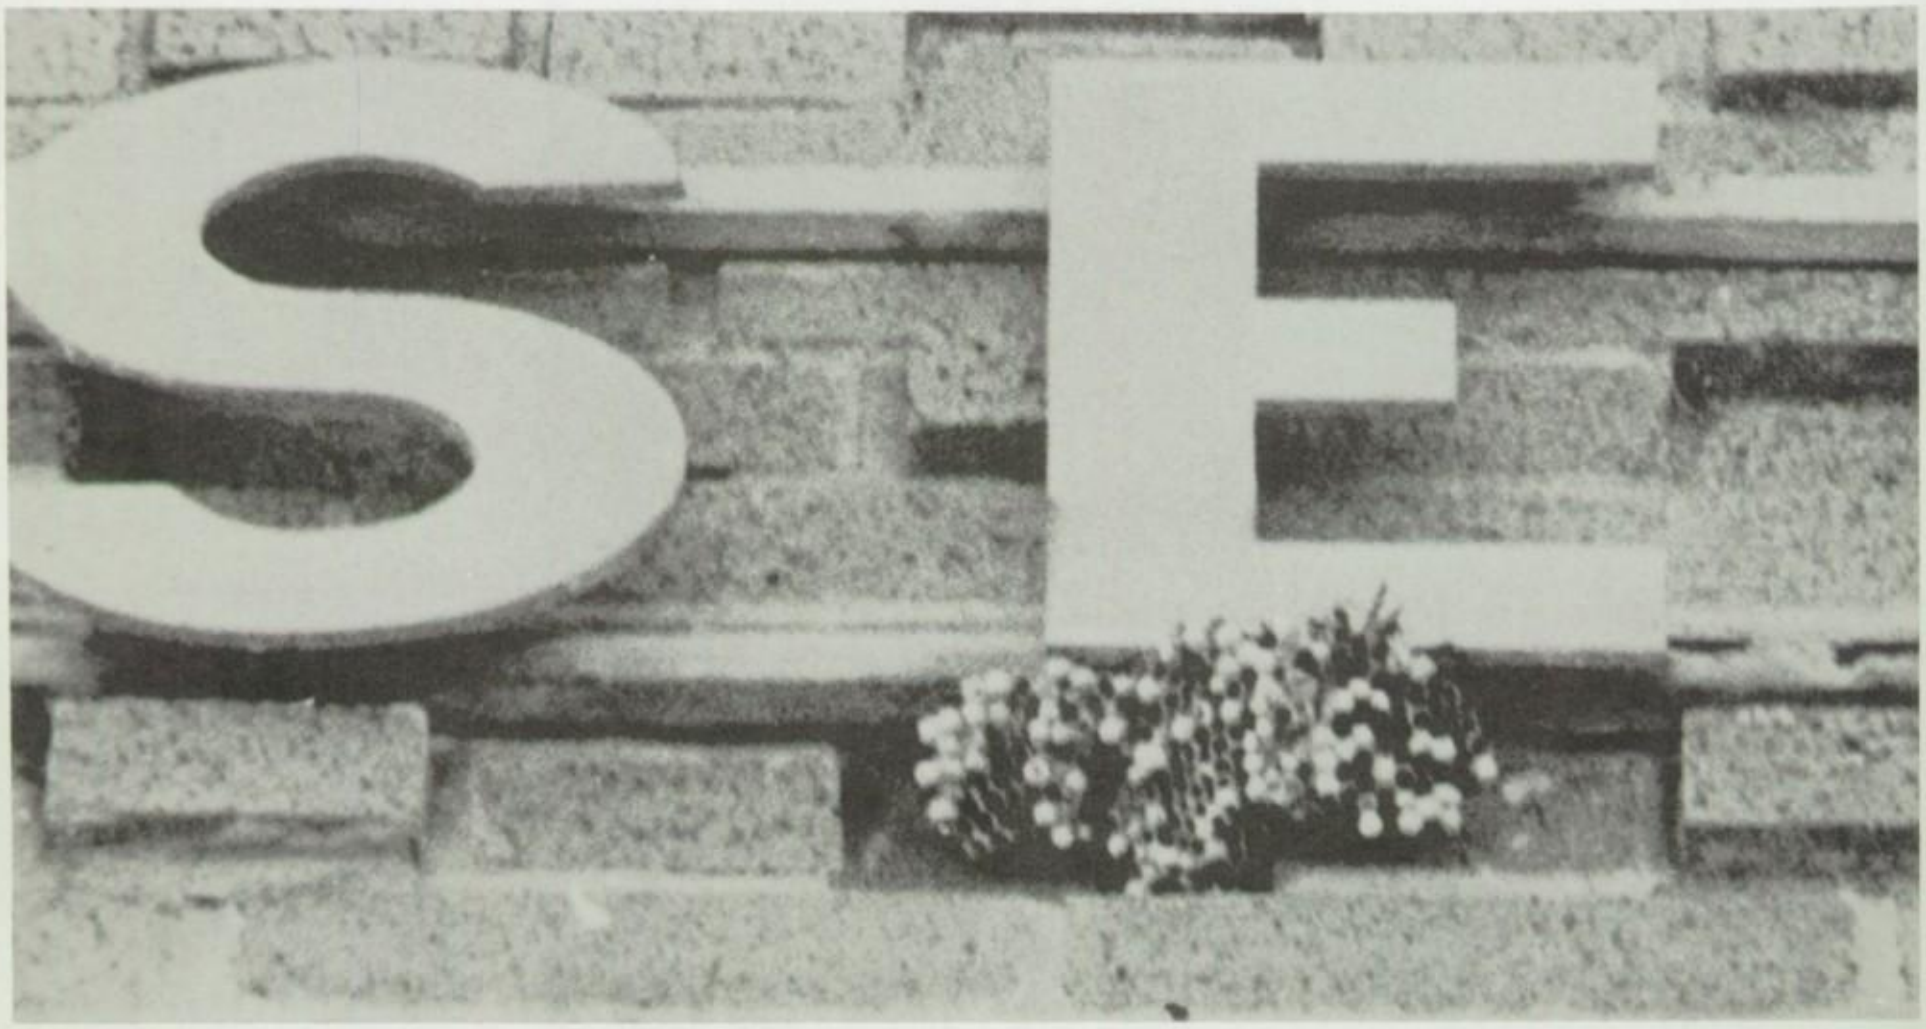
Blue Roses Awarded, Jackets Nest Under E

Everything's Coming Up Roses — Mr. Mark McPherson posed with his Blue Rose Award for photographers in the best spirit of sportsmanship. Mrs. Sylvia McBrayer presented the award with an appropriate card in honor of the occasion.

Not unlike the old Laugh-In Flying Fickle Finger of Fate Award, the Blue Rose Award emerged after homecoming this year. The first and only recipient was Mr. Mark McPherson. (He had plans to pass it on to a bevy of candidates until someone removed the award from his desk and it was lost to DHS tradition except for the picture at right.)

The award acknowledged a special goof during the homecoming festivities when a mixup resulted in Mr. McPherson, public address announcer, asking the homecoming crowd of thousands to rise for the national anthem while the band in formation on the football field blared forth with "Everything's Coming Up Roses". Instead of the usual order of activities before football games, the schedule called for introduction of the sweethearts and their escorts before the anthem, prayer and alma mater.

Mr. McPherson was presented the Blue Rose award commemorating the occasion Monday following homecoming by Mrs. Sylvia McBrayer. He was actively searching for another deserving recipient when the artificial blue roses disappeared.



RESIDENT MASCOTS — A swarm of Stinging Yellow Jackets came to nest under the E in the Eisenhower Auditorium sign on the front wall of the building this year. The superstitious among Jacket fans perceived the omen as a good one. It was the first time Jacket fans had real live mascots in residence.

Pounding out the news — Julie White types final copy for the Stinger (above). Staff members report, write, type and paste up the pages of the newspaper.

Time is Running Out — Amy Clark works to meet deadlines (left) one of the most important requirements of newspaper publishing.

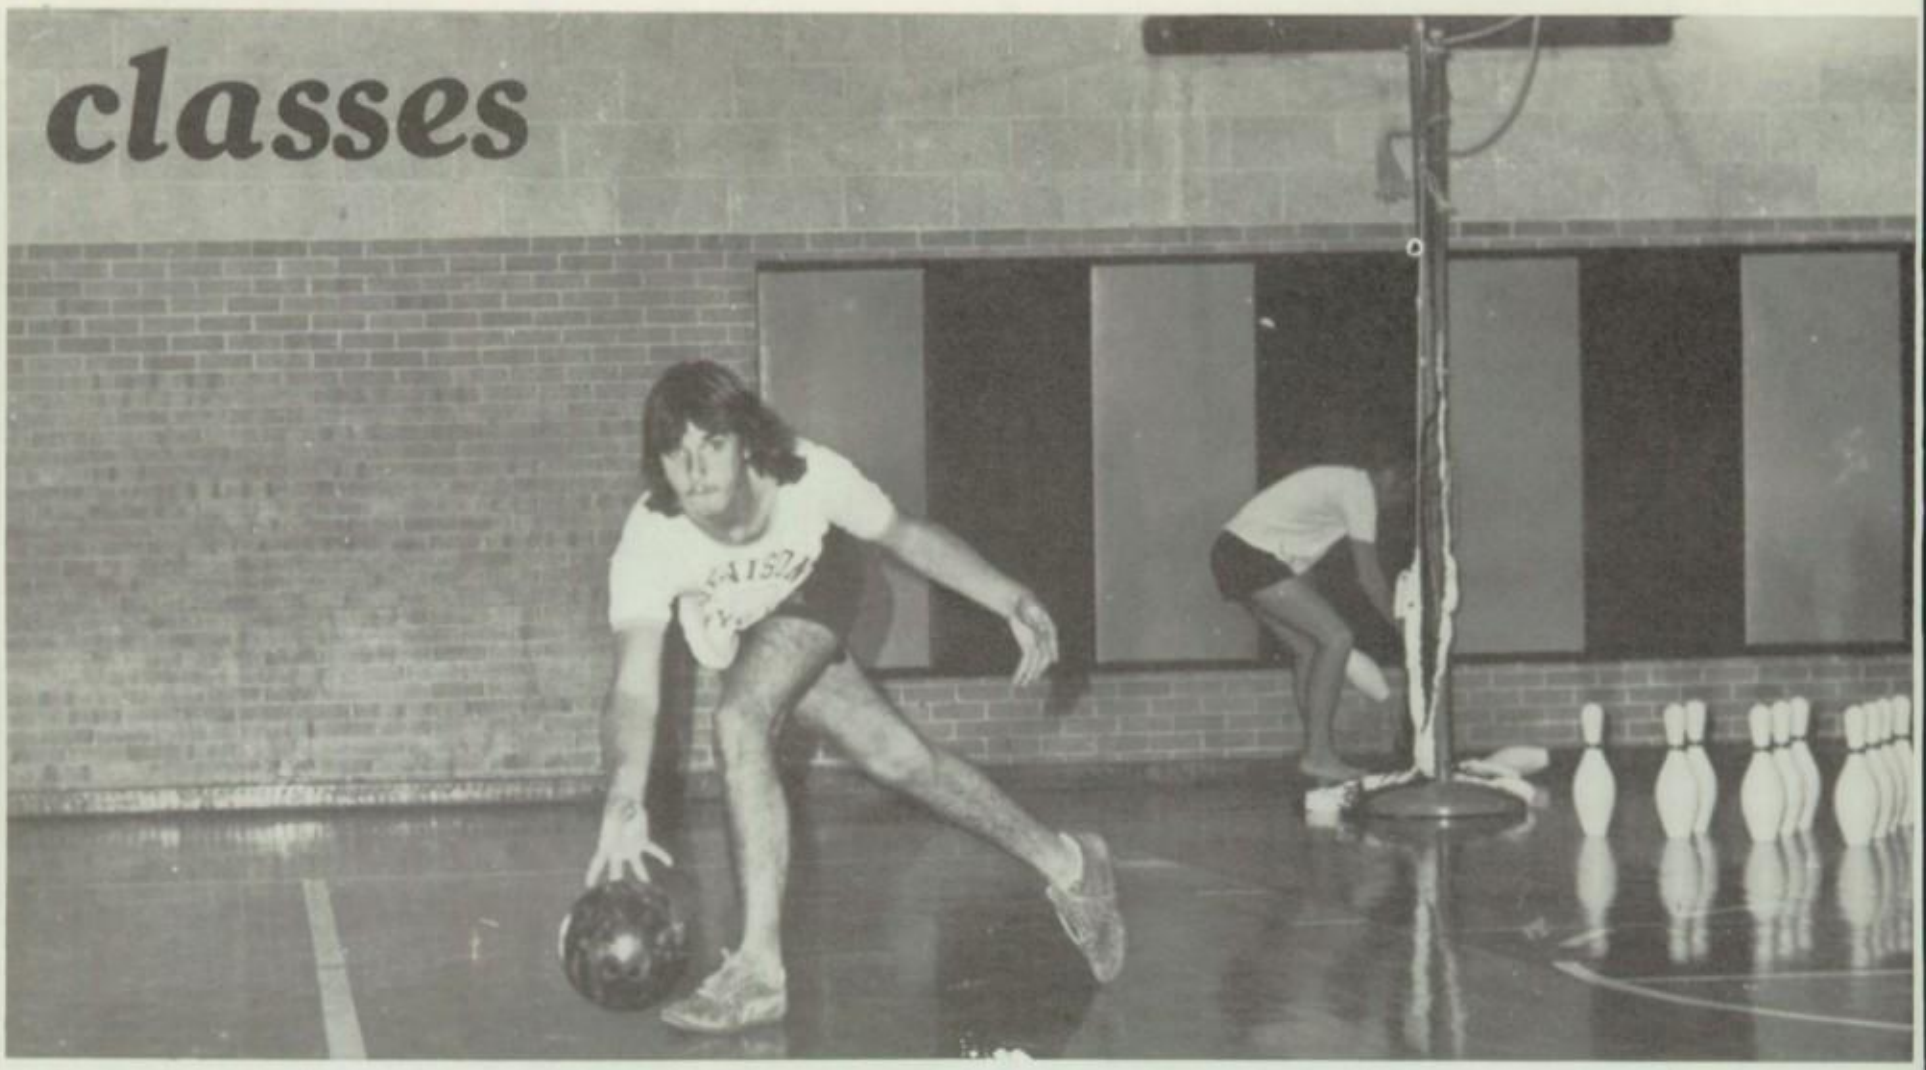
How About This Chief? — Stacey Ramsey confers with Editor Shelle Ray (below) before completing a page. Shelle and the page editors make assignments and are responsible for the accuracy and timely completing of the pages.

Stinger Is Laboratory

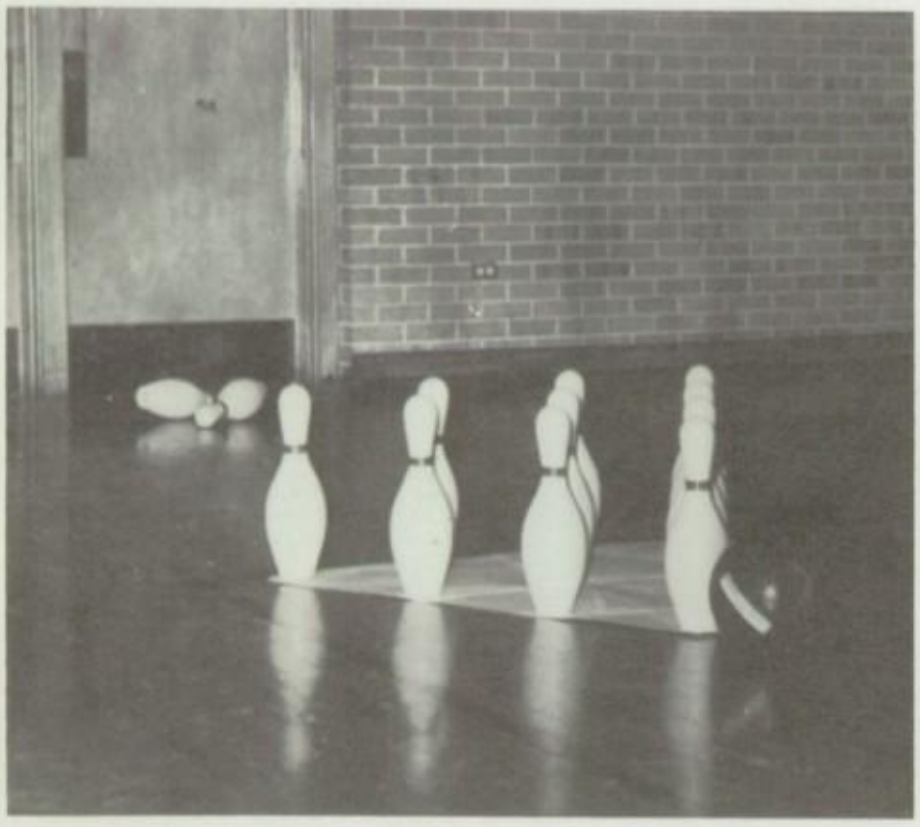
The Stinger is a weekly newspaper produced by DHS students under the supervision of sponsor Mrs. Kay Casey and printed by Mr. Franklin Turner's printing classes. Shelle Ray was Editor-in-Chief for the Stinger.

In addition to being a communications medium for the school, the Stinger is a laboratory for journalism students where they may practice what they have learned.

Printing students have on-the-job experiences getting a weekly paper off the press.



It's a strike — But not a baseball strike. The strike is for bowling in Lifetime Sports. The class has been going to the A-1 Bowling Lanes twice a week. The other three days are spent practicing on releasing the ball, knocking down pins and scoring.



Lifetime Sports Concentrates on Just That

DHS added a new class in the physical education department. The new class is a co-education PE class. Miss Ann McFarland and Coach Duke Sparks teach the third period class. During the year the students learn to bowl, play golf, the proper way to jog, tennis, archery and even had a demonstration in self defense.

Lifetime Sports Are Introduced

Karate, Judo, soccer, bowling, tennis and other sports which can continue for a person's entire lifetime are the focus for the newly scheduled lifetime sports classes. Students worked on units for each sport, achieving a proficiency which would permit their further work in the desired sport. Skills and basic rules are essential to success in sports. The course is open to boys and girls and is a physical education credit.

The Champ Speaks — Mike Taylor, Olympic Karate champion, demonstrates correct procedure for lifetime sports classes. (top)
Basketball is everybody's sport — making a specified shot is a fun way to keep in shape. In this game, one player calls the shots, making them then requires the next shooter to conform. A milar forma called HORSE has been popular on television this year.
Golf, one of the nation's most popular sports, is a part of the lifetime sports curriculum.

Athletes Get Wraps

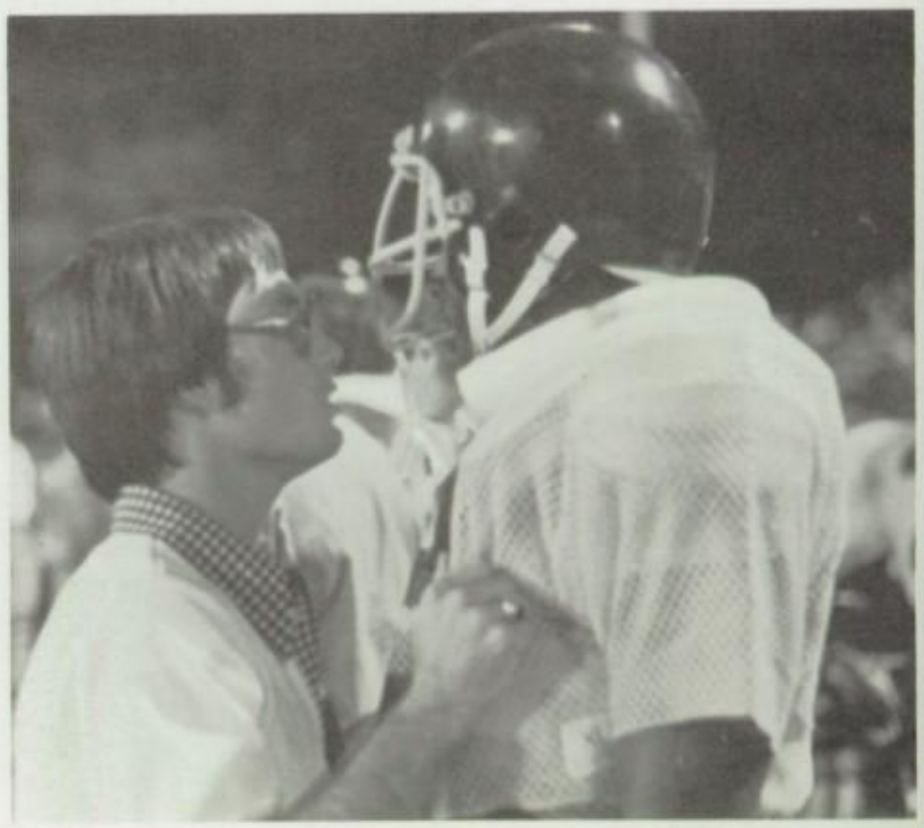
Coach James Kendrick, trainer, taught a class in athletic injuries. In the one trimester class, students learned the different bones and muscles of the body.

After learning body structure, the class studies ways to avoid injury and how injuries are treated.

This is Coach Kendrick's first year at DHS. He served the University of Arkansas as athletic trainer while he was in college, and he attends most athletic events here.

When an injury occurs, he assists the athlete and may accompany the injured player to get further medical treatment. Coach Kendrick works to prevent injury by properly training the athletes and taping.

All Wrapped Up — Coach James Kendrick wraps an ankle for Greg Neasbit, (above). Checks a stunned Jacket in a football game.



Classes Offer Variety of Skills, Activities to Improve Students

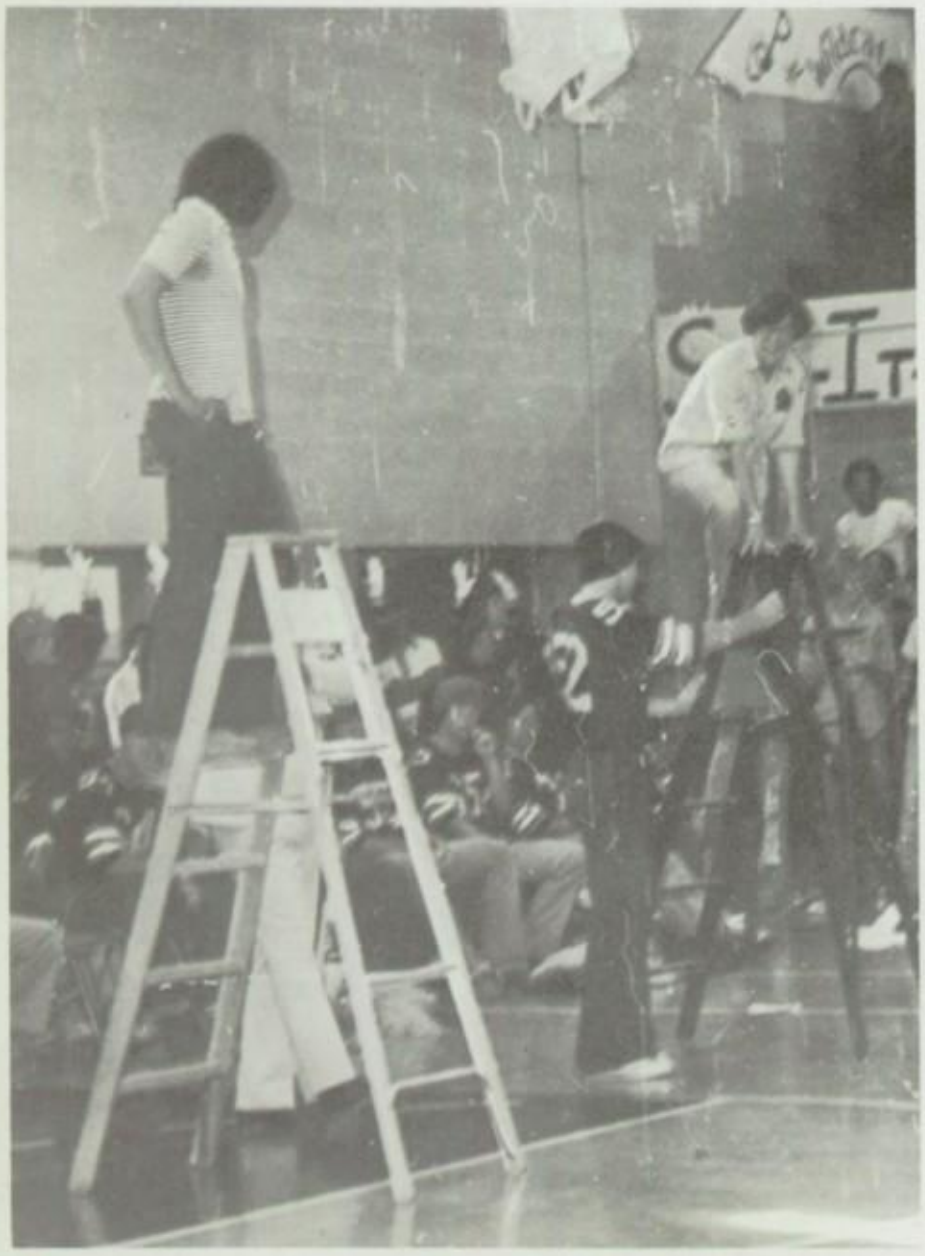
For Mind and Body — Classes develop creative talents as those (above) learning to decorate with liquid embroidery. They also provide training in lifetime sports to keep physically fit and improve strength and stamina (above and right) with weight machine workouts.

Early Homecoming Attracts Parade Entries

Most clubs and organizations participated in the annual homecoming parade. Drama department students dressed up as clowns to help keep things in line.

Each of the clubs and organizations elected a girl to represent them as homecoming sweetheart in the parade September 29. The sweethearts and their escorts were presented on the football field during the pre-game ceremonies.

Sitting Pretty — Joan Stinson (left) rode the Drama Club decorated car while the Stingerettes, band and flag corps marched and actors clowned, (below). Drum Major Alan Williams kept an eye on the drum corps (opposite below). Keith Jones puts finishing touches on his car and (right) the Future Farmers had the most expensive vehicle in the parade when their big White air-conditioned tractor rolled along the route, with their sweetheart Darla Lineberry perched on the hood.



Homecoming

Homecoming pregame ceremonies were presented by the Pride of Texomaland flag corps, club sweethearts and their escorts.

The Nominees — Karen Arthur, Shelle Ray and Jayne Ann Maxwell join the pregame excitement. Darla Morris and Harley Davis crossed the field and a tired Robbie Steel takes a break.

Homecoming Honors — Sweethearts were honored at pep rally where Coach McFarland climbed the spirit ladder and the nominees were presented.

Flashing Smiles — Stingerettes flash those million-dollar smiles as they entertain the crowd. Laura Delaney and Cindy Jarriel hoist Captain Tammy Brooks on high for the finale.

Half-time Is Best Time for Royalty

With a terrific first half over, and an impatient crowd of spectators waiting for the crowning of the 1977 Homecoming Queen, the moment finally arrived. Jimmy Clowers, president of the Student Council, doing the honors that night with the help of Meredith Williams and Cassandra McBrayer, crowned Jayne Ann Maxwell Homecoming Queen.

Are We Ready? — Mrs. Cathey Williams and daughter Meredith ready the crown for the big moment. Mrs. Williams is cheerleader sponsor and Meredith is an avid Yellow Jacket fan.

The Queen — Jimmy Clowers crowns Jayne Ann Maxwell Queen of the 1977 Homecoming (above). Shortly after the crowning ceremonies, the queen and her attendants paraded around the field atop cars. Karen Arthur greeted the admiring crowd (below left), while Leland Smith blew his horn (below right).

Proud Papa — James A. Maxwell escorted his daughter, Jayne Ann who, wearing the crown and robe and carrying an arm bouquet, was honored as Homecoming Queen. Jayne Ann was selected by secret ballot of the entire student body. Karen Arthur and Shelle Ray were her attendants.

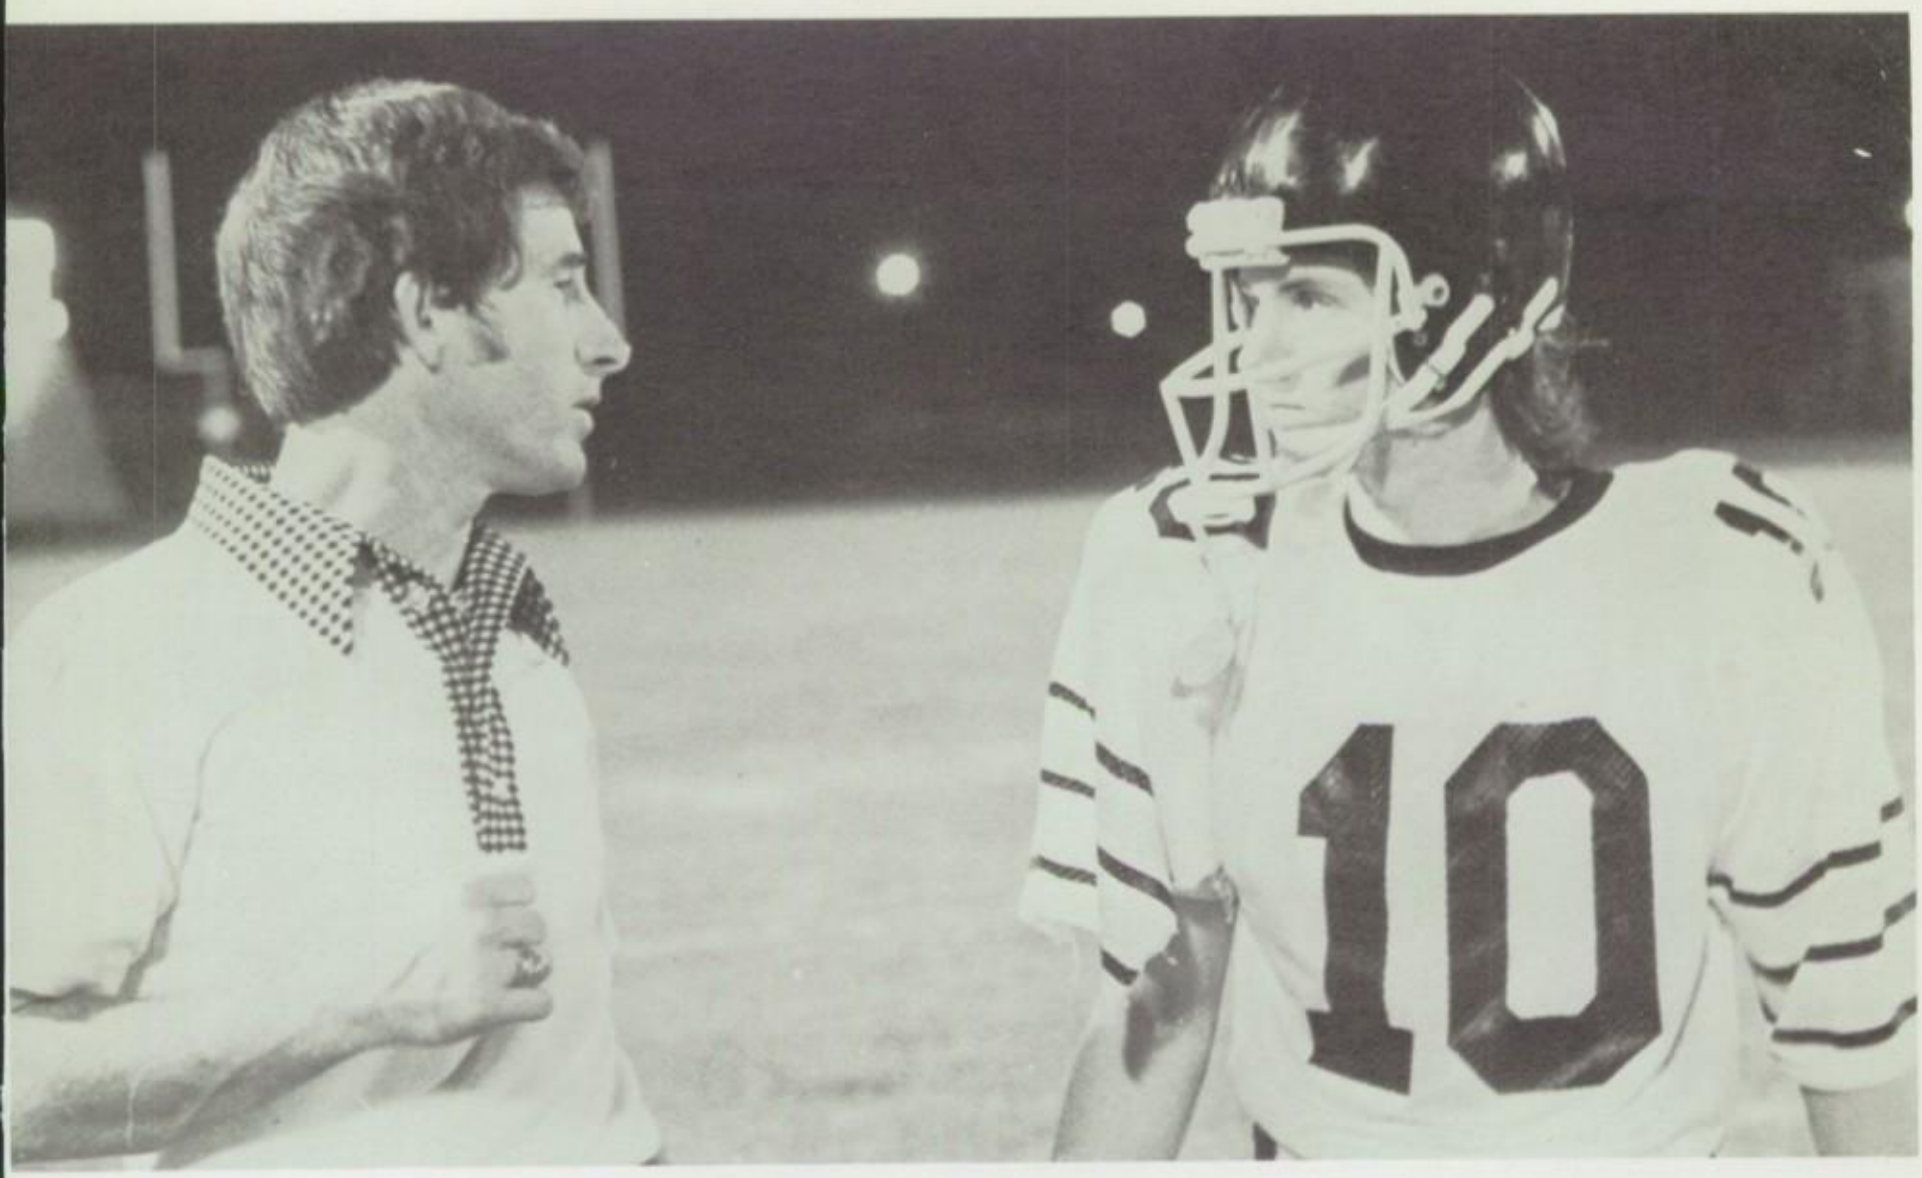
Jackets Sting Tigers 18-7, Slip by Irving 27-26

Running to Win — Gary Clark showed signs of a successful Jacket season on the third play of the season by dashing 38 yards to pay dirt.

With high hopes and lots of excitement, the 1977 football season opened for the Denison Yellow Jackets. Runningback Gary Clark then gave a reason for those high hopes and excitement by bolting 38 yards on the game's third play and the Jackets were off to an 18-7 win over Trinity in Munson Stadium.

Clad in brand new uniforms it was only natural that a brand new scoring combination would highlight the win. Quarterback Randy Blankenship found Clay Burden several times during the evening, once for a 19 yard strike late in the first quarter giving Denison a 12-0 lead, all points the tough Jacket defense needed. Another newcomer, sophomore runningback Louis Polk, added the icing on the cake by whipping a 34 yard TD pass to Burden in the second half and win number one was history.

Let's Celebrate!!! — Clark's TD run ended in a celebration. Coach Sparks shows the season opening enthusiasm.



That's Our Boy — Quarterback Randy Blankenship receives last minute instructions from Coach Danny Craver to make it two in a row with a 27-26 win.

Love That Luper — Chris Luper stutter-steps in an attempt to escape an Irving tackler. Luper put together one of his finest performances to lead the Jackets to victory.

Week number two was not a night of boredom, not by a long shot. But in the end Denison had won 27-26 over Irving.

The tempo of the evening was set on the game's opening kickoff when Chris Luper dashed 91 yards to pay dirt. However, the Jackets were in a fight all evening and faced a chance of defeat with 1:44 left in the game when Irving scored to cut the Jacket lead to one point conversion attempt and the tie, the Tigers went for the two-point conversion and victory. But victory belonged to the Jackets this night, thanks to Pat Baumgardner's tackle of quarterback Jim Hart one yard short of the end zone.

For the record this was the second 100 yard rushing performance in a row for Gary Clark who carried for 102 yards, just short of his 127 season opener.

Luper's Yards Really Count — Chris Luper, Jacket slotback, prepares to unload the crackback block on an unsuspecting member of the J. J. Pearce Mustangs.

Jackets Roll to Victory

On toward district 13-4A moved the Jackets, and on came another victory. Denison opened the league schedule September 16, by ripping J. J. Pearce 27-10.

The game served as a turn-up for Sherman. Half number one belonged to the Jackets as they waltzed to a 20-0 lead, mostly due to three of the Mustangs' nine turnovers. Gary Clark had a pair of touchdowns in the first half as the Jackets completely dominated.

One lesson would be learned by the Jackets that night. It takes two halves to win. Pearce struck quickly in the third period for a field goal and a touchdown and suddenly the game was a "game". Once again the Jackets resorted to the halfback option pass to put the game away. Louis Polk hit Chris Luper for a 48 yard touchdown toss and the victory was assured.

Out for the Season — Carlos Lyons missed the Sherman game with a torn ligament in his left knee. He underwent surgery to correct the problem.

Give Me Runnin' Room — Speedster Chris Luper prepares to find an opening during a kickoff return. This was the Jackets first loss.

Signals and Signs — Jacket signal caller Randy Blankenship is wrapped up in the Denison-Sherman battle.

Denison's 1977 battle with Sherman will be remembered for what could have been. After leading most of the first half the roof fell in on the Jackets and Sherman rolled to their ninth win in a row over the Jackets, 51-7, aided by a freakish twelfth-man play.

Denison invaded Bearcat Stadium that night before a standing-room-only crowd, and promptly jumped ahead 7-0. The Jackets trailed 10-7 late in the first half but moved into scoring position inside the Sherman ten. Quarterback Randy Blankenship's pass was picked off by Sherman's Eddie Wright who after a moment of indecision broke up the right sideline. Speedster Chris Luper was about to overtake Wright when suddenly the Sherman back broke stride in front of the Jacket bench. Luper hauled down Wright at the Jacket 35 but officials ruled that a Jacket player had attempted to trip Wright from the sidelines. Enter Bearcat touchdown and suddenly it was a 17-7 ball game and the Jackets were reeling.

Paris Falls 52-6

Had it been a prize fight it would have been mercifully stopped prior to the end. However it was a football game and when it ended the Paris Wildcats had been counted out 52-6 by the Denison Yellow Jackets.

Only a week earlier Denison had suffered a 51-7 whipping at the hands of the Sherman Bearcats. But this Friday night the Jackets took out their frustration on the outclassed Wildcats with 31 second half points to run their record to an impressive 4-1.

Four different Jackets led by Gary Clark, got in on the Denison scoring. Sophomore Louis Polk got the scoring underway early when he hauled in a Randy Blanenship swing pass and galloped 35 yards to pay dirt. Following a Paris penalty Blankenship scampered in for the two point conversion and the Jackets never looked back. Derrell Shaw and Jared Moore also scored for the Jackets.

In all the Jacket running game clicked for 219 yards. In total yardage Denison held a commanding 306-167 edge over Paris.

Totin' the Mail — Chris Luper turns upfield for a long gainer.

Stick 'Em Up — Referees got a lot of arm exercise as the Jackets licked their Sherman wounds and pounded the Paris Wildcats.

Where Does It Hurt — Trainer Jim Kendrick confers with linebacker Jared Moore during the Paris game.

SERVE!!! — Varsity tennis player Johnny Allen worked on his serve at the Racquet Club practice court.

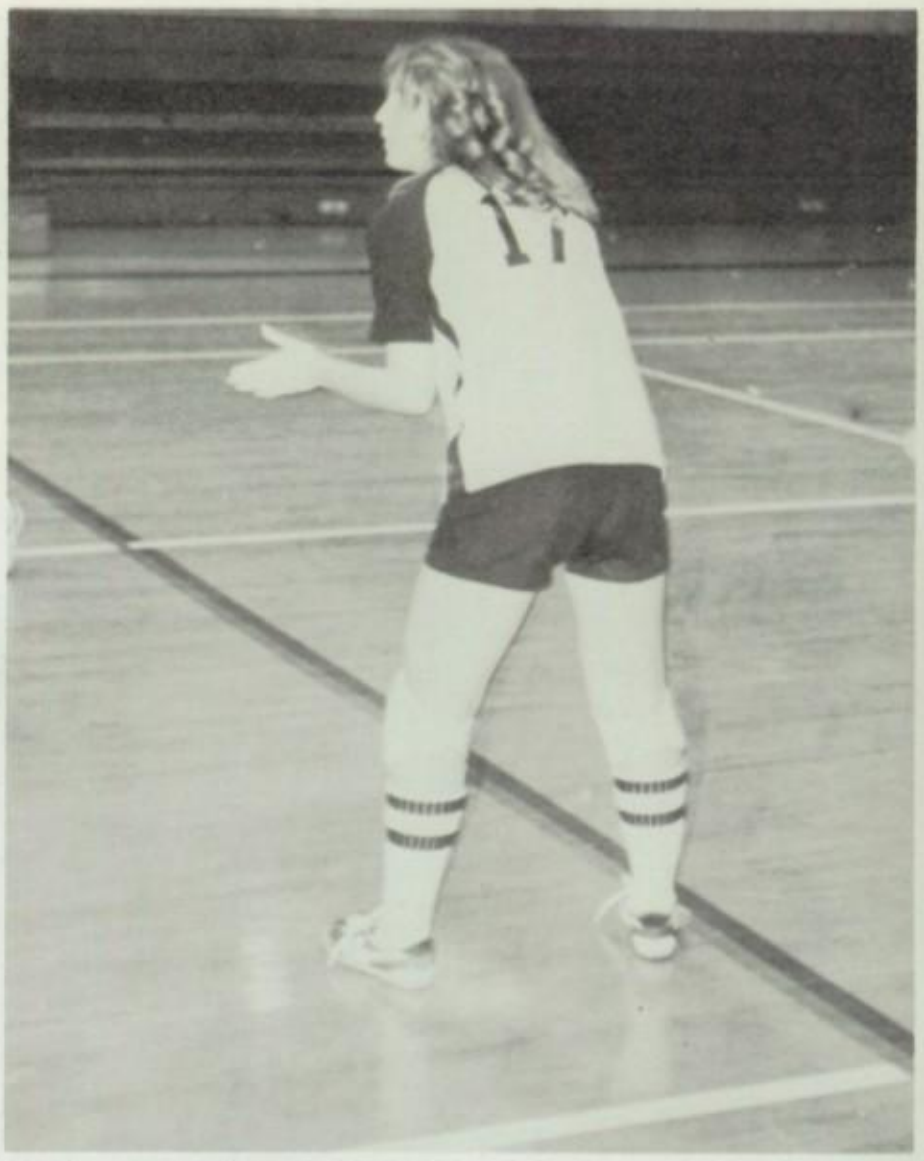
Netters Start Workouts

Varsity Tennis workouts start on the first day of school and except for icy days, team members can be found on the courts at the Texoma Racquet Club perfecting their games. Bad weather runs (literally) the netters indoors as they do calesthentics and run laps to improve stamina. They run a full schedule of matches including several indoor tournaments and matches with top competitors in the area and district 13-AAAA.

Monty Curry and Donna Skaggs were selected captains for the boys and girls teams, respectively. Both the seniors have trophies to their credits from last year's meets.

DHS 1978 Tennis Team members posed for "the boss" Coach Gail Ringness.

Spike it to 'em — Barbara Braxton, the Jackettes All-District spiker prepares to unload one of her spikes in the opening game against J. J. Pearce.



Patience and Practice Makes Perfect — Patience is one thing that is important in playing volleyball. Cari Hunt displays a little of her patience while anxiously awaiting the ball.

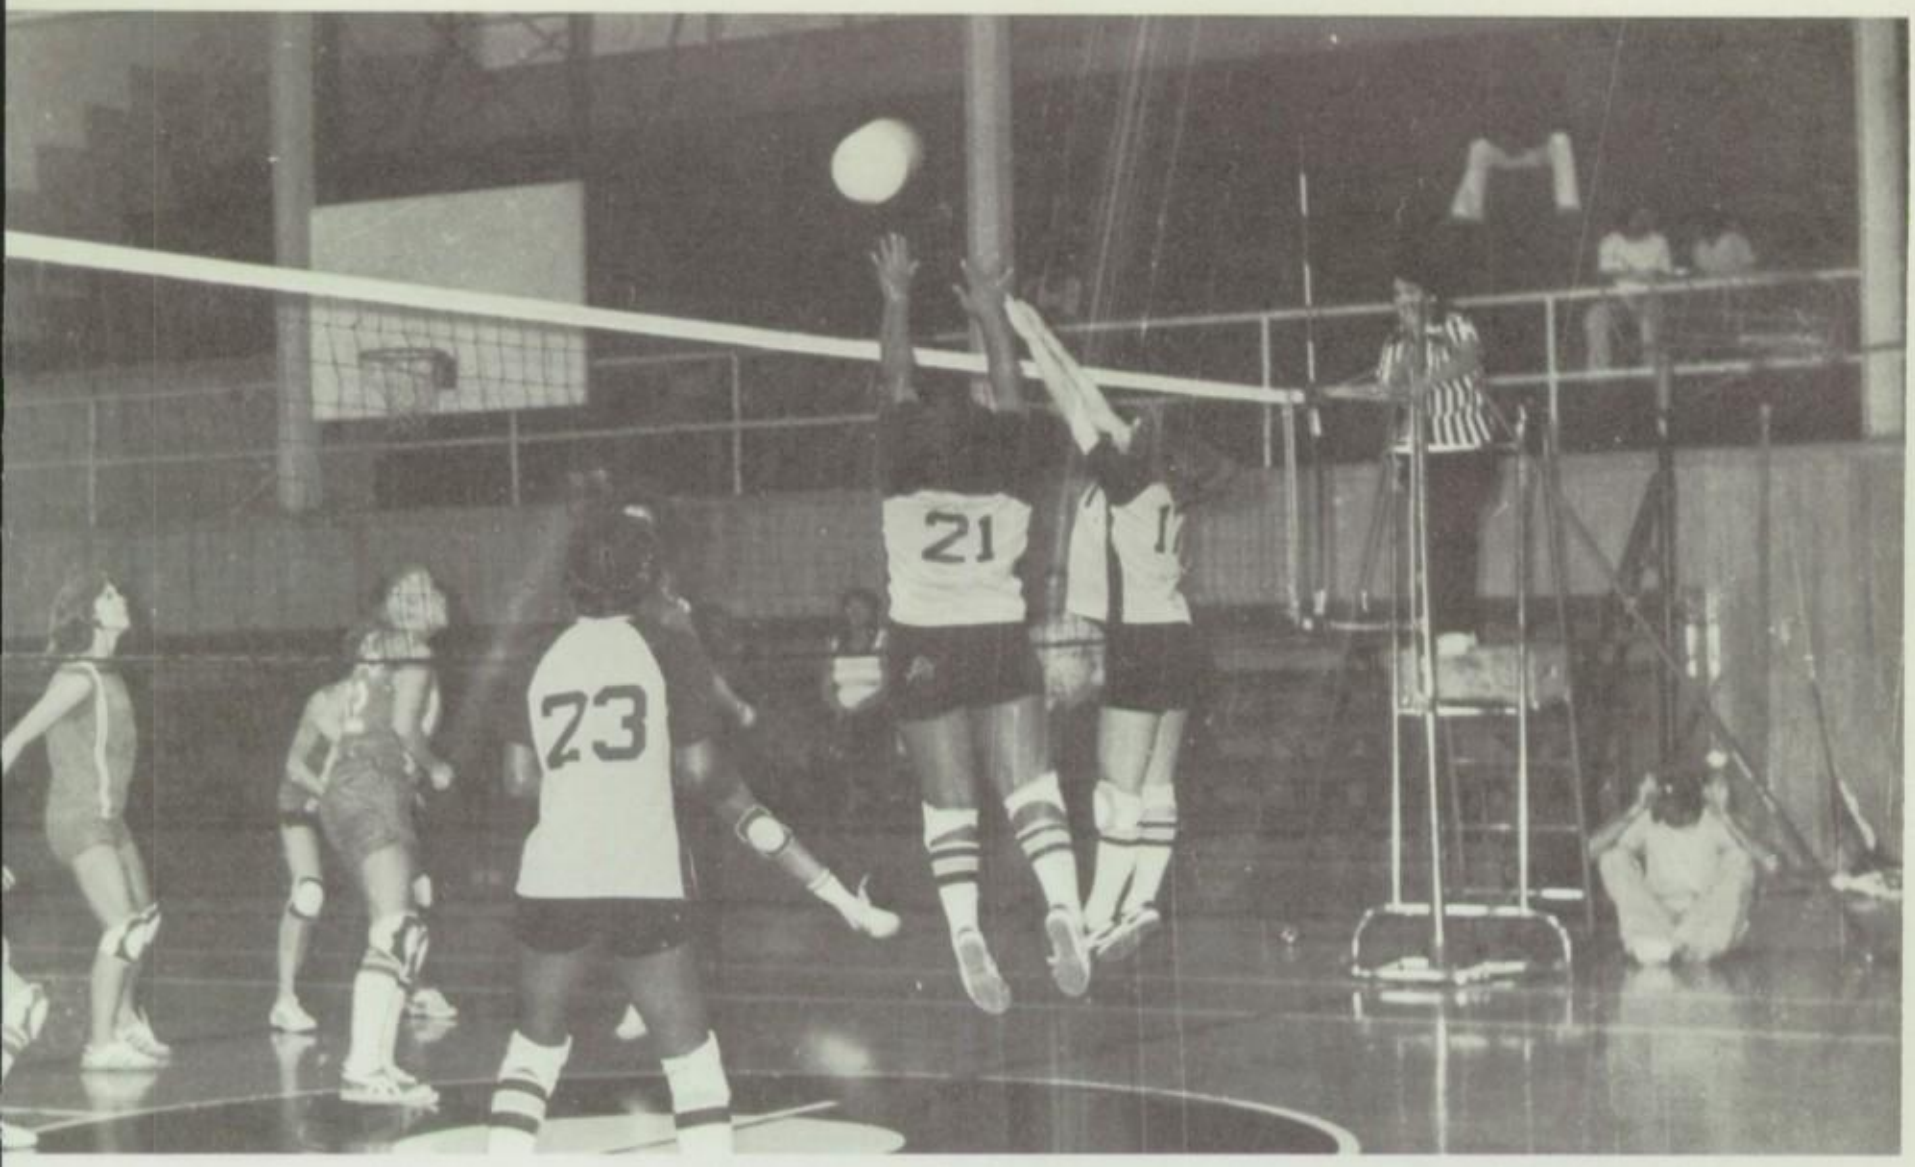
Jackette varsity team was defeated by the Trinity Trojans 15-10, 15-5 in a scrimmage game September 1. Top offensive players for the spikers were Natalie Polk on serving with eight points and Zoe Rhymes serving four.

Jackette volleyball team gave an encouraging performance in their district 13-4A opener despite falling to a strong J. J. Pearce team in successive games 9-15 and 9-15.

Top servers in the first game were Barbara Braxton and Karen Luper who both scored 3 apiece.

In the second game Polk was the leading server with 4 points.

Time for Practice — Kristi Thomas goes up for a spike while Cari Hunt blocks in a before game practice. Natalie Polk the Jackettes only setter watches for results.



Poke it over Polk — Natalie Polk, the Jackette setter, goes up for a block along with Cari Hunt in the opening game against J. J. Pearce.

Up and Over — A one handed Dink is what Zoe Rhymes used to get her ball over the net in the Sherman-Denison game. The Jackettes lost to the Bearcats the first round but came back to defeat the Bearcats for the first time.

Jackets fell short to Sherman 8-15, 8-15 there September 8. Top server was Pokey Braxton with six points.

They rallied to their first victory September 13 over the Paris Wildcats on the Jackette home court.

In the varsity game, both teams played a close game with Denison coming out on top with a 16-14 win over the Wildcats the first game. Top server in the first game was Barbara Braxton serving eight of her ten points. The lack of time ended the second game.

Natalie Polk served to put the Jackettes on top 14-11 to push the girls to victory number one.

Up and Over — Two Jackettes handle the ball as the referee eyes the net.

Getting It Together — Natalie sets up the volleyball for teammates.

Top Server — One of the Jackettes' top servers, Kristi Thomas, puts the ball into play. Kristi served 14 points in the game against district foe, Berkner.

Let 'Er Fly — Natalie Polk served with a strong arm for the Jackettes.

Set It Up — The Jackettes put teamwork together for their winning volleyball efforts. Natalie sets one up above.

Jackettes traveled to Commerce September 17 to compete in the East Texas State University Tournament.

The girls advanced to the tournament semi-finals where the local spikers fell 15-11 and 15-7.

The good serving of Tangela Shaw led to the win. Defense by Cari Hunt also strengthened the attack.

The spikers entered the Grapevine tournament September 23-24 winning their first match 15-9, 15-9 over Azle. Top server was Natalie Polk with 10 and Pokey Braxton with nine. In the second round, Denison fell to L. D. Bell 11-15, 1-15. Top server was Pokey Braxton with nine points.

Jackettes played a close set with Richardson before falling 15-17, 9-15. Top servers were Sissy Luper with seven points and Pokey with six points.

Behind the serving of Kristi Thomas and spiking of Pokey, the girls were victorious over the Whitesboro Bearcats 15-7, 15-9. In the first game, the girls played a slow deliberate game with Kristi Thomas serving seven points. Kristi repeated as leading server with seven points in game two.

Jackettes defeated Berkner 15-13, 15-9 at Berkner. Kristi was top server with a super 14 points.

Watch The Bouncing Ball — Jackettes spread the field in defense of their volleyball prowess as they take a winning tradition into the season.

Juniors Start Strong

Volleyball action began September 1, as the Jackettes traveled to Trinity. In junior varsity action, the locals defeated Trinity in three games 15-10, 4-15, and 15-12. Top server for the Jackettes was Sonda Consy with 14. The JV defeated Sherman 15-8, 15-9 September 8. Top servers were Tammy Zamora and Babbie Patterson with 6 points each. Berkner defeated the Jackettes in a three-game contest 15-7, 8-15, 13-15. Top Jackette server was Sonda Coney with 12 points.

Concentration Is the Name of the Game — Tammy Zamora practices concentrating on her serve. Service success is vital to a winning volleyball program.

Rapt Attention — Sponsor Mrs. Sylvia McBrayer listens to discussion at the Superintendent's Senior High School Advisory Council meeting.

About the parking lot — Bubba Osbourn, Stephanie Clift, Bryan Whittington and Robbie Steele are concerned with the agenda items.

Advisory Council Meets

Refreshments, Too — Advisory Council members enjoy soft drinks and donuts while they discuss student's concerns with Superintendent Ford.

The first meeting of the Superintendent's Senior High Student Advisory Council "was one of the best ever." Dr. Bill K. Ford said discussion of Munson Stadium was directed at the sound system and seating. Suggestions for the sound system were to get new parts or lease one. It was also suggested that additional seating be provided. Ideas included moving the present portable seating on the west side to under the score board and adding stands on either side of the west stands. Comments were made suggesting putting aluminum coverings on the stadium seats.

Parking lot improvements were also requested. The need is great because the loose gravel is damaging cars and motorcycles, wearing tire tread and chipping paint. Suggestions were made to remove the top layer of gravel. It could possibly be placed in the parking lot behind the band hall.

Student Council sponsor Mrs. Sylvia McBrayer attended meetings. The council made up of Senior High students meets with the superintendent to advise him of problems or areas of concern. Seniors attending were Jim Clowers, Student Council President; Janet Alberding, Terry Outlaw, Shelle Ray, and Randy Hartford. Juniors attending were Robbie Steele, Vice President; Stephaine Clift, Forest Dusek and RoeAnn West. One sophomore Tim George, attended the first meeting.

Class Lays Foundation

Students in the building trades class under the instruction of Mr. Vernon Kumbler each year learn how to build houses. Each year the students build a house that is then put on the market. Jobs the students are not trained to do are done by contractors in those fields. Here they work on the foundation.

A Day At the Fair — MHMR high school students took a field day to the State Fair (above and below, left) and picnicked at the park during some of their learning excursions. They posed (opposite page) at the fire station with their teacher Candy Hudson and aide Mrs. Malvern Davis. Members of the class are Sharon Blanton, Ray Bowers, Kenny Calvert, Brian Dodson, Donald Garner, Christine Hubert, Bettrice Owens, Michael Palmore, Michael Ragle, Sarah Roberts, Marvin Ross, Kent Storbeck, Cynthia Westmoreland, Buddy Club, Rose Simmons, and James Whitten.

Field trips, nature hikes and picnics were all part of the year's learning experiences for the high school MHMR class located at Perrin Field. Fire Chief George Cravens gave the class a special tour of the new fire station where they saw new ambulances and fire fighting equipment. A picnic in Forest Park, a football game and a nature hike followed.

The most exciting trip to the State Fair of Texas included a day of touring the car show, and the food department. The students rode the rides and played the various games on the midway.

Hughes Junior High Honor Society sponsored a Halloween party for the class complete with a costume contest and apple bobbing contest, followed by a dance.

Other events of the agenda include field trips to Johnson-Johnson, Levis, Miss Kings, Pillsbury, KIKM, Chase Chevrolet, a bank, KXII TV, Oscar Mayer, and the peanut factory.

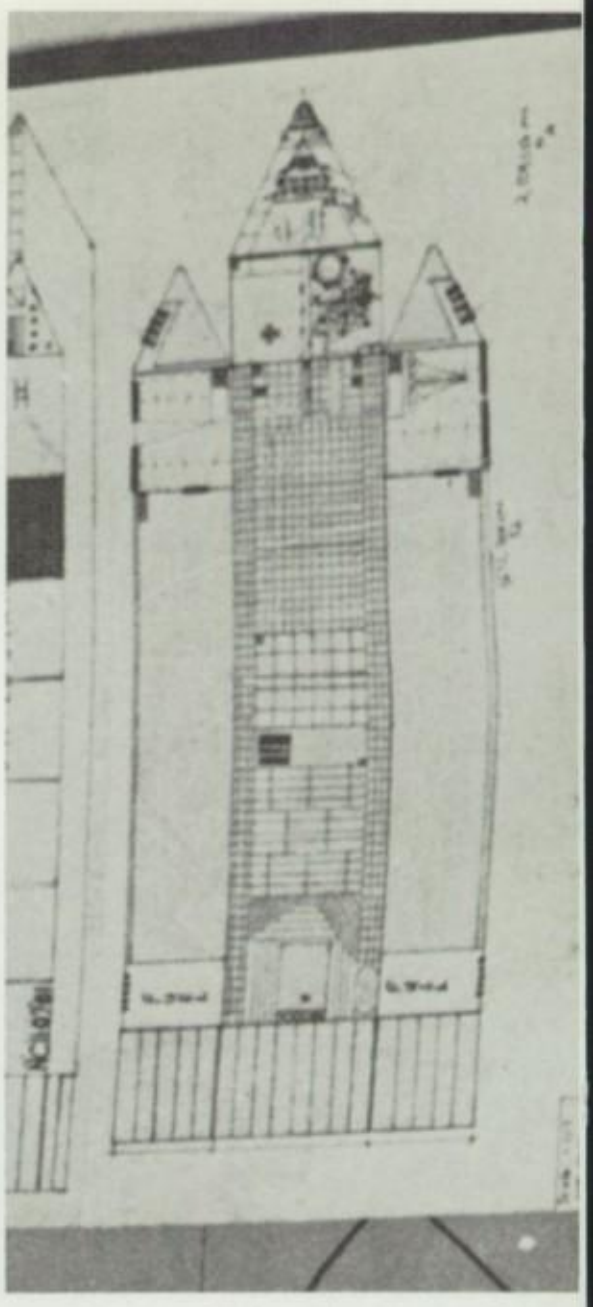
In class the students make bread dough for pizza and make their own lunches. They decorated their room with a fresh coat of paint and carpeted the floor with carpet remnants pieced together.

They made candy and candles for Christmas gifts.

Honors Class Designs Cities

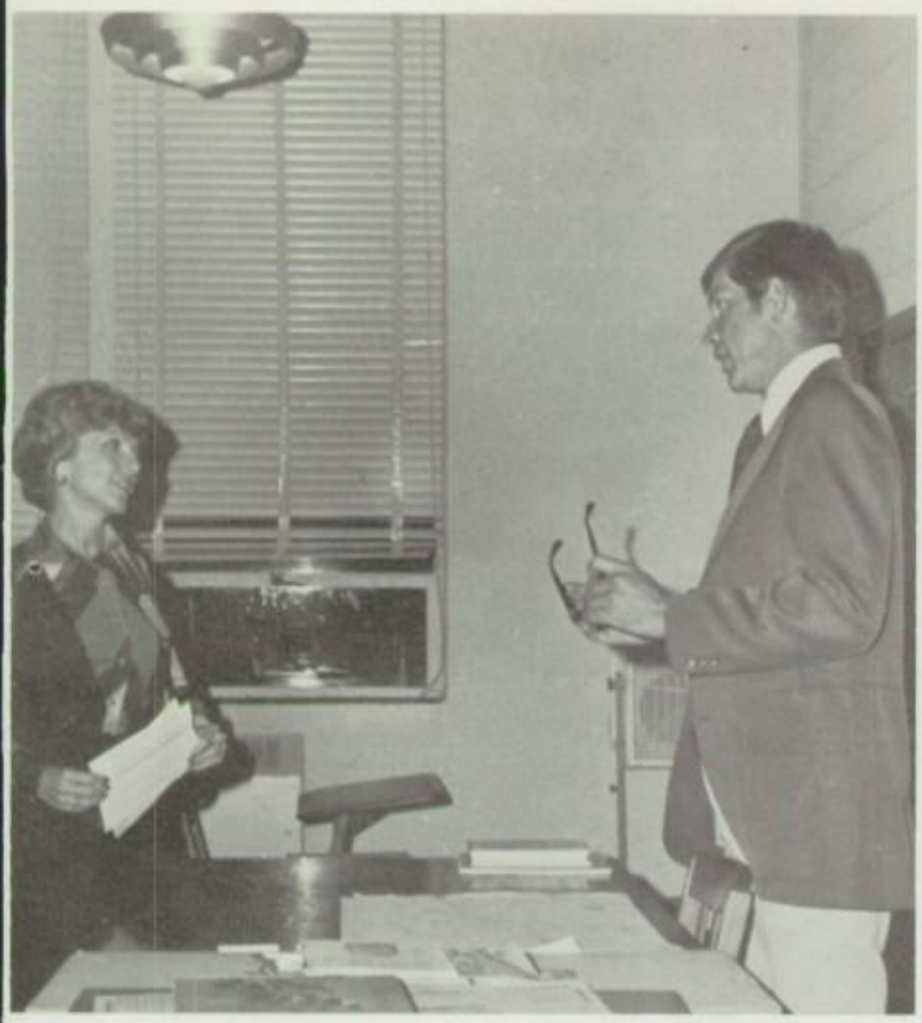
A major project for the honors biology class is to design a Survival City. Mr. John Terry establishes conditions and the class is divided into groups. After they have researched food plant and animal growth, air, water and other necessities, they create an environment, present their plans and defend them before a panel of judges.

Honors biology is Biology I and II taken at the same time in a two-hour class with weekly evening laboratory sessions. Students are selected based on their abilities and interest in biological studies. Chemistry is a pre-requisite for the course. **The Plan —** One student's plans includes elaborate designs.

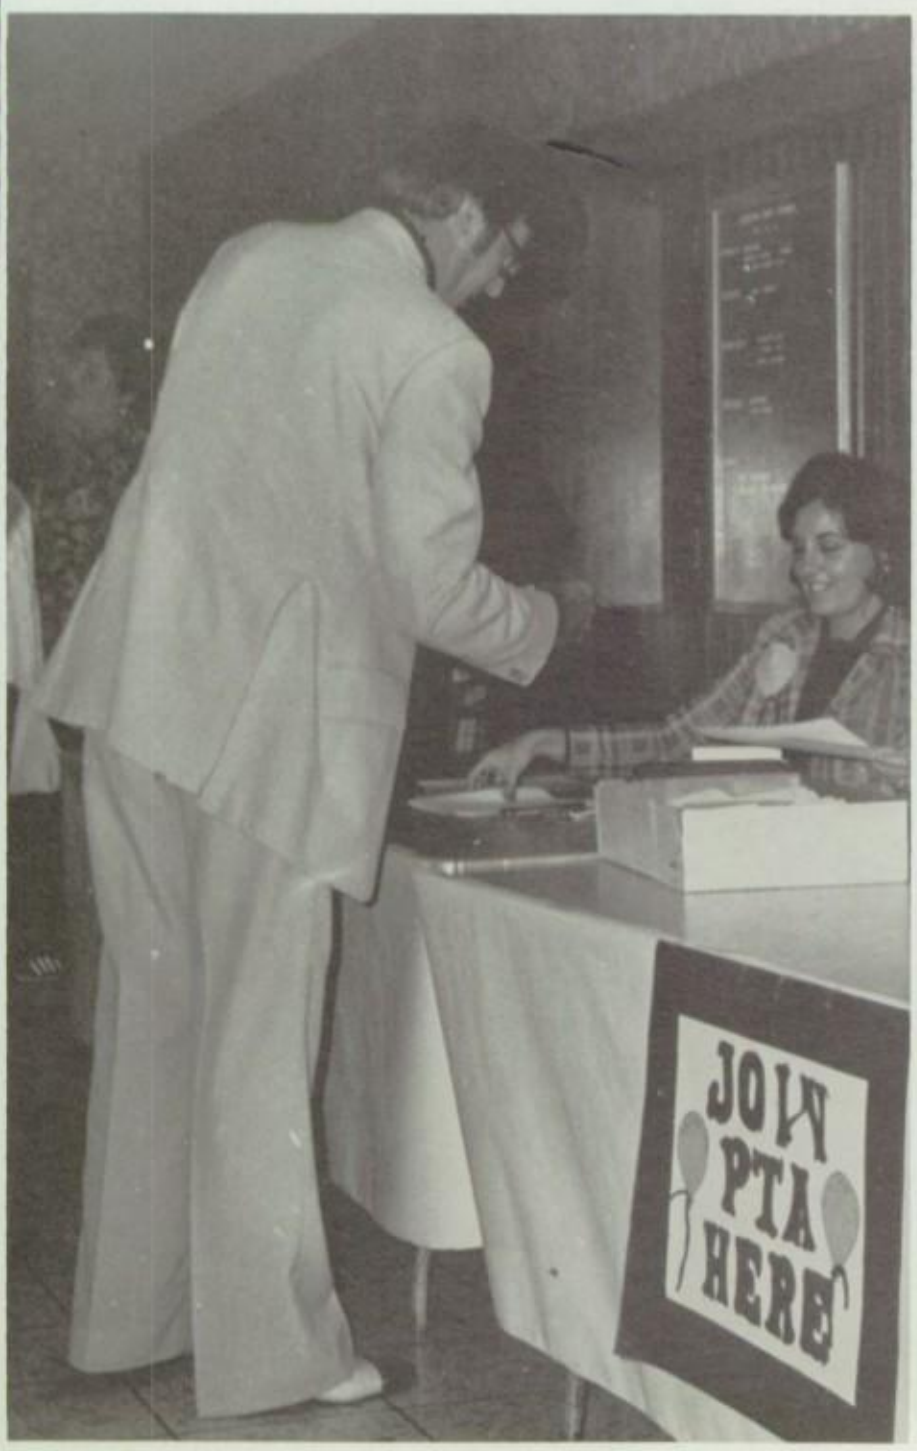


Electra-Car — Lori Bearden and Tanya Crow demonstrate transportation in their Survival City (below).

Off the Wall — Honors lab spills out into the hall as Mr. Terry looks over Randall Campo's work.



Join Up — Coach Rod Carter explains the math program (above) while Mr. Roger Hanson pays his dues to Mrs. Carol Jones.



Captive Audience — Coach Fred Postier and two parents get acquainted. Parents found difficulty meeting classes with only a five-minute passing period.

School Bell Rings for PTA Open House

PTA held open house at the October 17 meeting. Mrs. Barbara Curry was honored with the yearbook dedication. Parents followed students' schedules with five minutes for each class. During the get-acquainted program session teachers describe course activities and parents tour the class facilities.

A Full House — Mr. Mark McPherson discusses plans for the creative writing classes who hope to publish the literary magazine Expressions again this year.

US Raises Aid Money

Members of the United Service Club raised $4,113.98 during the annual hold up for Cystic Fibrosis, held October 8, from 9 a.m. to 3 p.m. Monty Curry, United Service Club President, presented the proceeds of the project to Mr. and Mrs. George Ailey who were conducting the Cystic Fibrosis drive in Denison.

activities

Bikers Dig Deep — U.S. Club members found open hearts and pocketbooks from motorists as they collected donations for the Cystic Fibrosis Foundation. Service projects are a major part of the Club's activities. They assist in the American Cancer Society drive, Heart Month and in the Texoma Regional Blood Bank Drive (top). **Stick 'em up** — U.S. Club members Donna Skaggs, Karen Gatlin, Susan Robinson, and Janice King enjoy the Cystic Fibrosis collections (above).

Clowers, Banfield Eat Most Popcorn

Jimmy Clowers and Gib Banfield ate their way through 15 cups of popcorn to become co-winners of the Popcorn Eating Contest sponsored by the United Service Club October 25. They divided a prize of $10.

The object of the contest was for the participants to consume as many cups of popcorn in a time limit of 15 minutes.

Darol Arthur, Eric Banfield, Pam Baumgardner, Karen Burgett, Mike Castleberry, Randy Hartford, Ronnie McCraw, Greg Neasbiett, Terry Outlaw, Coach Duke Sparks and Mrs. Mary Lou Underwood also competed in the contest.

TAHOSA Members Attended Leadership Meet

TAHOSA members attended a leadership convention in Duncanville October 29. Eleven Denison members attended. They were Susan Hennigh, Karen Arthur, Angela Perkins, Rick Riddick, David Watson, Tina Everett, David Kerly, Joyce Moore, Janet Ives, Barrie Shefield, and Susan McNellis. Mrs. Siv Anderson attended as sponsor.

Health occupation students visited Grayson County College for a Health Occupations program including Sherman and Bonham students October 24. Doctor Mary Moses spoke of the different fields in health and mouth-to-mouth resuscitation was demonstrated by a Student Registered Nurse. Slides on health careers were also shown. Students toured health facilities then split into groups to learn more about the different careers offered in the field of Health and what classes in high school and college that would benefit students with a health career in mind.

Refreshments were served after the tours and study groups had ended.

Denteens, Fathers Picnic

In spite of the drizzle, T.S.D.S. girls turned out in good number with their dads as escorts for the Father-Daughter Picnic, October 4, at West Burns Run.

Each girl furnished a sack lunch for the picnic. After eating, dads pitted their athletic abilities against their daughters' in games of volleyball, frisbee, and general skill on the Burns Run play ground equipment.

T.S.D.S. host the outing where dads and daughters find time to realize the pleasures possible in each others companies.

H-e-e-e-e-y!! — 50's day around school brought out school spirit in the student body.
"The Fonz" Jimmy Clowers and "Laverne and Shirley" Susan Hennigh and JoNell Lang really make the scene. "The Andrews Sisters" Karen Johnson, Roe-Ann West, and Carolyn Morgan got into the act at the 50's dance, while Kirk Kincaid and his date danced to the music.

King Ronny McCraw; Queen, Janet Alberding; Prince, Robert Black; Princess, RoeAnn West; Duke, Steve Beamon; and Duchess, Beverly Hardy were announced at Neewollah. The King runner-up was Bill Nicholson, and Queen Runner-up was Shelle Ray.

The Talent — The Master and Mistress of Ceremonies were Susan Hennigh and Hank Largin.

The Court — Contestants posed for the Annual Staff camera.

Neewollah Talent Stars

Performing acts for the program were Mat Johnson accompanying Dave Deforest, Lori Mitchell, Teddy Beaver and Joe Locke. Jay Schwausch assisted by Mike Miers and Carl Penn. Mike Taylor with his performance. A dance routine was was presented by the Junior Varsity Cheerleaders. Anna Morales accompanied by Tracey Gordon sang. Y-Teens Jr. Officers also performed.

All Broken Up — That was the audience reaction to a skit by Dana Clay, RoeAnn West, Lisa Heronimus, Laura Delaney, and Stephiane Clift (above top). RoeAnn West, and Billy Brussow campaign for Neewollah raising funds from Tim Helm and Bruce Powers. Lorrie Nickerson (above left) won a cash prize from Y-Teens general president Susan Hennigh for designing the program cover.

Janet Alberding, Jared Moore, Cathy Davis, Randy Hartford, Ronny McCraw, Cecil Mayes, Bill Nicholson, Shelle Ray, Cherri Smedley, and Tammy Turner, performed a skit. A dance routine was done by Debra Morrson and Mary Lou Wilson. Renata Scatlin accompanied by Beverly Hardy sang, and a skit was performed by Russell Snider, RoeAnn West and Alan Williams, and a skit was put on by the Varsity Cheerleaders. Jared Moore sang accompanied by Joe Locke, and Denise Hendrix accompanied by Lynette Head ended the show.

Clark Sets Mark Stuns Berkner 26-0

Jacket runningback Gary Clark put on one of the finest rushing performances in history the night of October 7, as he ran around over and through Berkner Ram tacklers for 217 yards. The Jacket defense was no less outstanding as they shut down the Ram offense for a 26-0 Jacket win.

Clark's performance was the second best ever by a Jacket and he set the pace of the night with a seven yard TD romp in the first quarter. Moments later Randy Blankenship hit Clay Burden for two-yard TD pass and the 13-0 lead was more than enough for the Denison defense.

Clark and Louis Polk each added second half touchdowns and the Rams were left to just sit back and watch Clark go. The senior fullback's 217 yards were quite a bit further than the entire Ram offense could muster, as the Jacket defense limited them to 150 yards total offense.

The Runners — Darrell Shaw (22) cuts upfield (above), while Gary Clark (33) (left), plows through the Rams.

The Receiver — Clay Burden (83) handles a Ram punt.

Eagles Slip by Drop Jackets 27-26

The Richardson-Denison game was among the most exciting of the year, but the result was heartbreaking. The Eagles came from behind in the first three minutes for a 27-26 win.

Richardson controlled the first half, leading 10-1. The only Jacket score came on Louis Polk's 91 yard kickoff return. At the second half belonged to Denison as they built up a 26-17 lead, largely upon the legs of Gary Clark.

That's when the roof fell in on the Jackets as the Eagles struck for a touchdown and then recovered their on-side kick one minute later the Eagles kicker drilled a 21 yard field goal for victory. The frustrating loss dropped Denison to 5-2 on the year.

Jackets Snatch Victory 19-15

Denison journeyed to Greenville for their eighth game of the season and they came away with their sixth win. The Lions gave the Jackets all they could handle before bowing 19-14.

Greenville rallied in the game's final quarter to snag a 14-12 lead with only a few minutes left. But unlike the week before, this time the Jackets rallied with Randy Blankenship guiding the Jackets on a last ditch drive. The winning march was climaxed by Clay Burden's sensational diving catch of a Blankenship pass in the back of the end zone for the victory.

Gary Clark moved ever closer to the magic 1000 yard rushing mark with his seventh 100 yard rushing performance in eight games.

JV's Whip Rams

The Junior Jackets avenged four straight losses with a 32-12 win over Berkner. Coming off losses to Trinity, Pearce, Sherman and Paris, the JV's put it all together with quarterback Mike Espinosa and Don McGee teaming up for TD passes and Robert Potts scoring on runs of 45 and 83 yards. Mike Bingham scored on an Espinosa Pass. The Rams' first touchdown was set up by a Jacket penalty following a Reggie Franklin interception, but the defense thwarted a 2-point conversion attempt and denied the Rams any running room. Jacket defenders Berquist, Hintz, Armstrong and Taylor were instrumental in the defeat.

Spikers Head for Winning Season

October 4

Varsity Jackettes defeated Lake Highlands in three games 15-11, 6-15, and 15-9. Top servers for the Jackettes were Kelly Coder with 12 points and Natalie Polk with ten points.

October 6

Natalie Polk was the Jackettes top server in their 9-15, 7-15 loss to J. J. Pearce in Richardson. J. J. Pearce won the district title.

October 11

Jackettes put Sherman's hex to rest here October 11. Kelly Coder put together 11 serves for the Jackettes as they beat Sherman two out of three games 15-3, 8-15 and 14-11. This was the first time in the three years of girls volleyball that Denison has ever beat Sherman.

October 13

Jackettes defeated the Paris Wildcats there on October 13, 15-9, 15-13. Top server for the Jackettes was Pokey Braxton with nine points. She was helped by Natalie Polk with seven points.

October 18

Jackettes lost to Berkner in three games 15-8, 7-15, and 16-14. Top servers for the Jackettes were Kristi Thomas with ten points and Pokey Braxton with nine points.

October 20

Jackettes fell short to Richardson there October 20; 4-15 and 12-15. Top server for the Jackettes was Kelly Coder, assisting was Kristi Thomas.

October 25

Yellow Jacket volleyballers continued on their path to the first winning season last week when they downed the Greenville Lions in successive games 15-5 and 15-9. The victories in the DHS gym upped the girls mark to an even 3-3 record in the second round of district 13-4A play, and put the spikers record above the 500 mark for the season at 8-7.

The Jacket spikers got off to a quick start and Greenville was never able to get ahead of the Jackettes, dropping the game to Denison. Barbara Braxton, the Jackets' most successful spiker, played a good game to help lead the Jackettes on to victory.

Junior Spikers Find Fall Success

September 1

Volleyball action began September 1 as the Jackettes traveled to Trinity.

In Junior Varsity action the Jackettes defeated Trinity in three games 15-10, 4-15, and 15-12. Top servers for the Jackettes was Sonda Coney with 14.

September 6

Jackettes opened district play September 6 with J. J. Pearce. JV game proved to have just as much excitement as the varsity contest. Denison trailed as much as 8-1 in the first game but made a great effort which fell just short as they dropped the first contest 16-14. Top server was Karen McDaniel with 6 points.

Junior Varsity Jackettes defeated Sherman 15-8, 15-9 there on September 8. Top servers for the Jackettes were Tammie Zamora, Laurie Morris and Babbie Patterson, all with 6 points each.

Junior Varsity Jackettes won their game defeating the Wildcats 15-5, 15-2.

Tammie Zamora was top server in the first game. The second game went by as fast as the first, with top server in the game being Sonda Coney.

Junior Varsity Jackettes fell short to Berkner in a three game contest 15-7, 8-15, and 13-15. Top server for the Jackettes was Sonda Coney with 12 points.

Junior Varsity Jackettes had their share of the problems in the Jackettes 6-15, 6-15 loss to Richardson Eagles. Top server for the Jackettes was Tammie Zamora with 4 points.

Junior Varsity downed Greenville 15-11, 15-10 at Greenville. Top servers for the Jackettes were Tracy Price with 7, Vivian Fairchild and Karen McDaniel with 6 each.

Jackette Junior Varsity Volleyball team won the consolation division of the tournament they hosted in the gym September 23 and 24.

The tournament was double elimination. Our JV team lost its first round to South Grand Prairie and won the second over Paris. In the finals, the JV's defeated Greenville. L. D. Bell took first place and South Grand Prairie second place.

In the JV game the Denison JV's won both games with great serving coming from Sonda Coney and Babbie Patterson.

Junior Varsity dropped to Plano at home 13-9, 15-9. Top server for the girls was Babbie Patterson with 8.

Long Reach — Babbie Patterson reaches high to slam the serve.

Count, Cook

With 1235 students, 82 teachers, counselors, office workers, plus cafeteria and maintenance personnel, the potential is there for a good number of cars on campus.

October 25, the first period math of Consumer Ed. Class tried to find how many cars there actually are at DHS. Chevrolets led the transportation count with 117 cars and pickups, 81 Fords, and 31 Oldsmobiles. All vehicles totaled are 398. This means about 30% of all persons drive a car to school. With this total, 29% are Chevrolets and 20% are Fords.

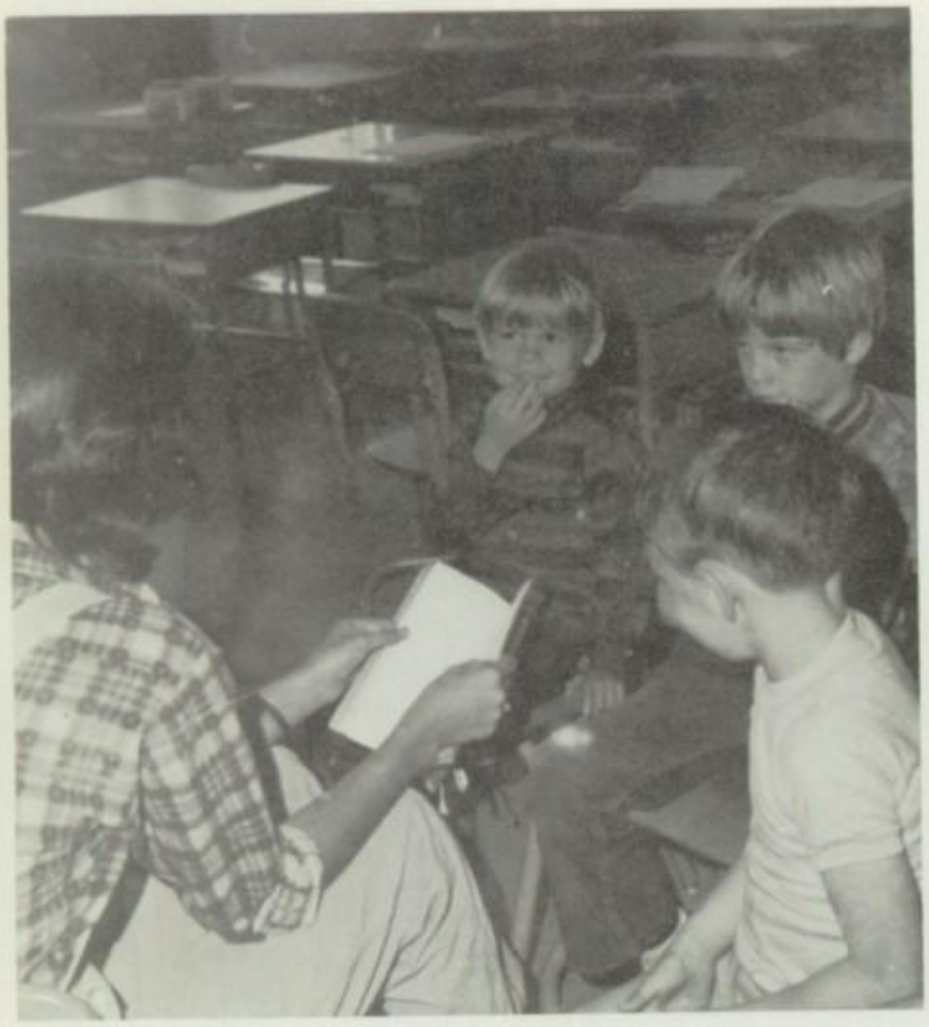
They found 121 or 38% to be of the compact car variety. There were 60 pickups or 15%, while there are 36 foreign cars. Class members include Truck Hightower, Jennifer Jones, Steve Jones, Mark Lovelace, Danny Peterson, Greg Sager, Lance Sikes, Jay Truley, and Valory Walker. A variety of methods is used in the learning processes. Learning a concept and then putting it into action or watching it being used is one of the surest ways students learn. Community resources are used for field trips and guest speakers.

Party Time — Sheirley DeHorney and Laura Lyons learn cake decorating skills in homemaking (above). Claudia Wimbish waits for Ann Derichsweiler to finish showing off her masterpiece and get on with the cake cutting (below).

The Real World — Drafting students made field trips to local industries, Reed Tool Co., Hitchcock Industries and others to learn how drafting fits into their businesses. Mr. Phil Haddock is instructor for the two sections of Vocational Drafting. Steve Ramsey and Elton Stewart qualified for state in VICA drafting competition this year.

Cosmetology Works Toward Contest, Exam

Cosmetology students spent three hours a day fixing hair and learning new techniques in hair care. The class is under the supervision of Mrs. Elaine Preston. Thursdays and Fridays are customer days. Customer day anyone who wants a hair cut or anything in the line of the beauty shop field can come and the students do the work. The students get graded on their customers.



Second Trimester Madness

Preparations for Christmas found its way into DHS classrooms in various ways. Mrs. Nancy Terry's creative writing I class wrote short stories for little kids. The short stories were illustrated by the students. After the students finished they took the stories to various elementary schools and read them to the students.

Rapt Attention — Julie White and Leslie Hunt have no trouble keeping their students' attention (above).

A Way With Figures — Mrs. Joyce Edelen's Algebra II classes enjoyed Christmas entertainment by talented class members. Karen Johnson (right) sings.

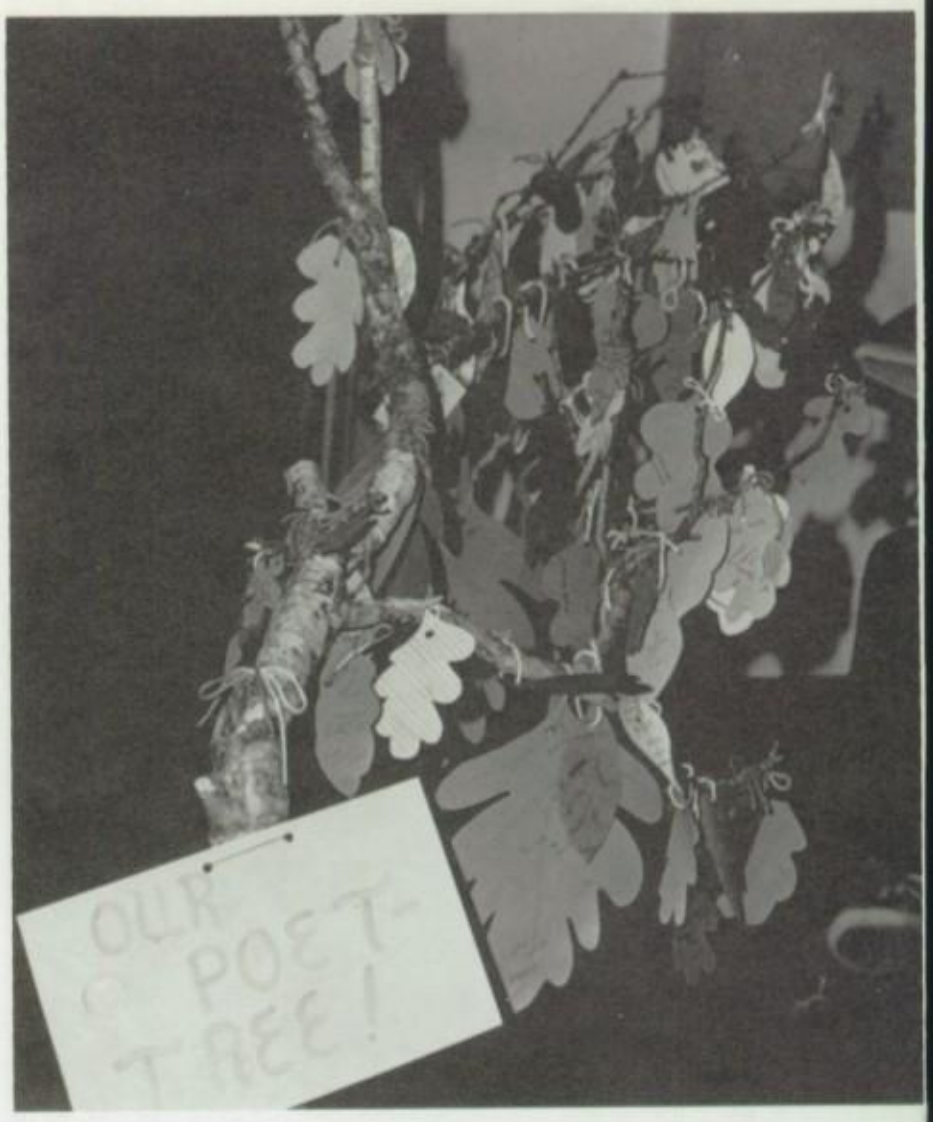
Mr. John Terry's Honors Biology Class dissected pigs as one of their major projects in Biology II. Every student in the class was given a pig. Everyone was responsible for their pig.

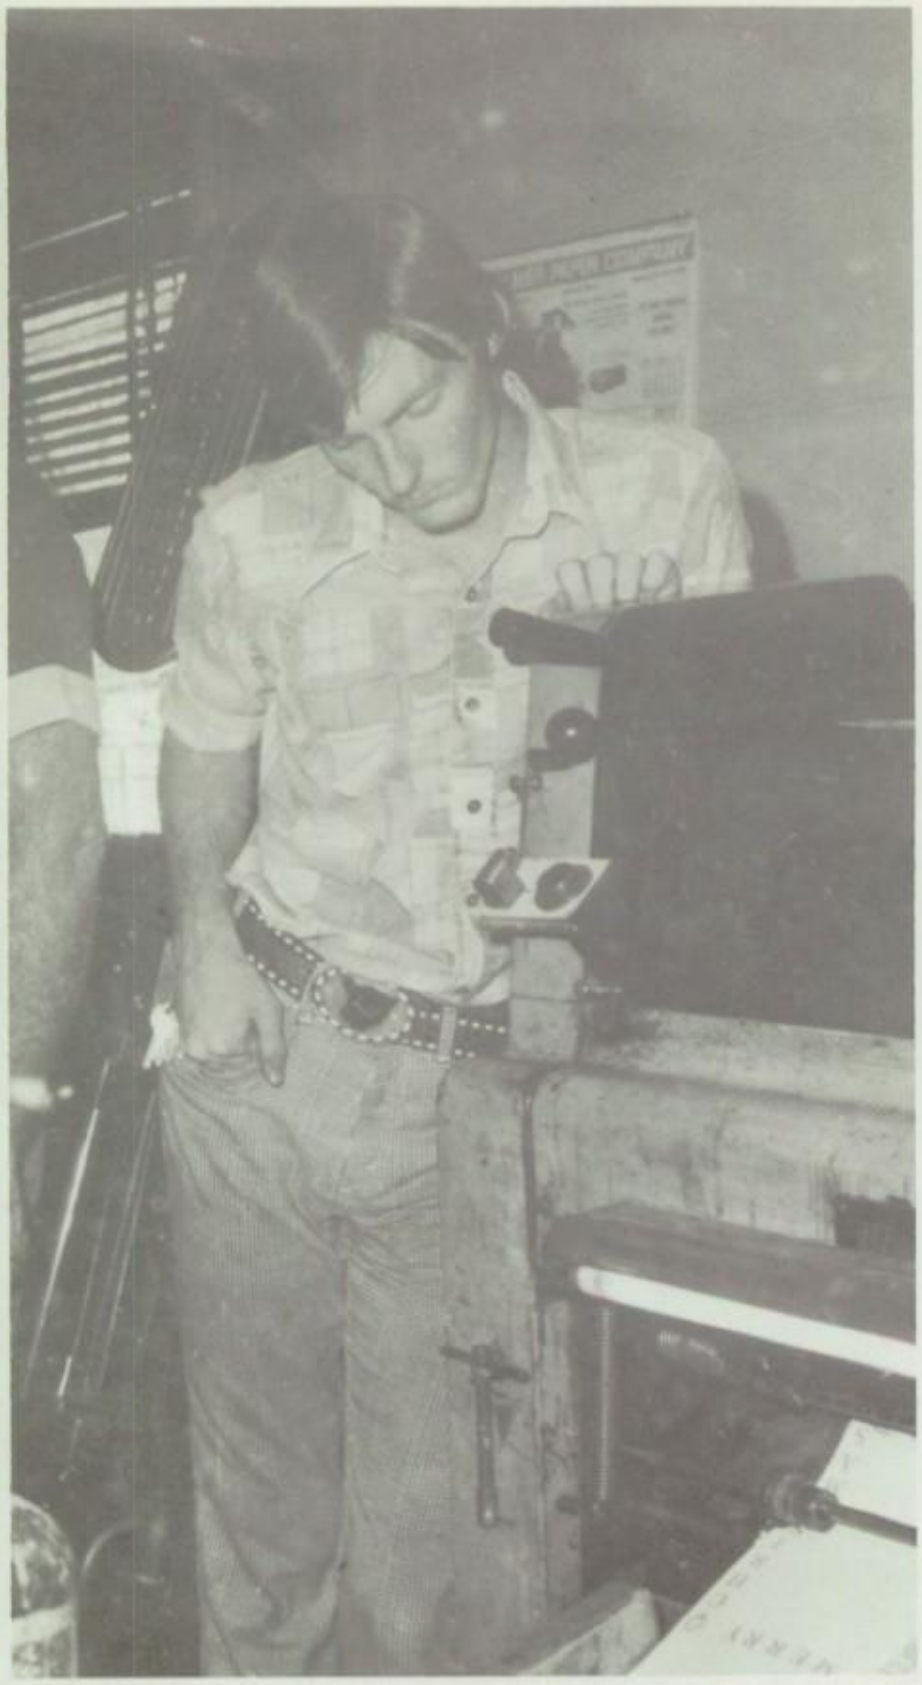
Students Display Work, Affection

Mrs. Nancy Terry's creative writing I class composed a poet tree (poetry). The tree contained construction paper leaves with poems written by her juniors.

Mrs. Terry's Senior British literature class prepared British plum pudding.

Mrs. Kathy Dophied's first trimester second period class gave her a shock. The class planned a surprise end of the trimester party for her. They ordered six red roses which were delivered at the beginning of the period. She also received a cake with the words "We Love You Mrs. Dophied." iced on it.





Mr. Franklin Turner's printing classes toured Langford Printing Company. They observed the working of an active printing process of a printing shop. Mr. Bill Ashley demonstrated his equipment for the students.

Mr. Turner's CVAE printing class learned the processes of printing used for offices.

Stingerettes Entertain

Stingerettes drill team performed at every game during the football season and during basketball home games. They spent many hours practicing routines used during the year. At the end of football season they gave a banquet for the football boys and coaches. They performed for the Business and Professional Women at one of their regular meetings.

All Aboard — Mary Lou Flood, Vicki Orrick, Pam Gampper, and Vicki Brotherton perform for local civic groups (below left).

Best Dressed — Joanna Clapp, Tammy Turner, and Cathy Davis take a bow (below right).

"Oliver," a musical production, will be presented at DHS by the drama and music department December 2 and 3 after 112 hours of rehearsals. Sneak previews were given at every school and civic club to promote the musical.

Cast members included Tammie Brooks, Oliver; Tim Helm, Fagan; Susan Thorton, Nance; Karen Johnson, Bet; Joan Stinson, Artful Dodger; Johnny Flowers, Mr. Bumble; and Elizabeth Johnson, Widow Coreny.

Fast Break — Kristi Thomas puts a move on Robbie Hunt in the US Club's Boxing Glove Basketball Game. Girls challenged the guys who were required to wear socks over their hands — a sort of handicap.

Keeping Up With The Action — Stephanie Clift and Mr. John Terry, US Club Sponsor, follow the game which is a fund raiser for the U.S. Club scholarship. (above) The club also sponsored TWIRP week which included an activity each night. Roles were reversed, and girls asked guys for dates, paid the food checks and bought movie tickets.

Sock it To 'Em — Stephanie Clift and other cheerleaders helped tape the US club players for the game. Held during homeroom, students paid a 25¢ admission fee to the game. (below)

Choosing Sides — Terry Outlaw had some trouble deciding whose side he was on while Rhonda Pedigo heads for the girls' side. (below)

Helping Hand — Cheerleaders get help making signs for the gym (above). Most of the materials for signs is paid for by ribbon sales and other fund-raising activities including window washes. All cheerleaders and many friends pitch in to help hang the gigantic signs which decorate the gym for football pep rallies and are spirit boosters for basketball games. They also made signs for Munson Stadium.

Cheerleaders Work Before the Crowd, Behind the Scenes

Denison High School Cheerleaders spent many hours to help promote school spirit. Besides leading cheers at the football games they did many other things. If you ever noticed the gym on Friday morning, the cheerleaders spent many hours decorating the gym for assemblies painting signs, getting together favors for the football boys and then hanging the signs.

A lot of time goes into learning the cheers used during the assemblies and at the games.

A Little Help from Above — Cheerleaders begin every game with a prayer and meditation (below right) just before they erupt in spirited yell-leading. Cheerleaders must be good athletes to do the gymnastics that accompany the cheers and they must have stamina to cheer for an entire game.

Spirits Boosted Here

Cheerleaders resorted to all manner of spirit boosting activities to urge the Jackets on to victory. In addition to the usual signs in the gym and the halls, the girls presented individual athletes with candy, decorated lockers, planned skits for the pep assemblies and decorated "Spirit Food" cakes to put the players in a winning frame of mind.

DY-NO-MITE — That's what the basketball Jackets were. A cake boasting that fact and a "stick" for each player was one game sendoff. The "dynamite sticks" were filled with candies.

Crowd Pleaser — The pillowcase skit at the 50's Day pep rally added to the spirit.

Sunday Afternoon Amusement — Stinger and Yellow Jacket Annual staff male members joined hosts of other young men in friendly games of "flag" football. Cold weather beckons the guys to practice fields and public parks. Taking up the challenge for the Stinger, Zach Cassita and Hank Largin prepare for the kickoff while annual staffers Randy Hacksorth and Bruce Powers enlist some help (above). Greg Watson (below) checks the audible and Cassita gives instructions for his down and out pattern.

Eat Your Heart Out Tom Landry

Mr., Miss Spirit Recognized by Assembly

Bill Nicholson and Cherri (pronounce that cherry) Smedley were announced as Mr. and Miss School Spirit at the Lake Highlands pep rally held November 10. These two people were chosen by the Varsity Cheerleaders because of their unselfish help and devoted time. They helped paint, decorate, and hang signs in the gym before every pep rally.

Carry a Big Stick — Bill and Cherrie treasure the spirit stick, a token of appreciation from the cheerleaders and fans for their involvement. Noting the sign behind them, it was a day for appreciation.

Besides the things people can see such as signs and help in carrying pom poms and goodies for spirit boosting projects, there are unseen supports that Mr. and Miss School Spirit participated in which were important to the overall spirit drive. A good positive attitude, willingness to pitch in even when it "isn't my job, man" and a cheerful personality go a long way to improve the school community.

Gong Show Attracts Rowdy Crowd

Jackets Stung by Pair of Cats

Plano marched into Denison's Munson Stadium for the Jackets final home game of the season and even a fired up Jacket squad could not stop the Wildcats drive to the state championship. Though the Jackets struck first, Plano dominated from then on for a 28-6 win.

Denison struck for an early score as Gary Clark led the way carrying the ball tirelessly. On the game's fifth play Clark surpassed the 1000 yard mark, only the second Jacket in history to do so.

However, this was a game that would belong to Plano, thanks to Jacket turnovers. The Wildcats first score followed a muff of a punt by Denison, and quickly Plano led 7-6. Early in the second stanz the Cats upped that lead to 14-6, and fo lowing the fumble of the second half kic off the state champs made it 21-6.

Another late score by Plano secured th Jackets fate as the Wildcats wrapped u the district title. The loss dropped Denisor to 6-3.

Gary Clark became Denison's second 1,000 yard rusher in history. The Jacke back passed the magic number with hi fourth carry against Plano and wound up with 104 yards total. In addition, Clark ha become the first back ever to pass 10 yards in eight games in a single season while wearing a Jacket uniform.

Spikers Close Best Season

November 1

Yellow Jacket Volleyballers traveled to Plano November 1 to meet the Wildcats for the last time this year, only to fall to Plano 10-12, 9-15.

Starting out in the first game both teams were evenly matched with good serves and spikes coming from both ends of the court. The clock ticked down to final seconds before the Jackets had a chance to catch up dropping that game to Plano by two.

In game two the Jackets were hoping to win in order to have a chance of keeping the Wildcats away from a possible district 13-4A playoff position.

Cari Hunt and Karen Luper shared this week's top honors as outstanding servers.

With the close of district 13-4A the Yellow Jacket volleyballers played their last game of the season against Lake Highlands. The girls have the best winning season that has been posted by the high school team defeating the Wildcats 15-11, 6-15, 15-9, in split sets.

The girls posted an 8-8 district record and 12-10 for the season. Much of the Jackets success is due to good spikes and sets from Barbara Braxton and Natalie Polk.

In the beginning of game one the Jackets put out their best efforts to beat the Wildcats because of the many players who will not be with the Jackets next year. Much to their hopes the girls pulled through with the victory.

In the second game Lake Highlands was determined to win that game taking an early lead to stay on top and win that game.

The third and deciding game was played the way Denison wanted it to go winning that match to take the last victory of the season over the Wildcats.

Top honors in serving were shared by Karen Luper and Kelly Coder.

Varsity Volleyball Team

Denison varsity returnees include: Natalie Polk, Cari Hunt, Karen Luper, Kristi Thomas, and Barbara Braxton. Other members of the team are: Zoe Ellen Rhymes, Tangela Shaw, Vicki Bixxle, Monica Potts, and Kelly Coder.

JV Spikers Show Improvement

November 1

In Jayvee action this week the girls were trying to come off of five consecutive losses with hopes of beating the Plano Wildcats. Luck failed the J.V. and they dropped both games 10-13, 9-15.

With lack of time in the first game things seemed to go a little fast for the Jayvee not giving them enough time to beat the Wildcats.

The second game was played much like the J.V. except they just weren't able to get into the game dropping that game also.

Babbie Patterson was the Jayvee outstanding server with Sonda Coney offensive player.

The girls last game will be played against Lake Highlands November 3.

Holding a 1-6 record the Jayvee team had hoped going into the game to win their last game, but fell to the Wildcats 15-11, 15-6 vanishing all hopes of winning that game. Behind the serving of Karen McDaniel the JV's almost pulled through with the win but dropped both games.

The closing to volleyball usually signals the beginning of basketball but, for some of the Jacket Volleyballers it also means playing their last game in a Jacket uniform.

Senior Matalie Polk had her hands full this year setting for the Jackets and played a very important part in the Jackets 12-10 season record.

Junior Barbara Braxton who has led the Jackets in spikes will be returning to the team next year.

Although it may look easy volleyball is not all fun and games, it also means getting up sometimes at 6:00 a.m. to make tournament starts at 9:00 or for many of the Varsity and Jayvee players it meant 7:30 every morning on the gym floor. But to make a volleyball team complete there must be dedication. There must be a will to want to do things to better the team which has made the Jacket Volleyballers what they are today.

Overall Coach MacFarland has proved that hard work, a little understanding of the team, and dedication has made the Jackets a better team this year.

Jackets Start Strong

The Jackets opened the season with a win over Sunset, 61-58.

Free throws proved to be a thorn in the side of the Denison Yellow Jackets as they lost to Durant. Durant handily defeated the Jackets building up an insurmountable first half lead.

It has been said that "everything that can go wrong probably will." For the Denison Yellow Jackets this statement fit November 29 as the Durant Lions blasted the Jackets 72-49, handing the Jackets their first loss of the young season.

Durant wasted little time in putting away the victory, charging to a 22-10 first quarter lead and the Lions never looked back. One of the Jackets' big problems was controlling the Lions big man, Donnie Husband. Husband hit for 18 points, most of them in the early going. By halftime Husband and the Lions had a secure 42-18 lead.

After intermission things failed to get any better for Denison as the Lion onslaught continued. The Lions opened up a 27 point lead after three quarters, and emptied their bench in the fourth.

Husband wound up outscoring the four Denison centers used in the ball game, 18-14. The Jackets hit almost 50% from the floor in the first half, but Durant's control of the boards enabled the Lions to take 13 more first half shots than the Jackets. The charity stripe was another disappointment to Coach Tim Williams; the Jackets converted only five of 15 free throws while Durant netted 16 of 23.

Junior forward Russell McDade paced Denison's scorers with 11 points. Jeff Walton and Keith Jones hit for eight points apiece. Jones, starting senior, went down with a knee injury midway in the third quarter that required corrective surgery. He was lost for the season.

The Leaper — Returning letterman Dwight Parker lost no time gettin into the air in the Jackets' first game — a win over Sunset's Bisons Parker takes his favorite shot where he has a high percent accurac (above).

How IT'S Done — James Hussey, opposite, lifts the ball into the baske in the Jackets' futile effort against Durant. Hussey, a junior, is anothe bright spot for Coach Tim Williams young team.

JV's Have Wins, Losses in Openers

Plano didn't show up at the scheduled playing time but it did not matter, as the Wildcats roared to beat the J.V. Jackets 38-53.

It's not as bad as it seems for the J.V. pulled in as close as 2 points (10-12) but slipped back as much as 14 points.

Unofficially Jeff Garling, a junior and former all district when he lived in Pennsylvania was lead scorer with 14 points, missing only 5 field goals. Jay Sikes was second with 5 missing 7 and Wayne Grimes and David Means was tied for third with 4 apiece.

Other scores Steve Carter, Delton Mundine, Brian Lorens, Harold Dehorney, and Steven Beamon with 2 each.

Jeff Garling, junior post for Coach Rod Carter, was the weeks' JV man of the hour (lower left).

Garling scored 14 points against Plano Williams and 26 against Dallas Sunset for a total of 40 points. Garling is a former all district player from Pennsylvania.

After 2 games the JV Jackets have a total score of 98 points and yielded 112 to opposition.

Glancing through the stands at the games I noticed there were just a cupful of Denison fans there. At the Plano game there were 4 people there from the varsity squad of about 12. I know you say its just a JayVee game but some night when you're sitting around the house watching reruns on the tube why not come on out to the gym and support the JV Jackets?

Rebounding from a 38-53 loss to the Plano Wildcats, the JV Jackets upset the once unbeaten Sunset Bisons 60-59.

With 1 tick left on the clock and the Sunset coaches complaining to the referees about 2 seconds being run down off the clock, JV Jackets leading by one, and Wayne Grimes up to jump against a defender about a foot taller than he was, the JayVee sports writer ate the eraser off his pencil. All seemed grim for Coach Rod Carter and his troops, but the time stood, the ball was tipped, the clock ran out.

It was the first win for Coach Carter and his team. Unofficially Jeff Garling was lead scorer with 26 points, followed by Delton Mundine with 9 and Jay Sikes contributed 8.

The opening of this year's basketball season brings about a few changes. For one, the girls will be referred to as Jackettes to simplify things. The second is that the JayVee girls have switched from half court to whole. The girls have gone from a six-man to a five-man team.

JV's opened their 1977-78 season in Trinity only to come back with a 51-16 loss on their hands. The JV being led by Tracey Price who in her first basketball game scored 10 points. Tracey, like many of the others who played volleyball, is a very big help to Coach Ann McFarland.

JV Jackettes' basketball, who the first week were beaten by Trinity by a score of 30 points, bounced back to within two points yielding to Lake Dallas 21-23.

Netters Take Trophies at Tourneys

The tennis team came back from the Grand Prairie Double Classic with four medals, two individual trophies and the third place team trophy.

There were four divisions with 16-20 teams entered in each. Monty Curry and Johnny Allen were in Boys' A: Donna Skaggs and Tina Hamers entered in Girls' A; Karen Gatlin and Michele Hibbitt were in Girls' A also: another team entered in Boys' B was Morrey Beatty and Morgan Malone; Girls' B had Tina Boss and Jana Hibbitt as one entry and Laura Delany and Pam Gamper as another.

Curry and Allen lost their first round match to a Lewisville team. Curry and Allen won 2-6, 6-4, 6-4 over Nimitz in the finals of consolation which earned them medals for third place.

Donna and Tina were seeded to win the Girls' A division and were undefeated till the semi-finals. They then gave a tough match to North Garland with a score of 3-6, 6-4, 7-5. North Garland went on to win the finals.

Daren and Michele lost to another North Garland team. Karen and Michele were placed in Girls' A consolation and went on to win 6-2, 6-1 over South Grand Prairie. Karen and Michele received a medal for third place.

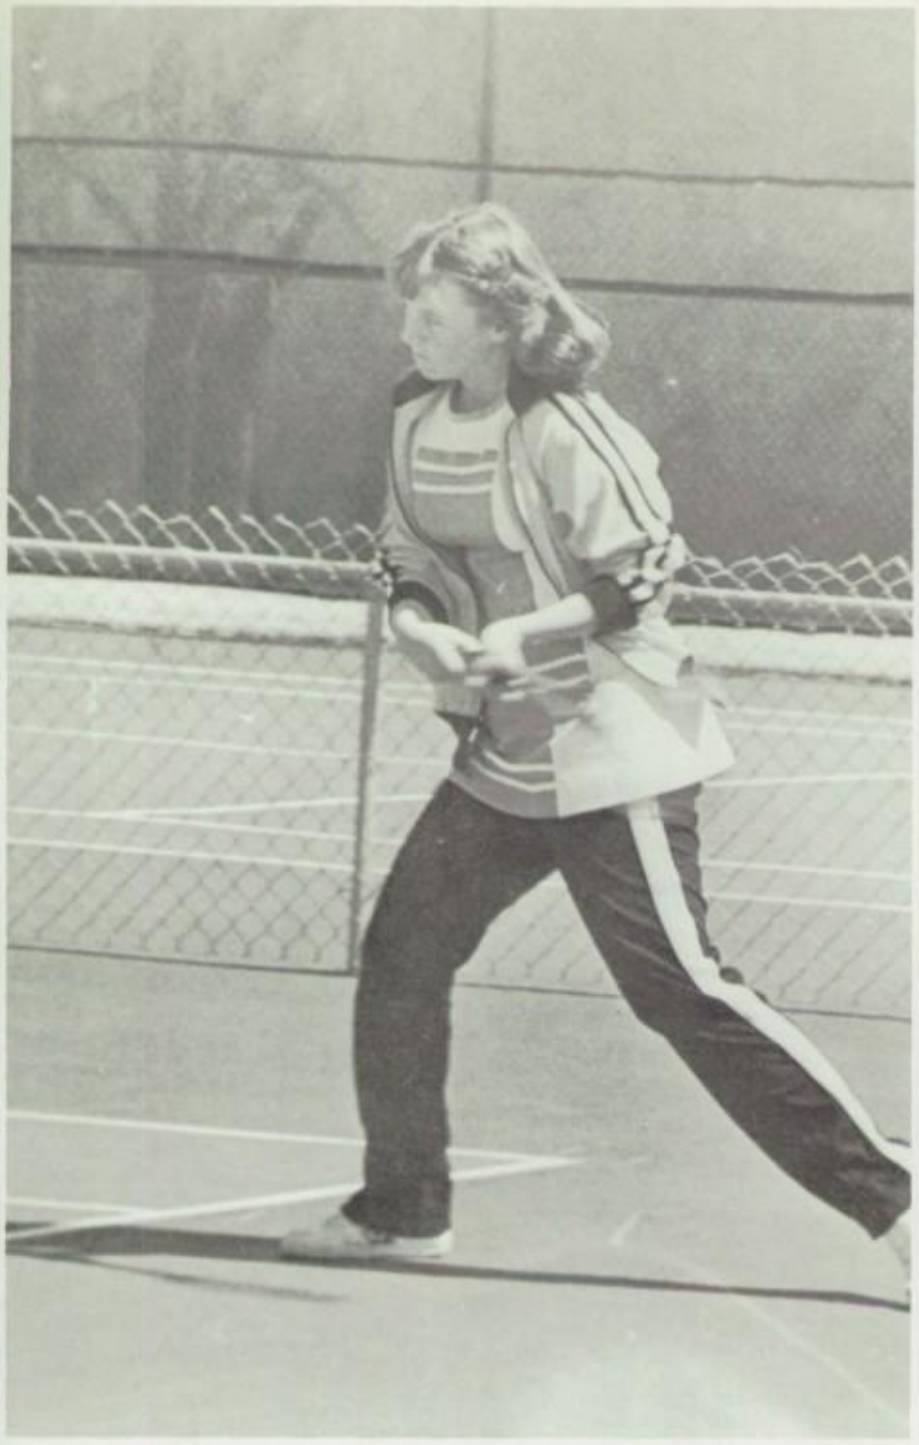
Wright and Gary won the Boys' B division. They defeated Nimitz 1-6, 6-4, 6-0 in the final round. They each received first place trophies.

Beatty and Malone lost first round to Bowie and were placed in Boys' B consolation. In consolation they won their first round over South Grand Prairie before losing second round to first seeded Nimitz.

Tina and Jana won their first round match over Grand Prairie High before giving a rough fight and losing to Girls' B first seeded team. Nimitz as predicted went on to win the B division.

Laura and Pam were undefeated until semi-finals when they fell to Lewisville 7-6, 7-5. It was a close match.

This was the fifth year to enter and also the fifth year for the DHS tennis team to bring home trophies from Grand Prairie. First place team trophy was awarded to Irving Nimitz, second place to Lewisville and DHS third place.



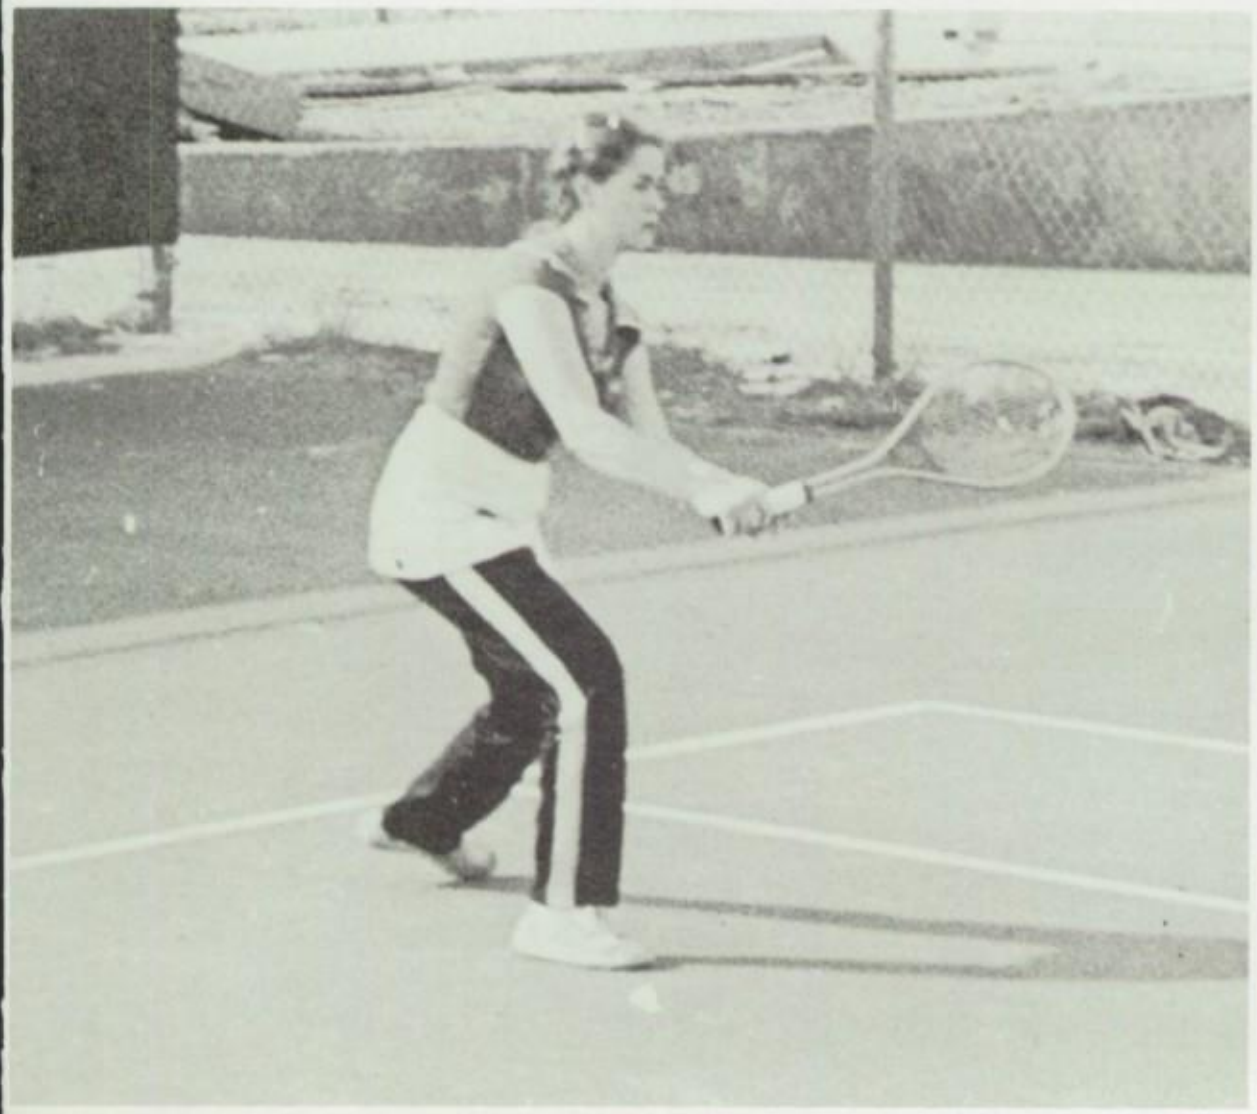
Team Downs Durant 11-9

The tennis team won the dual match over Durant 11-9 matches October 12 at the Racquet Club. Majority of the wins were pulled in by the girls.

Doubles matches were won by the teams of Donna Skaggs and Karen Gatlin; Tina Hamers and Michele Hibbitt; Cris Wright and Ray Gary; Pam Gampper and Jana Hibbitt; Morrey Beatty and Linda Bumpass.

Singles matches winners were Tina Boss; Pam Gampper, Karen Gatlin, Jana Hibbitt, and Mike Lett.

The matches were played by no-add scoring and two out of three sets. In no-add, the first one to earn four points wins the game. If the score is tied at three-all, the receivers may choose the side of the court in which to receive.



Practice Makes Perfect — Daily workouts at the Racquet Club stands varsity tennis players in good when match-time comes. Opposite, Johnny Allen serves. In cold weather warm-ups, Jana Hibbitt (top) and Tina Hammers (left) play a practice game.

Jackettes Open Season

"Dee-fense! Dee-fense!" That's the cry from the DHS gym this year because the Jacket girls basketball team is preparing to embark upon their second season.

Coach Jane Overstreet is putting much of the Denison hopes of improving on last year's 1-21 record on the improvement of a shaky defense. Trena Christian, a 5'11" sophomore, is being counted upon by Overstreet to hold down the defense. Height, or rather the lack of it, was a constant problem for the Jackette guards last year, but with the addition of Christian, Overstreet thinks that improvement is on the way. Bridgit Jenkins, one of seven returning lettermen, has also looked strong at guard Overstreet points out.

Offense should be the least of the Jackettes worries since three starters return. Those are Angie Braxton, Jackie Jenkins, and Matalie Polk. Braxton and Jenkins both averaged in double figures last year while Polk answered free throw shooting problems which plagued the girls until mid-season.

Overstreet has had her troops working on fundamentals and conditioning. Those drills include weight lifting sessions. The Jackette mentor feels her team was improving as the season ended a year ago and that this rise should continue in 1977. There are definite weak points on the club, feels Overstreet, most notably in depth at the guard spot. However, district doesn't open until December 12 against Pearce, a team the Jackettes came within a hair of beating last year, and Overstreet promises the girls will be ready.

Junior spiker Barbara Braxton made the honorable mention spot on the 1977-78 volleyball all-district selection.

Up and Over — Babbi Patterson puts up a basket for the JV Jackettes.

"I was really glad and surprised that I had made it. I had not given it much thought before," were the reactions of the young spiker when she learned of her achievements. "I cannot take all the credit though because without the other girls and Miss McFarland I would have been just another player."

Taylor Leads Jackets in Cross Country

All year round track is going on now with the cindermen running distances and sprints during the regular 6th period athletics.

Don Taylor is one of the young men involved in the activities now. Don runs the mile for track Coach Fred Postier and his assistant coach Lester Flemming.

Don has competed in 2 meets already placing 2nd in one and 3rd in another.

Coach Postier expects great things from his troops this year especially from Junior quarter miler Greg Watson and the Jacket mile relay team of Chris Luper and Walter Gentry, Louis Polk, or Gregg Crawford, whichever proves the most ability, and Watson as the last member of the awesome foursome.

Also the Jackets sport the district winner in the 330 hurdles, senior Gregg Crawford, who represented our district in the regionals held in Denton last year.

Sports staff suggests that you pay close attention to these young men in the future and their accomplishments.

'Oliver' Is Musical First, a Hit Show

Scenes of Success — From make-up (above) to make-out "Oliver" was a joy to all involved including cast, crew and audience. Tammy Brooks, Tim Helm, Susan Thornton, Joan Stinson and the rest of the cast spun a magical evening in the make-believ world with the adaptation of Charles Dickens' **Olive Twist.** The first musical should encourage more.

The Broadway musical hit "Oliver" was presented by the fine arts department December 2-3. Mr. Rodger Hanson was the music production director, Mrs. Sylvia McBrayer was stage production director and a host of helpers provided talent and perspiration forthe sets, costumes and other aids to the production. "Oliver" was the first musical ever attempted by DHS students.

The story follows Oliver Twist, a young boy, found as an orphan in a workhouse, sold to an undertaker to be a coffin follower, and then a scared runaway taken in by street gangs and thieves. He is captured but is given to a wealthy man to be "brought up right."

Later it is discovered that "Oliver" is really legal heir to a wealthy man and one of the thieves' girlfriend regrets her actions and returns Oliver to his rightful family.

Music was provided by Matt Johnson, pianist; Ronnie Koiner, bass; and Leonard Vick, drummer.

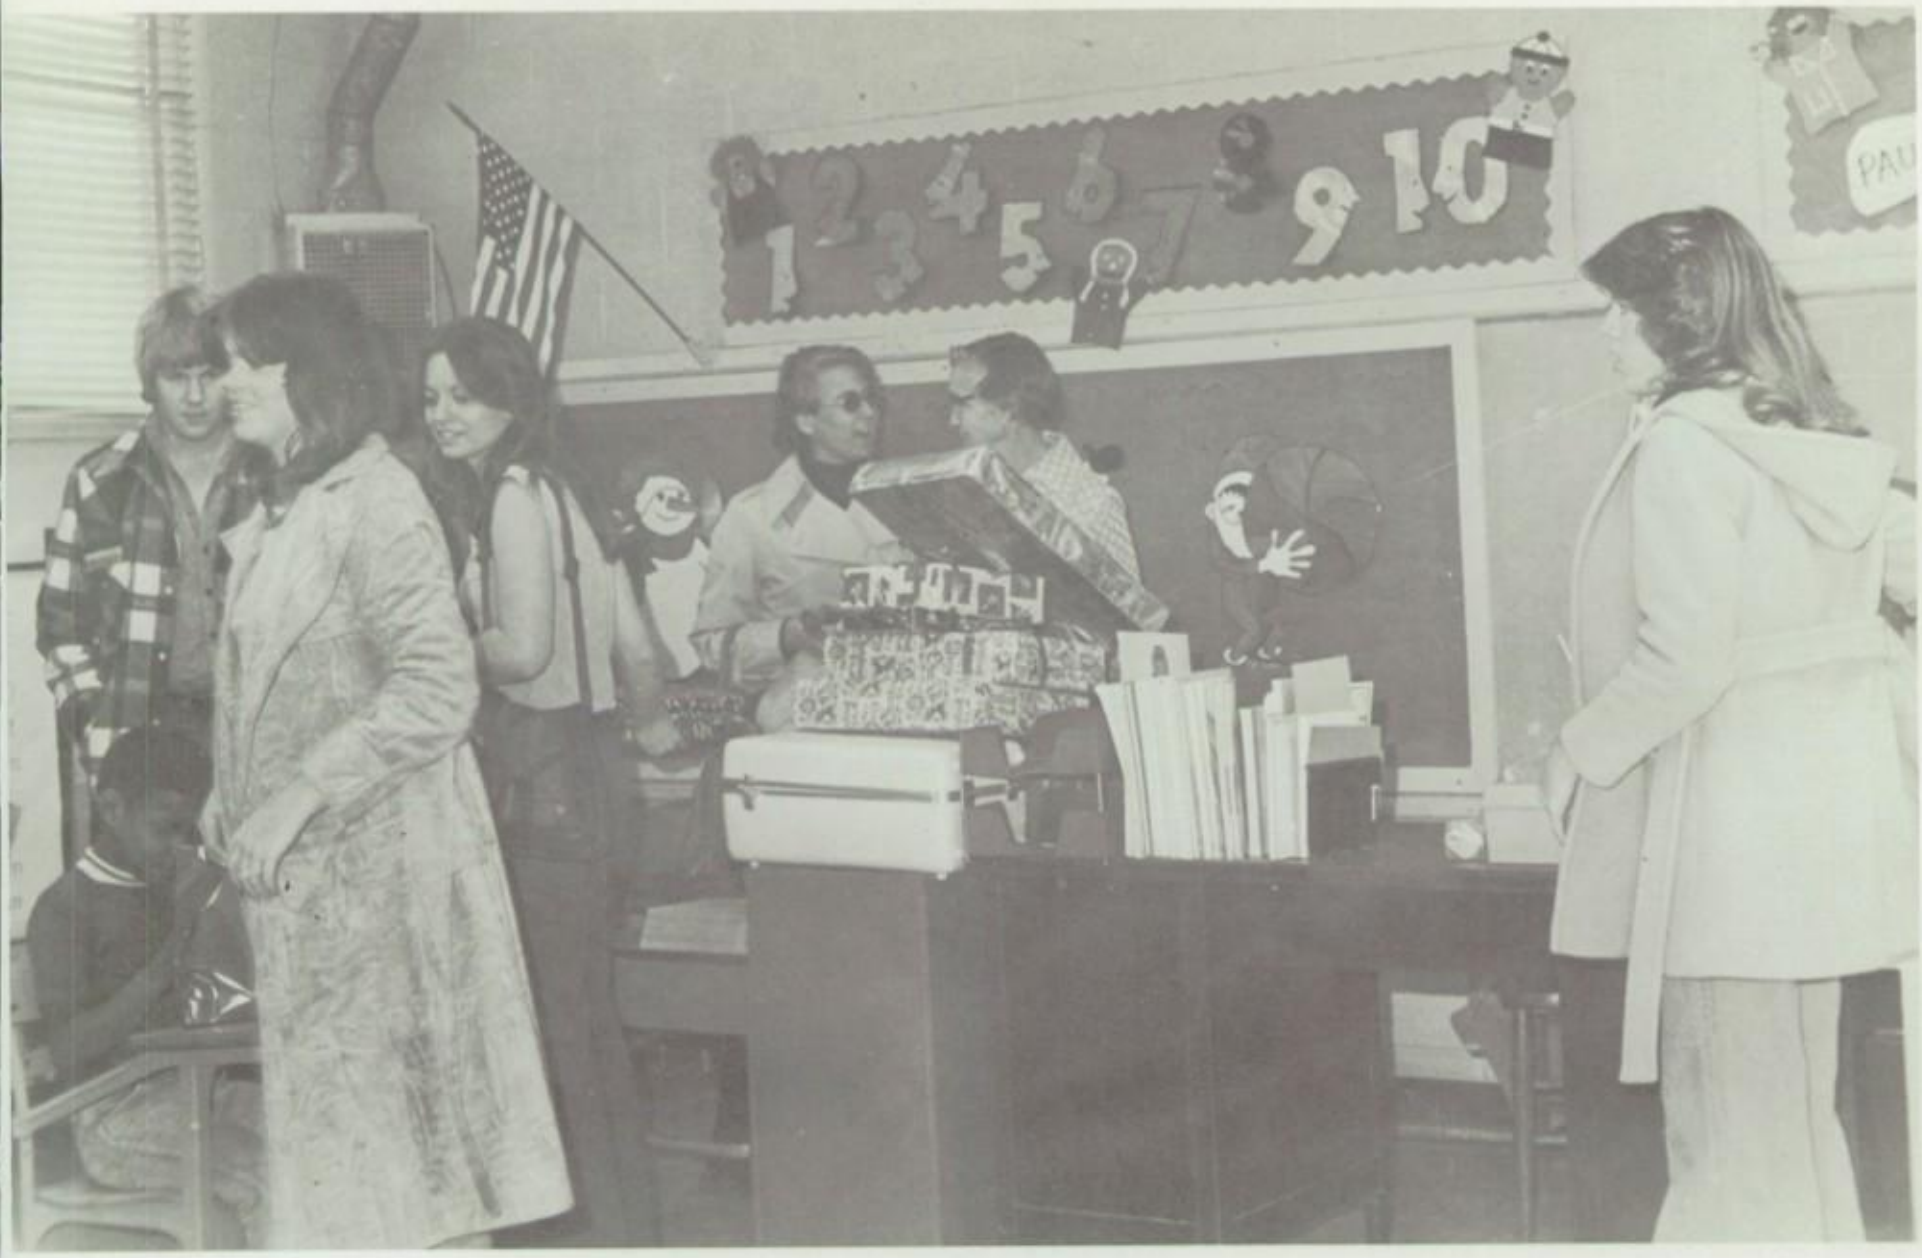
Mr. James Milligan and his industrial art students built the props while the art students, under the direction of Mrs. Mary Lou Underwood, painted scenery and backdrops.

Students Named to Who's Who

Twenty-five students from the junior and senior classes, were recommended by school officials for the Who's Who Among American High School Students. These students are Juniors William Blankenship, Rita Embry, Tim Helm, Donna Letz, Norman Manning, Ronald Perkins, DeeDee Ray, Katheryn Stephens, Jeffery Walton and Julie White. Seniors named were: Monty Curry, Isabel Douglas, Rebecca Easter, Mel Hander, Dee Dee Henry, Debra Henry, Susan Hennigh, Michelle Hibbitt, Jackie Jenkins, L. D. Lewis, Jayne Ann Mexwell, Beth May, Jared Moore, Lorrie Nickerson, and Cherri Smedly.

The Aggie Line — A&M Recruiters provided information to students interested in the University.

Ma Bell's Line — Science students explored the inner workings of the most sophisticated communications network in the world on a tour of Southwestern Bell facilities.



TAHOSA shared Christmas excitement with Special Education Classes. They wrapped gifts and played Santa for the youngsters' delight.

Christmas Sharing

Members of the Student Council went out with Mr. DeWayne Heatly, to his home in Ambros, Texas and brought back a 23 foot Christmas tree which was placed in the lobby. The tree was decorated by the members. December 12, the members invited the student body to a party that was held that night.

For an admission each student was to bring either a fruit or a small bag of candy. All the students visited Denison Manner and Jewell's Care Center, and went Christmas caroling. After caroling students went back to the school for refreshments.

Christmas Around Campus

The spirit of the season hit the campus early and with power. Students played Santa for children and residents of nursing homes in the community.

They gave both time and money to help insure happiness at Christmas.

I've Been Good — Richard Butcher tries to convince Santa (top) that he deserves goodies under his tree.

Too Many Cooks? — The Stinger Christmas tree managed to survive its decorators.

Another Santa? — This one paid a visit to the Annual Staff. They'd been good, too.

Groups Celebrate

French Club members sponsored a dinner for the Romance Club with male members of the club presenting a can-can routine. The cafeteria was decorated for the occasion.

Christmas decorations and the festive bicycle built for two sparked the annual yuletide spirit. Susan Hennigh and Mark Lockridge were the cyclers for the DenTeens entry in the Christmas parade.

DenTeens Share Gifts

DenTeens chose an orphanage in Hugo, Oklahoma. Names were sent to the club of all the children there. The members that wanted to participate gave their name and were drawn for every child. Each child had 4 to 5 members getting him or her a gift. Going by what the orphanages had sent them, the members brought gifts back to school when all gifts had come they then were taken to the orphanage. Each child had four or five gifts.

Christmas Goodies — Gifts for their "adopted" children piled up in Mrs. Nancy Terry's room. The girls loaded them in the Terrys' station wagon for the trip to Hugo.

Surprise! — DenTeens surprised Principal Henry Scott with a token of their appreciation at Christmas. The club works closely with the principal's office sch ing many activities.

Service Clubs Host the 'Nutcracker'

Denison Senior High Teens for Spiritual Development and Service (Y-Teens) and United Service Club members undertook a community service project this Christmas by aiding with the production of a county wide ballet, Tchaikovsky's **The Nutcracker Ballet.** It is hoped that this Christmas story set to music and dance will become an annual cultural event for the community.

Club members spent many hours building and designing the snow trees for the Snow Queen's land. They also sold ads for the 23 page programs to help defray some of the many expenses incurred by staging the show. Dress rehearsal and the final show afforded club members another means of showing how helpful they could be when some of the boys worked as stage crew members, aided by girls who were not working backstage helping performers with fast changes. Other club members sold tickets, passed out programs, and sold programs.

When both clubs voted to help with the ballet it was not known that the sponsors of both organizations would be making their debuts in the ballet! Nor was it known that the sponsors, Mr. and Mrs. John Terry, had the lead role performer living with them (their daughter, eight year old Rebecca Jane played the role of Clara).

Miss June Wilson, instructor at the Ballet Center in Sherman produced the performance. She is from Denison and attended Denison Senior High. She was a professional ballerina and toured Europe with the Ballet de Rousse and at one time she even performed on the Ed Sullivan Show.

Hillbillies Charm Crowd

Twenty-eight seniors were in the cast for this year's senior play, "The Beverly Hillbillies."

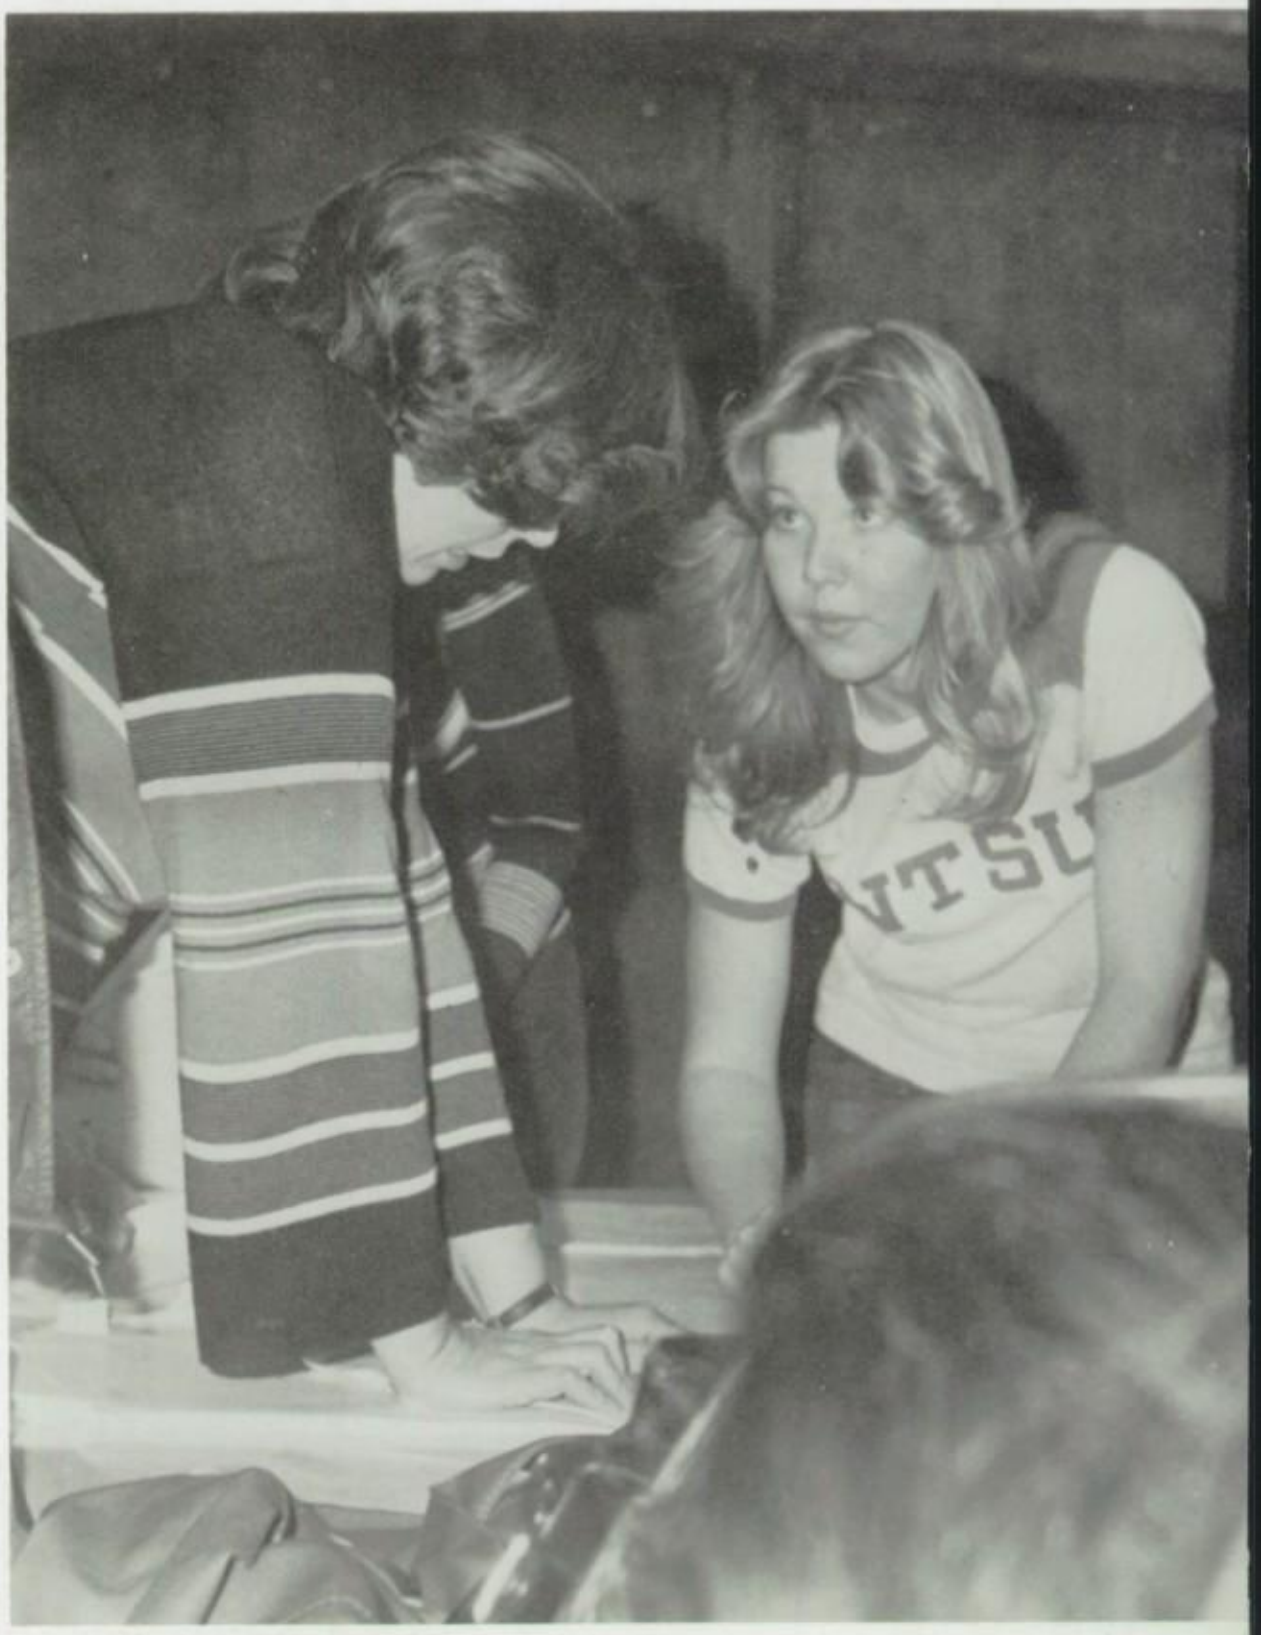
Cast members were: Tammy Brooks, Granny; Monty Curry, Jed; Beth Butler, Elly May; Blanda Manning, George Turner; Mike Mahoney, Percy; Micheal Smith, Brewster; Cheryl Black, Cousin Pearl; Bryan Gray, Jethro; John Harris, Mr. Drysdale; Tracey Gordon, Mrs. Drysdale; Rebecca Easter, Miss Hathaway; Joan Stinson, Mrs. Pennyweather; Jeanne Pinto, Gloria Mundry; Beth May, Emaline Fetty; Donna Skaggs, Frederika Collins; Mathew Rench, Colonel Foxhall; Ginna Greig, Mrs. Stokely-Smythe, Loretta Hendrix, Mrs. Oglesthorpe; Mary Bruce, Groovy Manahany; Alvin Moore, Richards; Michael Smith and Alvin Moore, Firemen.

Party Crowd members were: Donna Crain, Karen Gatlin, Jeanette Marlow, Alvin Moore, Angie Reese, Rhonda Smith, Debbie Snider, Kristi Thomas, and Theresa Watkins.

Reading on the Run —Mrs. Sylvia McBrayer was a busy drama director with the UIL one-act-play entry and the Senior Play to produce (above right).

Have to Know the Part Today? — Bryan Gray, Jethro, in the Senior play rests his back while he studies the script.

Blocking It Out — Becky Easter consults Mrs. McBrayer about her part.



Bells, Glitter Good Food

Christmas around school was really noticeable if you walked through the main lobby and noticed the new hall decoration, a 25x15 foot Christmas tree fully decorated. Student Council members asked students to bring old decorations. The tree stand was an old wash tub packed with dirt.

Jackets Experiment, Look for "The Keg"

"Happy days are here again," was the most popular song around the gym after the JV Jackets won over the Newman Smith Trojans December 7.

Oscar Waddles, who has seen some varsity action, scored 21 points to lead all scorers. Newman Smith's Trojans pulled within five points midway through the third quarter as sophomore post Jay Sikes fouled out. Jackets then buckled down and opened a 51-41 lead going into the final period.

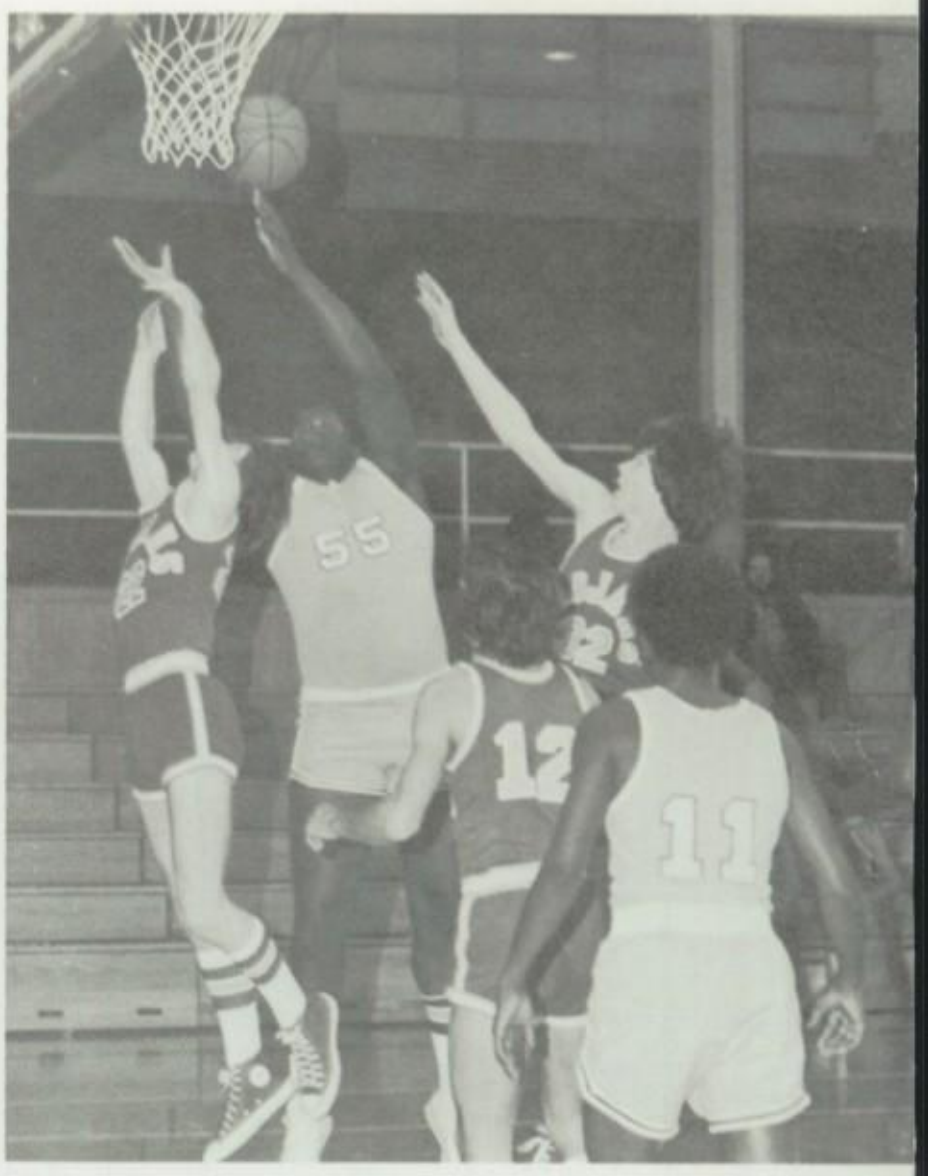
JV then coasted through the final period behind the shooting and rebounding of Waddles and Jeff Garling. Garling also scored in double figures and held down the second highest score of the game with 16.

Mike Amos and Kenny Hillerd led the Trojans with nine points each.

Missed free throws haunted the JV Jackets in the Denton Junior Varsity Tournament, as the Grand Prairie Gophers won the contest 57-52.

JV Roundballers missed four free throws in the final period while the Gophers hit 6 out of 10 to give them the leading margin.

Jeff Garling had 20 points to lead all scorers while Jay Sikes added 10 to be the game's second highest scorer. David Dwight topped the Gophers with nine.

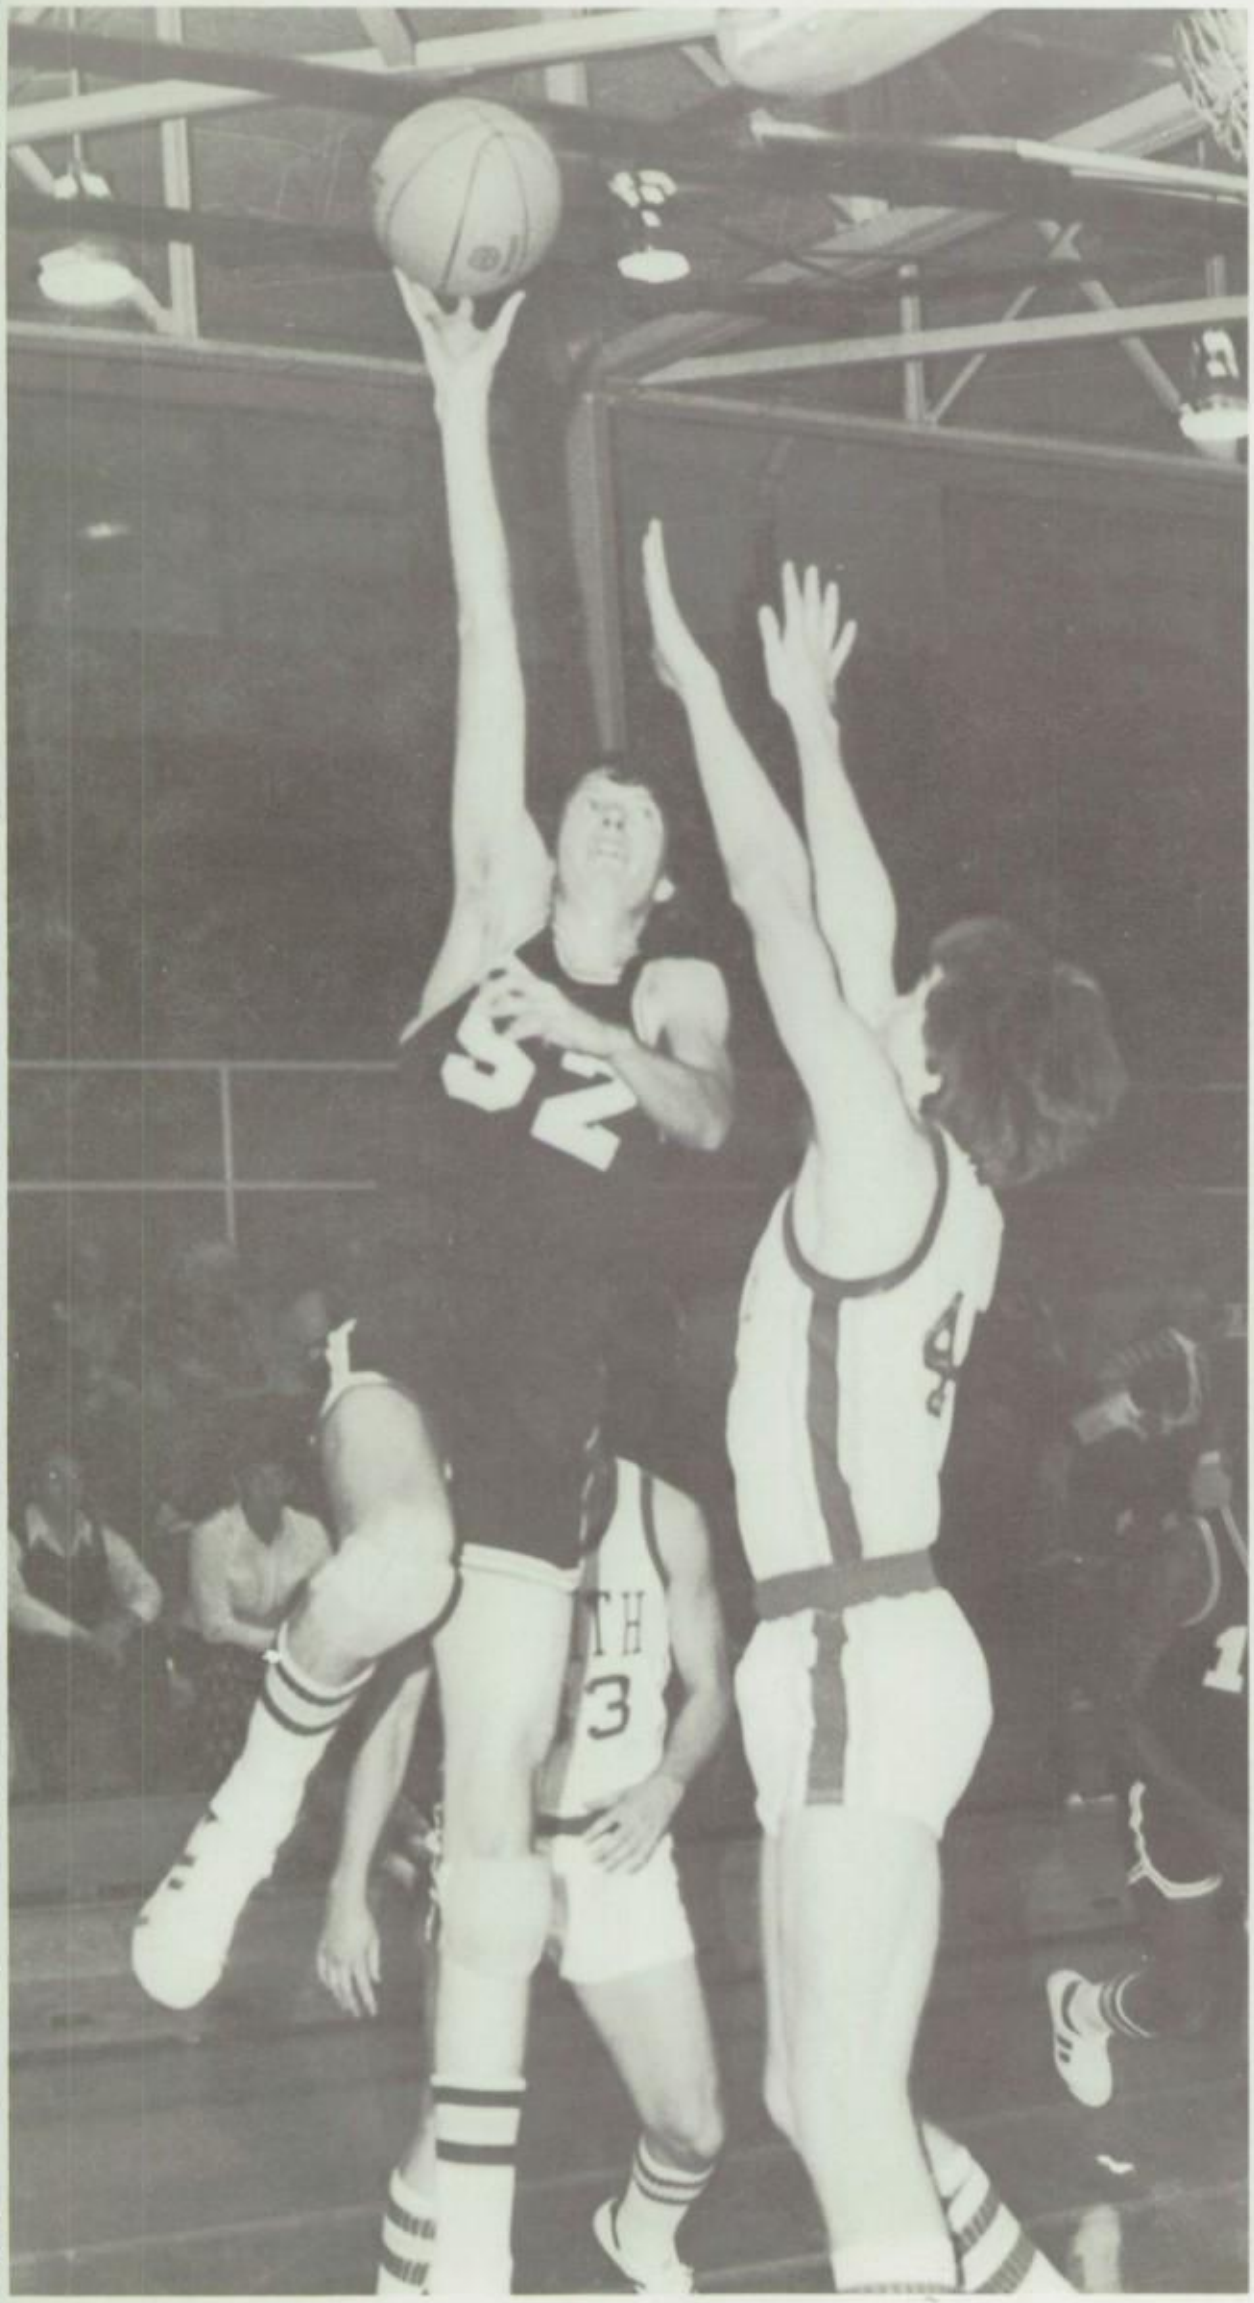


Top Cat — Andrew Bryant stretches for a rebound in the Jayvees win over Newman Smith 72-51.

Out of a Crowd — The team converges as James Hussey goes up for a shot. Dwight Parker (10) and Robby Hunt (34) are alert for the rebound but the hot-handed Hussey rarely misses.

Jackets Prepare for District Play

Sky Hook — That's what Jeff Walton's hook shot looked like to a Newman Smith defender. Jackets won the contest 45-43.



After a big opening game victory the Denison Yellow Jackets went into a three game tail spin that saw them lose to Durant, Gainsville, and Burkburnett. When analyzing those losses Coach Tim Williams quickly pointed out that a 46% free throw efficiency was a big cause. The number of turnovers were also a big cause.

In the two losses to Burkburnett and Gainesville the Jackets scored 79 points in the first half. Williams feels that the games were lost in the second half due to turnovers. "Defense has been a strong point for us but the rebounding hasn't been very good." says Williams.

Offensively the Jackets have been plagued by poor rebounding and lack-luster play by the post men. Williams says the large number of turnovers isn't a big worry, since those should work themselves out.

Hesitant play in the second half is another thing the Jacket mentor felt needed to be worked out. Williams looked for the Jackets to get themselves into different situations to see the young players react, as they will in district action. Williams pointed out the Burkburnett game was an ideal learning experience, even though the Jackets lost 64-63.

Injuries hurt the Denison squad, but Derek Malvern and Bob Wilson were out.

With the return of Malvern and Wilson, Williams began preparing for the open of the district schedule. "We're not worried about winning or losing too much right now, we just need to get ready for the district season," commented Williams.

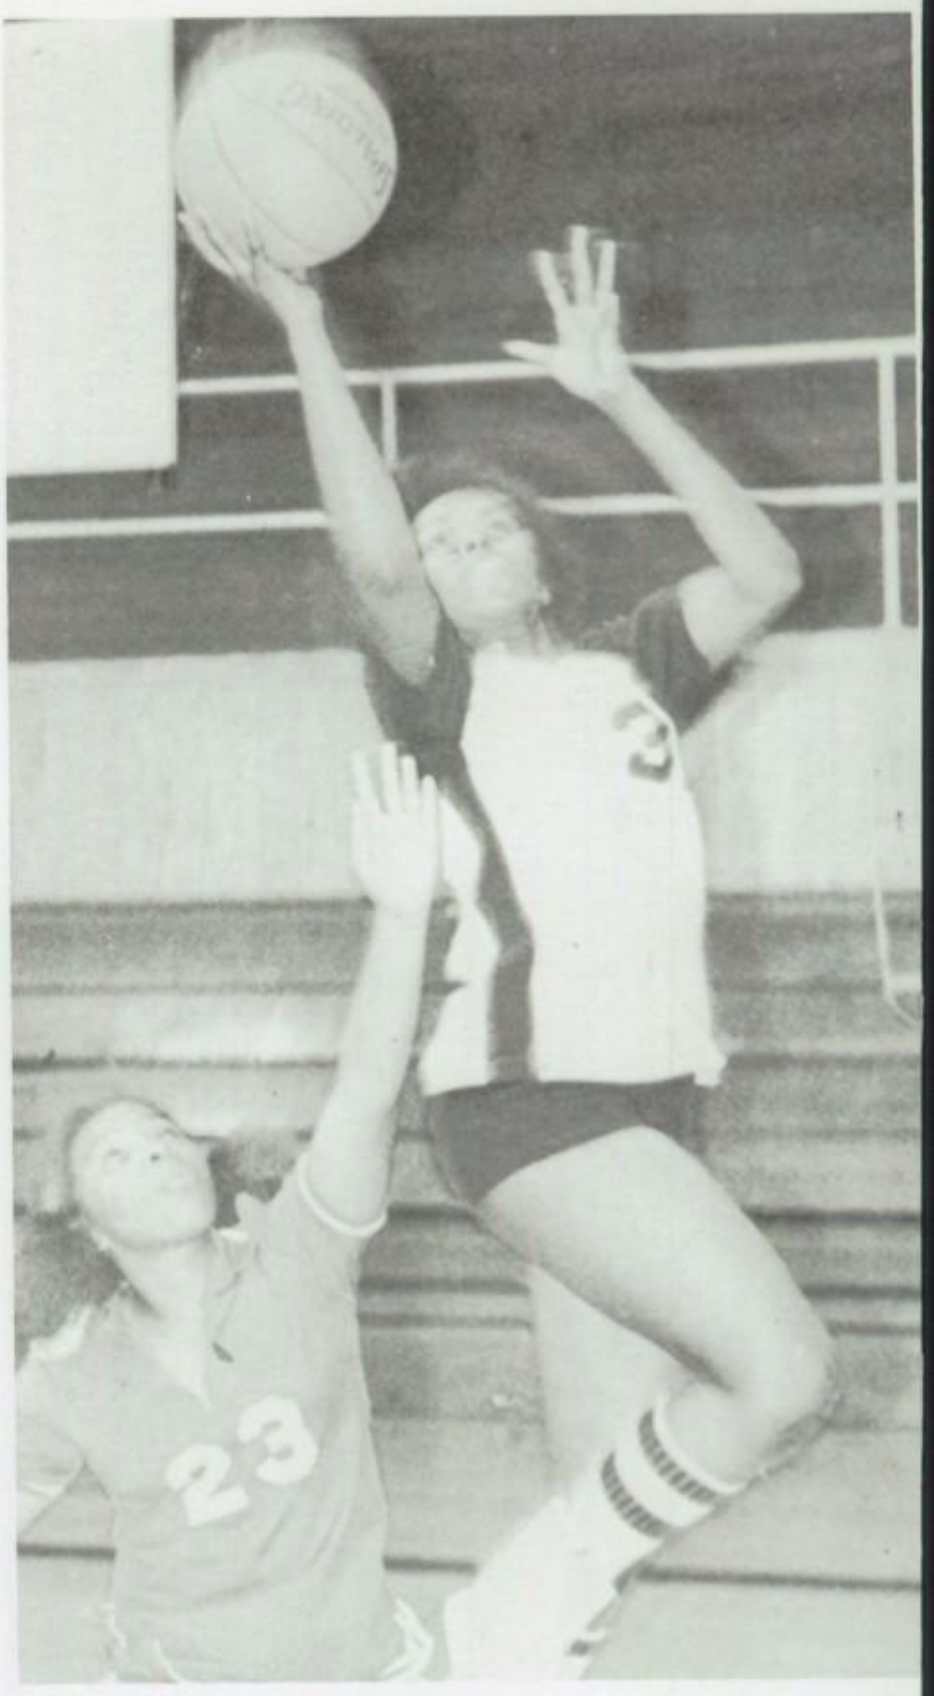
James Hussey, junior point man, was the most consistent player early for the Jackets, while Dwight Parker came on strong.

Trinity Shocks 44-43

Trinity rallied with four points in the last 55 seconds to shock the Jackettes 44-43, Monday night. Denison had led from the outset, only to see turnovers and a cold shooting streak keep the Trojans close and set to stage for the comeback.

Jackie Jenkins, Angie Braxton, and Natalie Polk scored consistently in the first half as the Jackettes grabbed a 26-22 lead. However, Trinity used superior rebounding to stay close. After the Jackettes had extended their lead to 35-30, the Trojans put into action their rally. Trinity went ahead 38-37 with two minutes left, but Denison edged back ahead 43-40 with a minute left. The Trojans then rallied to take the lead with eight seconds left and Angie Braxton's shot at the buzzer bounded off the rim.

Braxton paced the Denison squad with 18 points. Jenkins was close behind with 16. Polk added nine, all of those points coming in the first half. For the night the DHS girls hit 32% from the field while Trinity hit 33%. From the charity stripe the Jackettes were seven of 13 and Trinity was six of 13.



Coach Jane Overstreet and her Jackettes entered the Cooke County Girls Basketball Tournament with hopes of a win, but were turned away by the Gainesville Lions.

Jackie Jenkins led all scores with 30 points as Laura Creagal added 27 for Denton.

Denton rolled to a 20-5 first period lead and held on to a 34-17 lead at halftime. Jackettes trailed 35-50 after three quarters.

Point Ahead — Jackie Jenkins is a consistent scorer for the Jackettes. Jackie's sure hand assured points on the scoreboard.

One and One — Kelly Coder puts up a free throw (above) while Babbie Patterson carries the ball downcourt. The JV's play five-man full-court basketball. A vote later this year will determine whether all girls basketball will be five-man.

Junior Jackettes Beat Trinity in OT

Going into the Trinity game the Denison JV were holding on to a 0-3 record. But by the time the game was over the JV had successfully defeated the Trojans in overtime 36-33. The game was held in Denison December 5.

The Jackettes were beaten by the Trojans 52-16 in the season opener and had been on a three game losing streak up till then. Denison had lost in close games until they faced the Trojans for the second time this season.

Behind the scoring of Karen McDaniel the Jackettes were able to pull through with their first victory of the year.

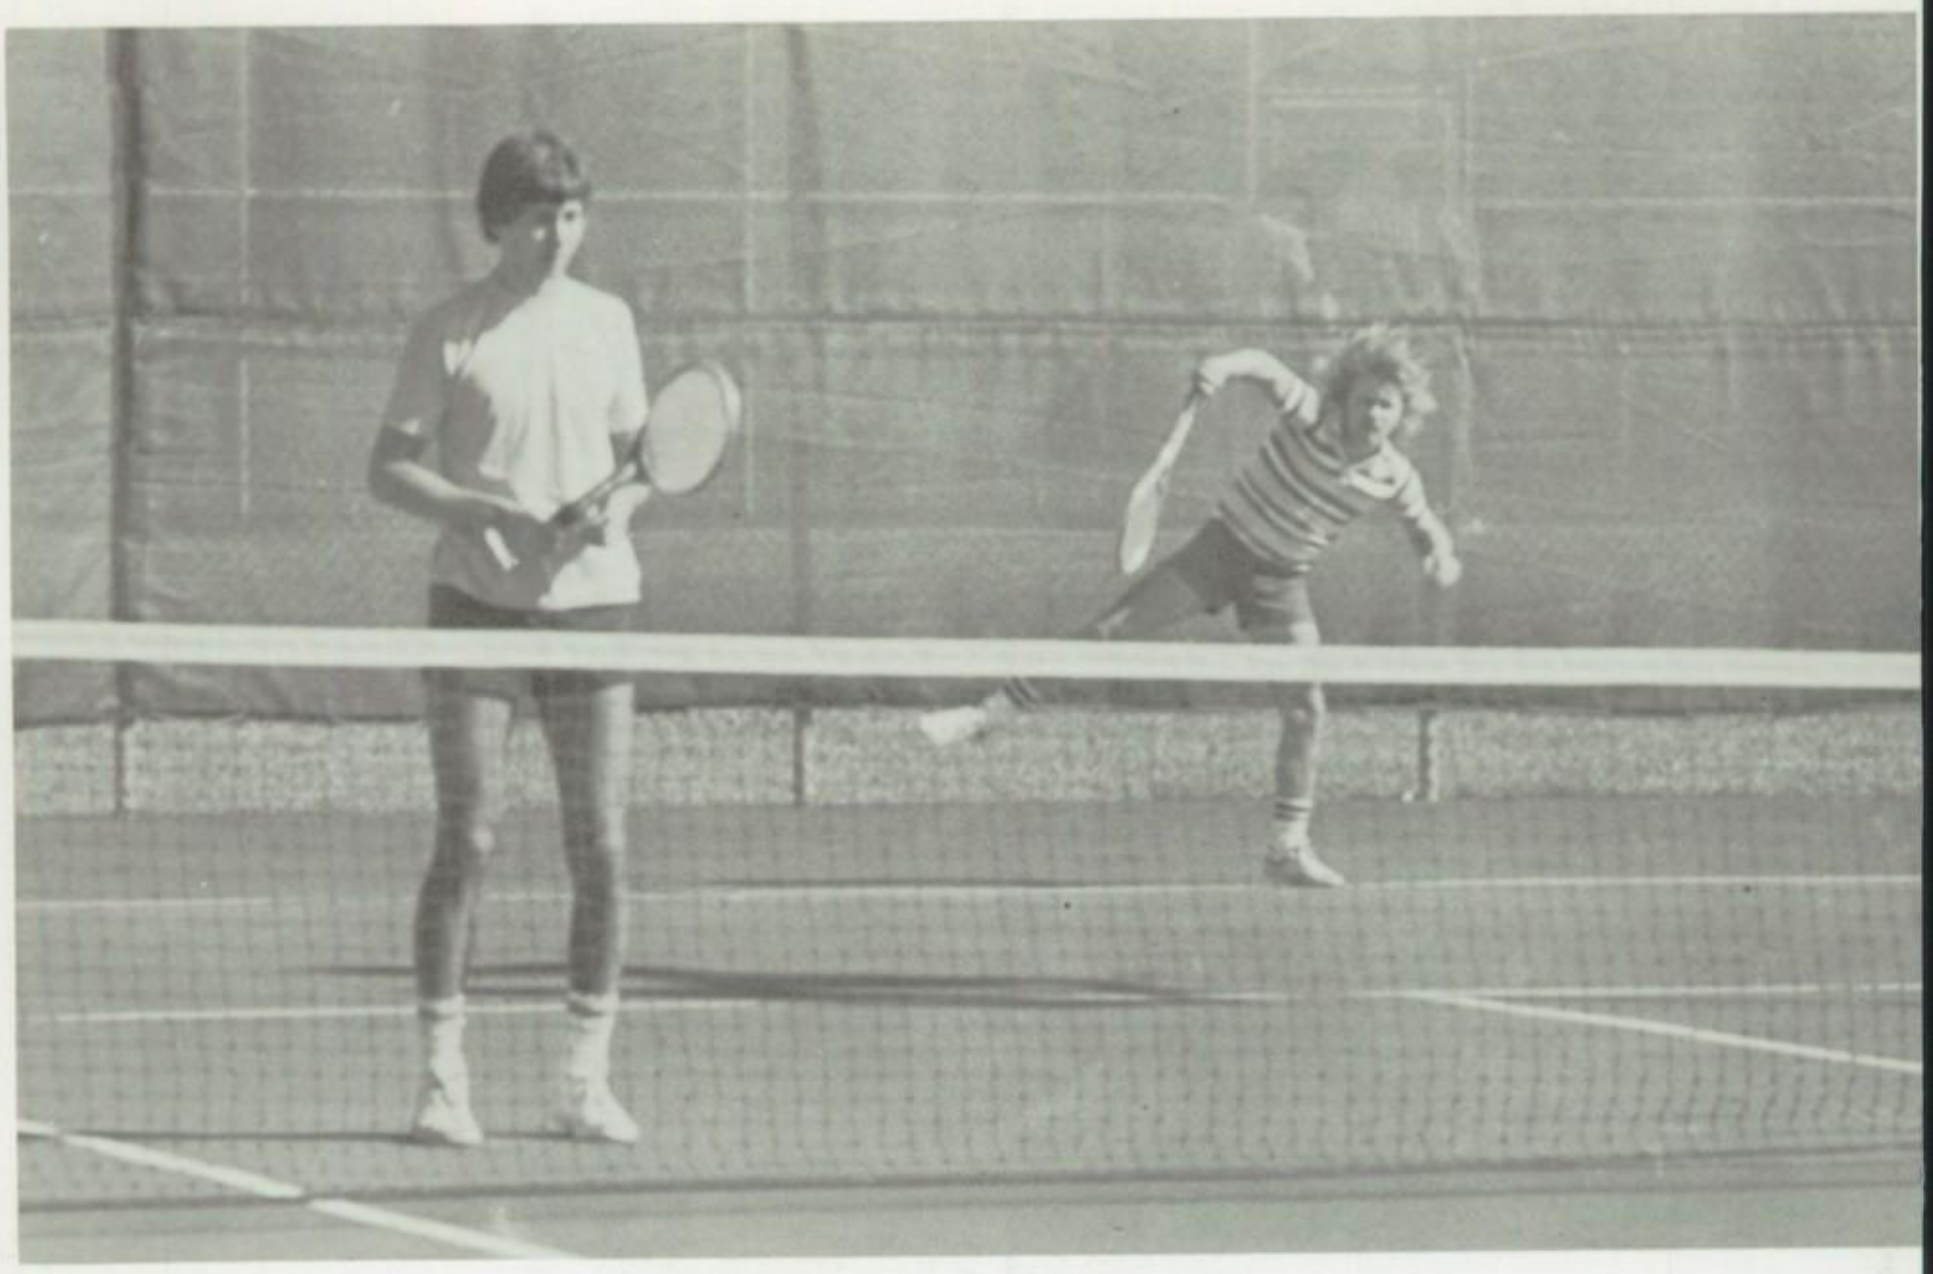
Opening the first quarter of the game the girls got off to a slow start with Trinity taking a 3-0 lead early in the first quarter. But the girls did not stay behind very long but came back to lead the Trojans 7-5 at the end of the first quarter and 15-11 at the end of the first half. The JV led the rest of the game going into the fourth when Trinity scored eleven points to push the girls into overtime. Playing three minutes of overtime the JV were able to win. Karen McDaniel led all scorers with 14 points followed by Tracey Price with eight.

Jackettes JV's suffered its second loss in the Denton girl JV basketball tournament. Sherman slapped the first defeat on the Jackettes with a 56-45 decision in the opening round game Friday afternoon.

Tracy Price led all scorers with 19 followed by Sherman's Tammy Burrow who had 18. Other Denison scores: Babbie Patterson 13, Karen McDaniel 7, Tangela Shaw 4, and Dale Kemp with 2.

In the consolation round with Lake Dallas the Jackettes came up short again with a score of 45-31.

Tangela Shaw led Denison scorers with 10 and game high went to Tracy Rector of Lake Dallas with 21. Scoring also for the Jackettes were Tracy Price with 9, Babbie Patterson added 8 with Karen McDaniel and Dale Kemp 2 apiece.



Netters Sweep Durant in Return Match

DHS netters swept easily over Durant with a 13-5 match victory. The ladies led the winnings with a 9 out of 9 match record. Boys on the swinging tennis team won 4 matches.

Single victors were Donna Skaggs, Tina Hamers, Karen Gatlin, Michele Hibbitt, Tina Boss, Jana Hibbitt, Monty Curry and Ray Garry.

Double winners were Skaggs and Gatlin, Hibbitt and Hamers, Boss and Hibbitt, Morrey Beatey and Brian Ashburn, and Beatly and Morgan Malone.

Ashburn has returned to workouts from his knee injury and was able to play doubles only in this dua match. The tennis captains and Coach Gail Ring ness all agree it is good having Ashburn well and playing again.

Williams, Taylor Score in Meets

Alan Williams, a junior and the first person to represent DHS in swimming competition, has already placed in several meets with fairly respectable times.

Williams was a contestant at the Wichita Falls meet in Wichita November 19. Williams enters the 50, 100 free styles, and the 100 backstroke and the 100 breaststroke. Does DHS have a swim team? Yes! And Junior Alan Williams is the first to stroke home wins.

Williams, a drum major in the Pride of Texomaland Band is a member of the Sherman-Denison swim team and is representing our school in meets. Denison "Aquaman" competed in the Wichita Falls Invitational High School swim meet at Midwestern University Nov. 10, placing 5th out of the 48 contestants in the 50 meter free style in a time of 24.6. To top off the day he placed 10th out of 52 students finals in the 100 Meter free style with a time of 55.0 There were nearly 600 students competing in the weekend activities.

Don Taylor, a senior miler of the Jacket Trac team, placed fourth in the regional cross countr track meet held last Saturday at the University o Texas at Arlington. Taylor who finished second a district, then placed fourth at regional, qualified fo the state cross country in Austin.

Paul Pitts, Mark Hunt, and Jared Moore, placed i the all-district first team selections. Paul was cho sen from his monster spot, Mark from his offensiv tackle spot, and Jared was a unanimous choice fo the defensive linebacker. This is Jared's secon straight year in the all-district selections.

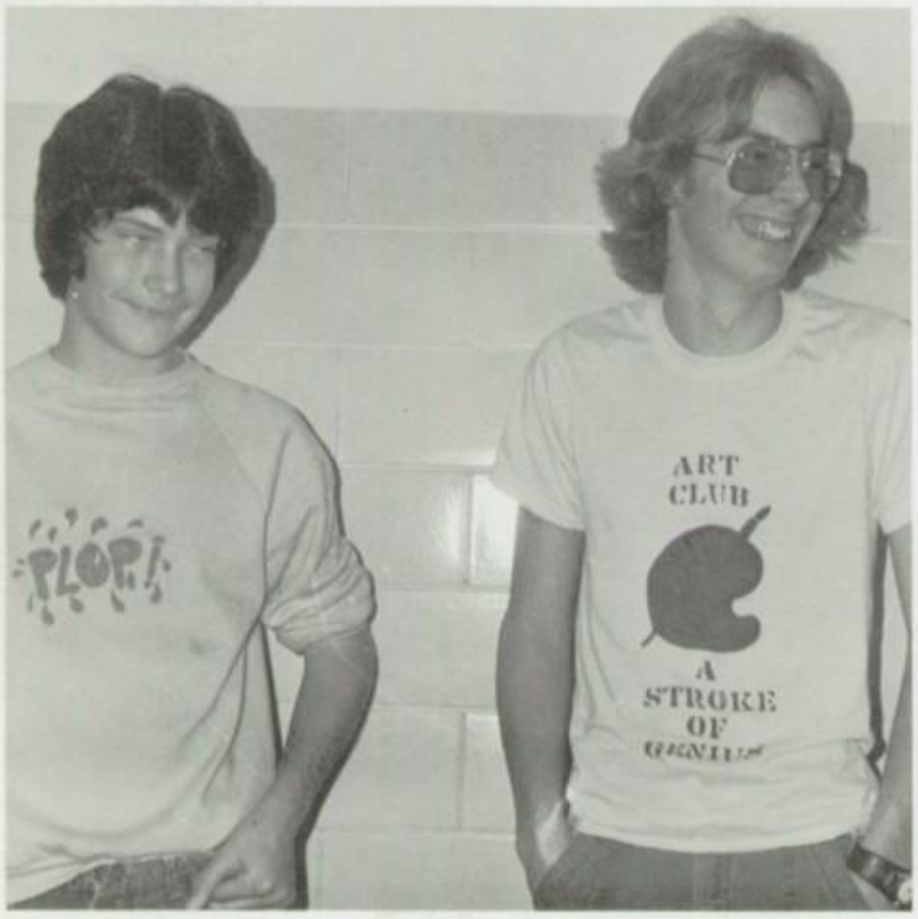
Tee Shirt Dyed for Art

Students created designs and put them on T-Shirts. Designs were cut into stencils which were then inked. Student art teacher and former Denison student Miss Valana Nix headed the project.

Batik, a technique of applying colors to cloth using wax was another art class project.



Anybody Can Do It — T-shirt projects (above) and batik (top and right) provided colorful hangings in the art room.

For the Birds — Building trades students besides building a house, built bird houses as a fund raising project (opposite top). The purple martin houses were sold and the funds used to replace small tools and equipment. Martins are encouraged because they eat mosquitoes.

On Tour — The drafting classes made several tours of the building trades house as it progressed. Here the students could watch plans becoming reality.

Pet Projects — In woodshop (opposite) and metal shop, students constructed projects some of which will be displayed in the arts and craft fair. Other projects will be entered in competition. Metals students compete in the Vocational Industrial Clubs of America contest and attend leadership conferences.

Current Events, Cultural Arts Occupy Students

Juniors Karel Anne Berry and Vicki Bizzle took on the responsibility for the DHS IN THE NEWS bulletin board. The girls, members of Mr. Duane Heatley's English class, posted clippings about DHS students appearing in local newspapers each day.

PTA announced winners in the high school division of their annual cultural arts contest. Winners and their trophies are Kelly Fagan, Wendy Richardson, Brenda Robinson and Lorrie Nickerson (front) and Mike Miller, Terry Boydston, Greg Helm and Tim Helm (back).

Foreign Student Sees Faculty Game

Many an eyebrow has been raised as Samandar Hosseini walks down the halls of Denison High School.

One of the first questions heard mumbled in the halls, "Is he one of those Camel Jockeys?" Actually, Samandar has never seen a camel in his life. There are no camels in Isfahan Persia, his home. Persia is a very unique and beautiful country within a country, most famous for its beautiful rugs. Bahai is the leading religion in Iran, and Samandar is of this religion. This is how he met his host family, Mr. and Mrs. Martie White. They share their home with Samandar and are there to make sure that he has everything that he needs. In Persia, Samandar attended a co-educational school called University High School. It is one of two high schools in Isfahan, the other being strictly a boys' school. Samandar remarked that they study mostly the same things as in Persia, but that they are much more difficult there than they are here. Samandar came to the United States to get a better education. There are many more universities in the States, than where he lived. His sister, Sohaila, age 20, is presently attending SOSU. Samandar is planning to do the same.

During the interview, he stated that he was very homesick, but that is understandable, coming from a foreign land. Samandar said that he liked the people in the States, but that they were not as friendly as he had expected.

FTA Members Attend Meet

FTA members traveled to DeSoto for District Convention. Our members were in charge of a workshop on special education. Tayna Crow ran for District X president but was defeated in the run-off election. Ann Derichsweiler was elected as one of the voting delegates for state convention. Denison Group was unable to attend state convention due to the snow.

Students Tour Russia in Spring

Tours of Leningrad and Moscow, USSR and Helsinkie, Finland highlighted the Russia trip during spring break. Tour director was Mr. Warren "Cap" Blood, DHS history teacher. Russia night was held for all interested students to attend. A meal was provided by Travelers Hotel and slides of Russia were also shown.

Beverly Hillbillies Come to Town

"The Beverly Hillbillies" starring Tammy Brooks as Granny and Monty Curry as Jed was presented by the Senior class as their Senior Play January 27 and 28 in Eisenhower Auditorium.

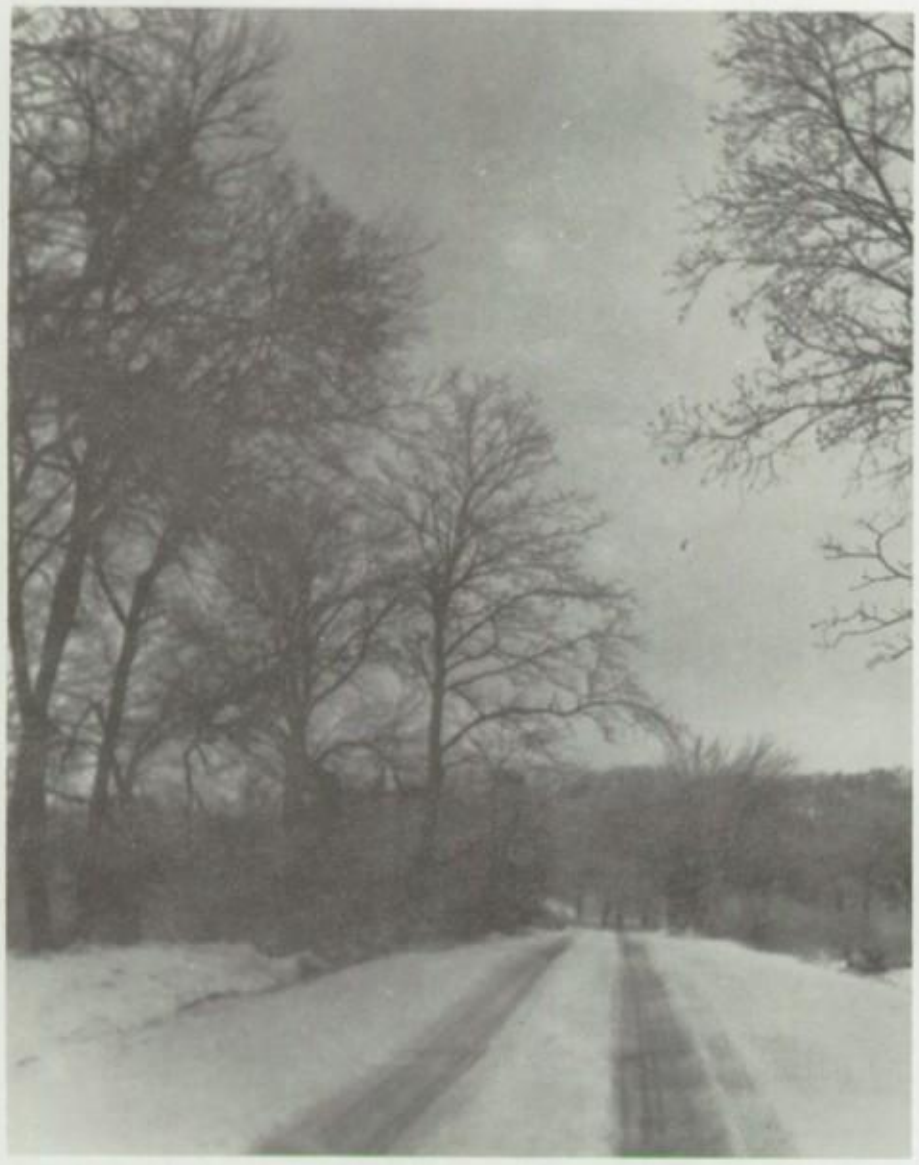
The money raised went to the senior class for Senior Day.

The Senior Play gave all seniors a chance to act. Whether they have studied drama or appeared in dramatic productions or movies.

Seniors Display Comedic Talent in Popular Hillbillies

Seniors tryout, must agree to attend all practices if selected, and enjoy the special relationship a cast forms. The cast party celebrates success of the production.

Snow Slows Students Changes Schedules



Holiday on Ice — Weather enforced holidays left the school parking lot a vacant field of snow (below) and sent many students out in the icy stuff for sledding and sliding. Posing for "snow shots" was a major project for Zach Cassita, Amy Clark, Elizabeth Johnson, Greg Watson and an unidentified Stinger staffer.

Watch Your Step — Angie Reese negotiates the icy steps in the coldest and snowiest winter in recent history (above). The snow turned Fannin Road at Iron Ore bridge into a winter wonderland (left) and turned most roadways into treacherously slick and dangerous means of travel.

First winter storm of the season struck the Texoma-and area January 11, paralyzing much of the population.

DHS noticed it mostly in absences and tardies, January 11, 396 students were absent. The school day began at 8:30 a.m. with light sleet and snow falling, most of the day. During fourth period it was announced that school would be dismissed at 2:00.

January 12, there were even more students absent, 524 to be exact. The day did not begin until 10:00 a.m. with most of the streets covered with ice, sleet, and snow.

Roads were slick and many motorists were stuck, unable to proceed. The good side of many people showed as they came to the aid of the troubled motorists.

This Is the Sunbelt? — The bus ramp made an ideal hill for sliding, but bus drivers were more concerned with negotiating icy streets.

Jackets Move to District Tournament

J. J. Pearce invaded the Denison gym for the District opener for both teams. After a hard fought battle, the Mustangs managed to hold off a late Jacket comeback for a 78-62 victory.

James Hussey kept the Jackets in the game with his fine play throughout the contest. Hussey eventually wound up with 28 points, as the Jackets rallied to pull to within six points with two minutes left. However, the Mustangs took advantage of missed free throws and Jacket turnovers in the end for the victory.

Sherman was the site of the Jackets second loop contest, but like the first Denison came out second best, 63-77.

The Bearcats used Jacket turnovers to build up an insurmountable 15 point lead in the second half. Denison then began a comeback that pulled them to within six points with two minutes left. But once again it wasn't to be as the Jackets went down to defeat for the second time in district.

Chris Luper was known most at DHS as an outstanding football player, but he led the Jackets to their first district 13-4A basketball victory.

Denison trailed Paris 63-62 with 23 seconds left in the contest. A Jacket shot went up from the floor and Luper rebounded the miss with two seconds left and put in an off-balance shot to lift the Jackets to victory 64-63. Just as Richardson snatched the district title from the Jackets last year 1978 was no different with the Eagles beating the Jackets 79-65.

Bob Wilson led the Jacket offensive attack with 17 points and Dwight Parker added 14.

Berkner, Richardson was the Yellow Jackets second victim at 63-56. Dwight Parker again led the way for the Jackets with 28 points.

The Jackets were again victorious over Greenville 86-77 to even their district mark at 3-3. Bob Wilson and James Hussey lifted the Jackets to victory as Wilson got 32 points and Hussey and Dwight Parker backed Wilson with 15 and 16 points.

Plano was the next encounter which we lost 73-57.

Up in the Air — Bob Wilson (44) puts up two points for the Jackets. Wilson added strength and good shooting to the club. He was instrumental in the Jackets' ability to break the press as the ball-handlers spotted him alone under the opponents basket and a long pass netted two points time and again.

In the Thick of It — Robby Hunt makes two (above) while Randy Bizzle adds points left. Russell McDade, Robby Hunt, Derek Malvern and Bizzle fight for a rebound.

Jackettes Move to Second Half

A year ago the Denison Jackettes played very poorly during the first round of district play. They lost often by big scores. That was last year, the Jackettes have a year of experience behind them, and put it to good use by surprising the Paris Wildcats 29-27.

Jackie Jenkins, the Jackettes leading scorer, was high point with 18. Jackie received a leg injury during the game and continued to play, but her leg slowed her down some, commented Coach Jane Overstreet. Paris had a chance to win with 18 seconds left to play, but a technical shot spoiled that effort. Jackettes hit only one of 13 free throws, as the Wildcats sunk three of their 12.

Richardson pushed out to an early 10-point lead and never trailed the Jackettes en route to a 53-36 District 13-4A win.

Greenville was the next district opponent for the Jackettes and only a last quarter spurt from Greenville kept the Denison Jackettes from capturing their second district victory. The Lions pulled away from the Jackettes cagers in the final moments for a 46-40 win.

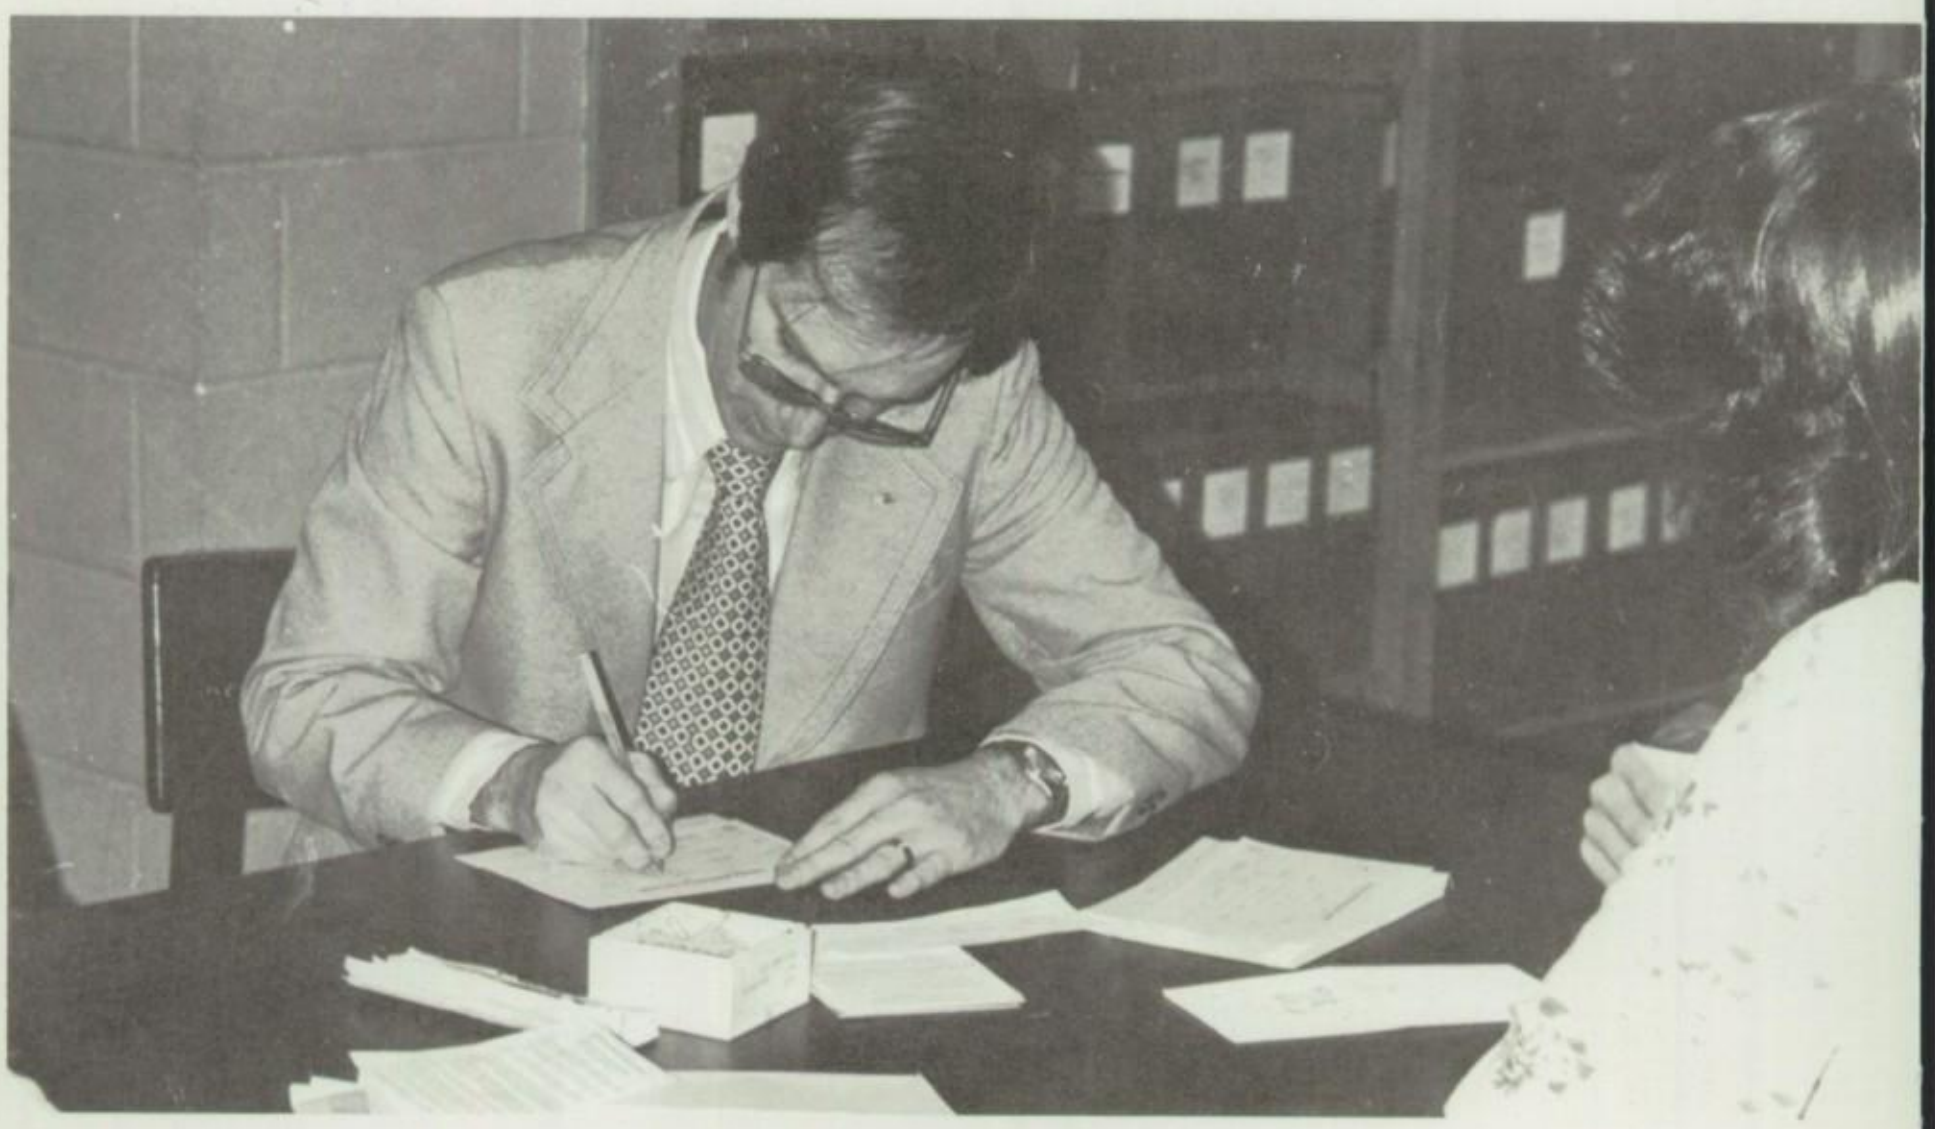
STEP-MOM — Mrs. Jackie Anderson presides over the salad bar with smiles for her customers.

DHS has a cheerful group of ladies who prepare lunch for DHS students. Manager of the cafeteria is Ruby Weddle. These ladies come to school at 7:00 to start preparing lunch for a number of students who eat at school. The cost of the meal is 70¢ for a combo.

This year the ladies put in a salad bar where students can fix a salad just like they would want it. Salad cost 10¢ an ounce, a good size salad usually runs about 60 or 70¢.

Roll up your sleeve, take a big breath, be big and brave. That was the advice for participants in the second annual United Service Club blood drive in February in the DHS Library. The Texoma Regional Blood Bank is a non-profit organization governed by local citizens representing labor, medical, industry and other consumer groups.



TRBB recruit, process, and distribute over 6,400 pints of blood each year. It is the only source of blood for the eight hospitals in the Texoma Region and have total responsibility for the blood needs of the area they serve.

They provide a full range of modern blood transfusion components and related laboratory service, public education and donor recruitment programs to meet the needs of volunteer donors, and work within our communities to assure a constant and safe supply of blood.

What does it mean to you? You will have a security of knowing blood will be available when you or your family needs it.

The TRBB's Family Plan assures the blood needs of your family. There is no cost to join, and there is no limit to the amount of blood that can be used. A full year's coverage (not including processing fees) for

you and your family is provided by making a blood donation. Full participation also means coverage for all high school students.

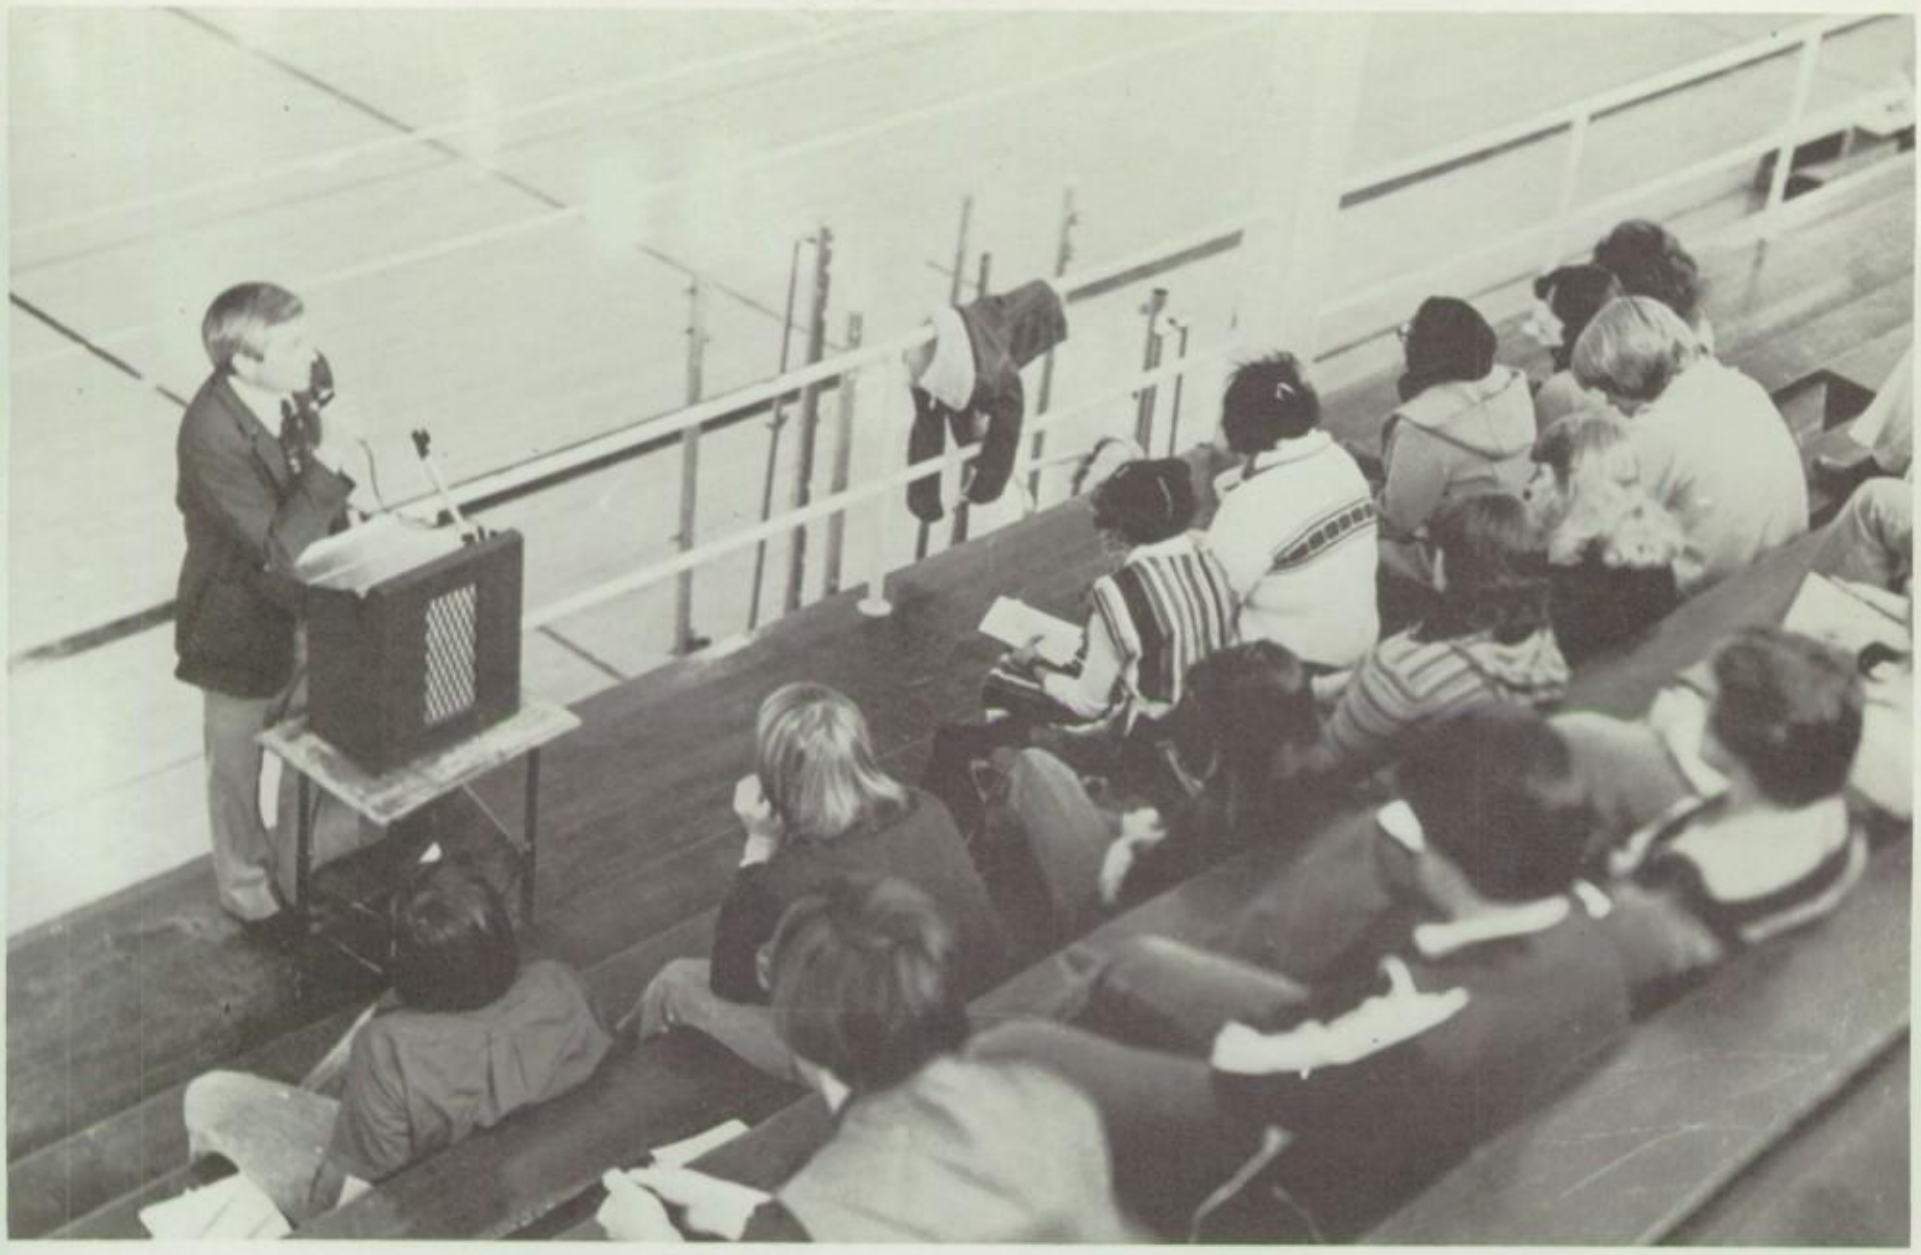
Any student may give blood if they are 17 or older, in good health, and weigh at least 110 pounds. (Seventeen year olds need parental consent.)

Vocational Speaker — Dr. Frances Willis, Vocational Director for Denison Schools discussed the program with students.

Students Show Career Interests

The United Service Club organized a Vocational Day February 23. They invited area professionals to speak to interested students. There were approximately eight groups an hour. With sessions being held from 9 a.m. thru 3 p.m. Speakers included helpful information like job opportunities, expected salary or wages, amount of college needed, approximate cost of training and length of training.

Areas of general interest that was represented was Tony McMillan, Telephone, Pillsbury representative, Business Management, Texas Instruments, Electronics, Dr. Wayne Delaney, Medicine, Horance Groff, Law Enforcement, Billy Ball, Architecture, Drafting, Ann Shaffer, Lawyer, and many others.



Vocational Day Program — Mr. Phil McKenzie discussed banking for students (above). Shelle Ray (below) worked the attendance desk.

St. Valentine's Day Has Flowers by FTA

Future Teachers of America sold carnations for $1.25 each.

Carnation colors were red standing for love, white stood for a note of freindship and peppermint a note of mixed feelings or for a special friend.

Despite all the snow days members sold all 1,000 carnations they had ordered even a 100 extra. February 14 they were seen at every florist in town trying to find carnations. They managed though. The carnations were delivered third period.

Flower Girl — Laura Delaney and other FTA members worked with hundreds of red, white and peppermint carnations delivered by FTA to friends and sweethearts around campus. The popular fund raiser features a carnation and a card delivered during the Valentine's Day celebration (above and left).

Mrs. Sylvia McBrayer had another type of fund-raiser going with help from the comic characters in Peanuts. Doss Doshier investigates the matter (above).

And the winner is . . . — At the annual assembly (Above left) Co Editors-in-Chief, JoNell Lang and Susan Hennigh announced the winners and runners up.

Paintings Presented — (Above) Student body Pres. Jim Clowers and Vice Pres. Robbie Steele assisted by David Ellison presented Yellow Jacket paintings to the school before the assembly. Local attorney Joe Taylor who created the gold and black football scenes donated them to the school. (Below) Annual Staff members present awards to Monty Curry and Bill Nicholson while advisor Kay Casey looks on. Parade of Winners — Annual staff juniors helped pin awards on winners. And directed traffic. The Annual Staff's Annual Class Favorites and Who's Who Assembly was held February 2, in Eisenhower Auditorium during homeroom.

Students Select Nominees

Nominees were those who had received over 50% of the total votes. Senior students could be a nominee in only one of the Who's Who categories. Mr. and Miss D.H.S. and Class Favorites were eligible for one category in the Who's Who division.

During the assembly, winners were given a ribbon and flower. Runners up were given a decorated heart. Annual Staff members presented the awards. Denise Hendrix, Karen and Elisabeth Johnson, and Ronnie Koiner, members of Hanson's Headaches, entertained before and after the assembly.

A leader has goals and along with them — ambitions. He achieves his goals with whatever he has and grinds the ideal of being someone into whatever he is. He does not sit and let the world move on without him.

A kaleidoscope can do different things — make different shapes, designs and colors just by turning a knob. A versatile person doesn't need to be turned or motivated to participate in activities whether for entertainment or for the benefit of others. Their goals are not set for them. They work hard to achieve those goals they have set for themselves.

Jackets Gain District Tournament

Denison wrapped up their regular district season with a visit to Richardson to do battle with district champion Lake Highlands. The result was a rerun of several Jacket games — close but no cigar, 74-64.

The Wildcats had to scrap but they managed to handle the pesky Jackets to finish the league schedule at 8-0. Denison dropped to 3-5, but still assured of a district tournament spot.

"All right!" That yell by Dwight Parker (below) described the Jackets victory over Plano in the opening round of the 13-4A tourney. The 72-60 win was sweet to each of the Jackets players, and especially nice for Coach Tim Williams. It was also poetic justice when you consider that Plano cost the Jackets the 1977 district championship.

Plano built up an early 12 point lead, but the Jackets rallied to within five at halftime. Denison pulled even at 38 in the second half and that proceeded to run-off and wide from the Cats. Parker was at his best with 23 points most of them in the second half as the Jackets outscored Plano 43-26.

The Denison Yellow Jackets closed out the 1977-78 basketball campaign with a bitter 51-48 loss to district champion Lake Highlands. The loss came in the semi-finals of the district 13-4A tournament.

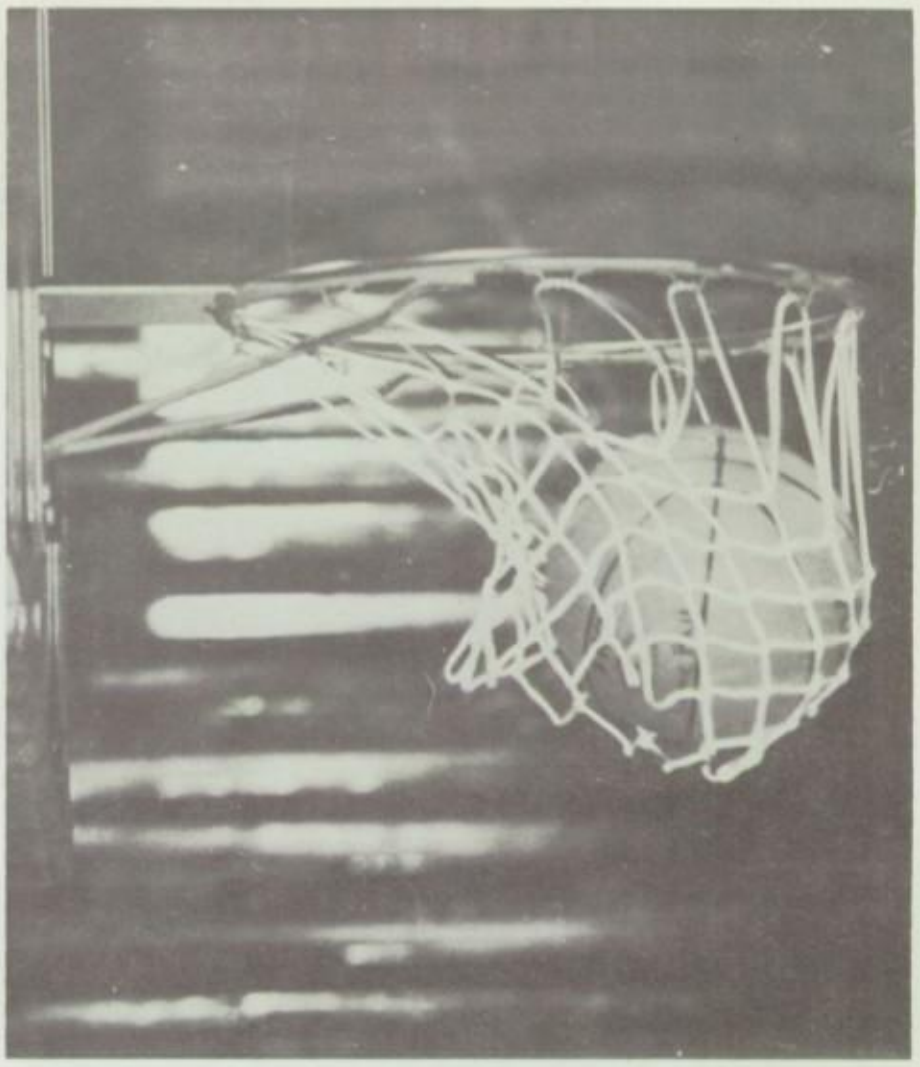
All in all it had been a surprising year and Coach Tim Williams could truly say that he was proud of his club's 9-15 record.

Jenkins Earns Scholarship

Jackette basketball was filled with thrills for fans as they saw Jackie Jenkins (32) repeat her jersey number in just less than three quarters against Greenville as the girls closed out the season with a 51-47 win. Playing with injury which hampered her senior year, Jenkins was impressive enough to gain honorable mention on the all-district team and earn a scholarship to Paris Junior College. Sister Bridgit was named second-team defense and Sonda Coney and Brenda Robinson joined Jackie as honorable mention.

Something for the Trophy Case — Bridgit Jenkins earned an all-tournament team trophy.

The Leaders — Coaches Jane Overstreet, varsity, and Ann McFarland, JV.



Baseballers Workouts Snowed Out

Snow is pretty to everyone but Jacket baseball Coach Ty Comstock who had to move practice inside for two weeks because of unusually heavy snow. With the season opener set for March 1, many positions were still in the balance as the coach struggled to fill positions left open by graduation with little opportunity to see the squad work. Comstock will be looking for a complete outfield and first base. Returning juniors include Nathan Beck, Ron Fullenchek, Doug Bilderback, and Kenny Rosser. Seniors Bill Nicholson and Dave Wilburn will start at shortstop and second base while Jeff Aday, Terry Brown and Johnny Thompson will vie for a spot in the pitching rotation.

Snowball? — Baseballers took to the tennis courts when they found their diamond covered with the remains of Denison's heavy snows. The players moved out of the gym to work on pitching and fielding. Kenny Rosser, returning pitcher, put his southpaw to work (above) as Nathan Beck worked on fielding.

Career Advice for Journalists Offered at Forum

Publications staff members received career advice in print and broadcast media at the Southwest Forum of Journalism at Southern Methodist University. The day-long workshops provided choices between public relations, magazine, newspaper, institutional journalism and broadcast news (both radio and television). Dallas area professionals formed panels to provide information and answer questions. KRLD's Alex Burton (above) paused after the workshop to answer questions by Mrs. Kay Casey, Elizabeth Johnson and Hank Largin. Doug Fox (left) seen on Channel 8's news and interpretative reports was on the broadcast panel. Burton was keynote speaker for the event. An awards luncheon recognized outstanding service to the media by Dallas professionals.

After attending the Southwest Journalsm forum at SMU March 10, the Stinger Staff members found themselves pushing he van down Hillcrest Avenue at the height of the traffic hour. Shouting chants such as "Walk your van once a week," "push don't ride," "conserve energy, push and pull," hey managed to get the van 4½ blocks to a illing station. These daring youths from eft to right are Zach Cassita, Karen Luper, Elizabeth Johnson, Greg Watson, and Hank Largin. Photographer is editor-in-chief Shelle Ray and conductor Kay Casey.

Mechanical problems with the van were not the only problems Shelle Ray faced in making the trip to SMU. Shelle forgot there was no arm rest on the front seat and when she leaned, she fell into the floor well. Fortunately, she has a background in acrobatics and was able to extricate herself from the compromising position.

Band Students Start Early, Work Late

Members of the band started early morning practices the 1st of August. They learned new music and march routines. Suits were ordered the end of the 76-77 school year, which were expected to be back this year in time for football season.

After the football season the Band started practicing for concerts.

Sales of Christmas greenery and foods were sold by each member to help pay the expenses of the trips taken to various places.

Band students practiced daily for the University Interscholastic League Contest held March 10, with the Woodwind Ensemble held March 17.

Band members from both the Wind Ensemble and the Concert Band traveled to Amarillo, Texas April 27-29 to attend the annual band contest.

Greyhound buses provided tranportation to Amarillo and back, and while they were there.

Students lodged at the Quality Inn. There they were invited to use the indoor heated pool and game room for their entertainment. Various tours and other forms of entertainment were provided.

Free Enterprise fourth period class attended the annual Free Enterprise Convention March 16 at the East Texas State University Campus.

Students listened to guest speakers during sessions after the morning assembly.

Mr. Phil Haddocks drafting classes visited the building trades house for a field trip this year.

Students Attend Workshops, Seminars

Jim Clowers attended a Student Council workshop where he received information to help in his job as president (above and left).

Board Tackles Problems Seat New Members

With a ruling from the Department of Health, Education and Welfare that Central Elementary and Central Annex were not in compliance with the Civil Rights Law, and with the deteriorating facilities in the district, the school board took on an added burden in working for a solution to these problems.

Current Boundaries — Dr. Bill K. Ford points out boundaries for elementary school attendance at the April Board meeting (below).

Dignitaries in Town — John Hill, running for Democratic nomination for Governor spoke to area supporters. Hill was successful in his race.

New Board Member — Dr. Werner Frietsch was elected to the board and Dr. Stanley Clayton was re-elected in the April vote.

Student Advisory Committee Meets, Discusses Storage, Phones, Vans

Storage rooms for school organizations, two new vans, and three new phone lines were discussed when the 27 members of the Denison High Advisory Council visited Dr. Bill Ford, Superintendent, April 6.

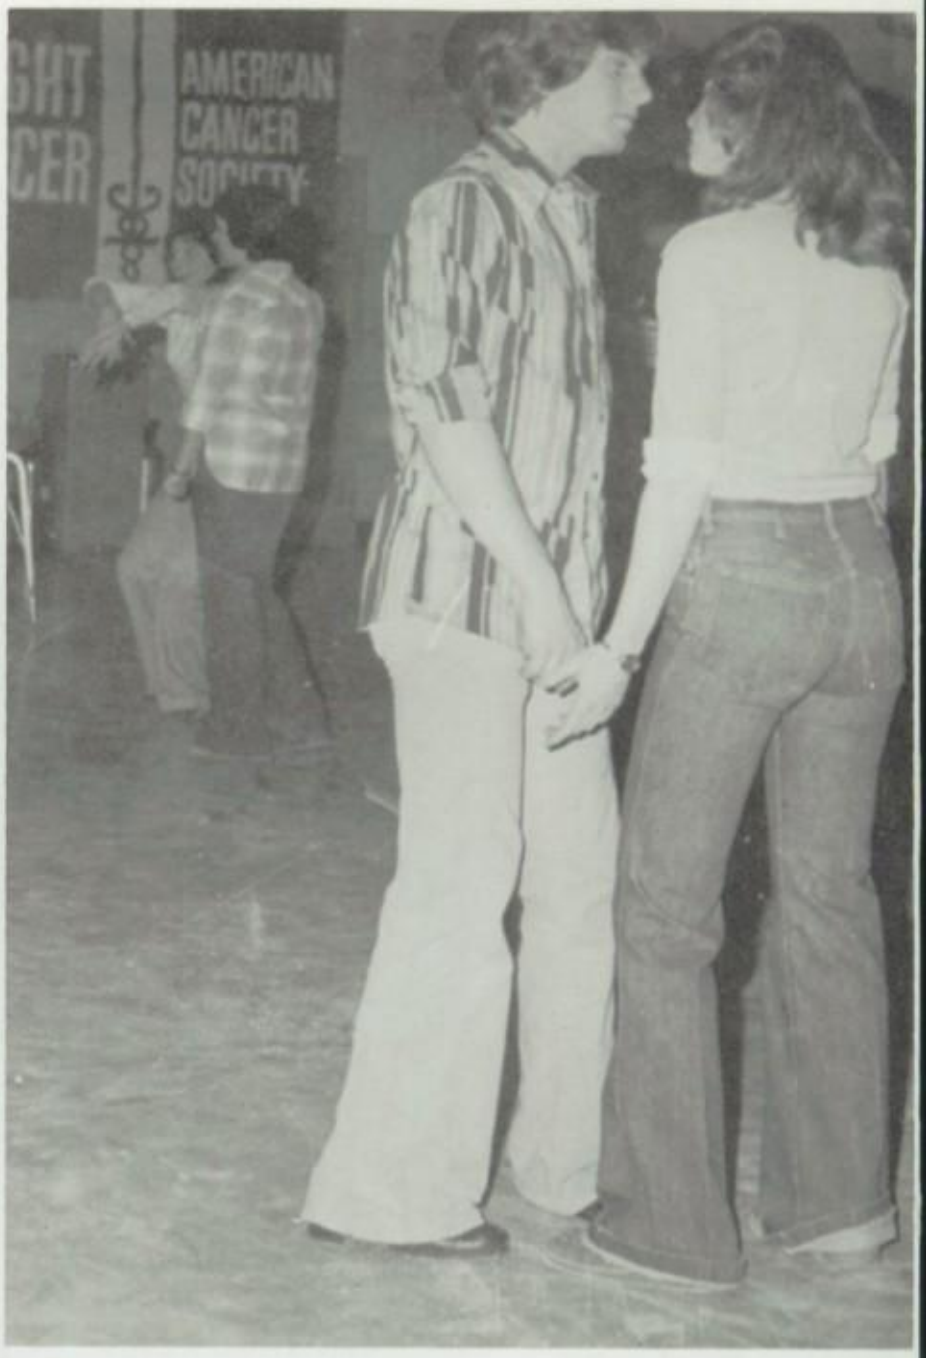
First on the agenda was the fixing of the parking lot. A need for cleaner restrooms was discussed. Student care is essential if restrooms are to be clean.

Phones were next. There are only three outside lines. One which is not used. So it is free for the Administration building, and emergencies. New phone lines were included in the budget.

Storage rooms are needed for Cheerleaders and other organizations. A need for 2 new vans was also brought up.

The Boss — Dr. Ford asked for input from students through the advisory council. The group is not charged with solving all problems, but with making the administrators aware of areas of concern. Coach Rod Carter (right) a Student Council sponsor, accompanies the group in its meeting. President Jim Clowers helped coordinate the topics and the agenda for the meetings.

Looking into the Information — Valerie and Margaret McCarn check information at the council meeting.



USC Dances for Hope

United Service Club sponsored a dance-a-thon to raise money for the American Cancer Society. Members danced for 30 hours. Those with the largest pledges won awards. Kelly King and Randy Blankenship received trophies for raising the most money.

In a Trance? — Shannon Tarver appears to be hypnotizing Cecil Mayes in their 30-hour dancing stint (above).

Dancers enjoyed modern music (above) and Bryan Gray and Terisa Osbourn modified their dance steps to aid an aching back (right).

Academic Award Winners Get Letters

In March 1959, a program initiated at DHS made history and brought nationwide magazine, newspaper, and television coverage to the city.

That year, DHS became the first school to recognize students for their academic abilities by presenting them with sweater awards. Twenty-one students earned their letters after compiling an average of 90 in all subjects carried, and came up with top grades in special exams in selected areas.

The 1978 recipients of the academic award letters are Don Taylor, physics; John Harp and Valerie Perdue, Biology I; Eric Banvield and Lori Bearden, Biology II; Tim George and Julie Pulis, chemistry; Wade Todd and Lorrie Nickerson, trig.

Other winners are Tim Helm and Tracey Price, Algebra II; Paul German and Karel Ann Berry, geometry; Tony Peterson and Donna McNeil, English IV; Lee Robinson and DeeDee Ray, English III; Jay Brown and Carrie Bentley, English II; and Keith Albachten and Elizabeth Johnson, world history.

Award winners received either a sweater, jacket or blanket at the annual awards assembly in the spring.

Spring break provided time for trips to Russia and Mexico for some students. Publications students tried to get to Austin for Interscholastic League Press Conference, but had to negotiate this Georgetown phone booth first. They made it.

New Stingerettes, Cheerleaders Chosen

The Winners — New Stingerette Drill Team Members are front: Susan Woods, Debbie Scott, Teresa Burns, Carmen Ontiveros, Mary Faber, Debbie Eldredge and Kelly King. Row 2: Vicki Bryant, Robbin Rader, Sherri Taylor, Leslie Tabor, Sherri Almond, Jeannean Hefner, Beth Grossman, Shelly Neasbitt. Row 3: Sharon Steele, Elica Galyon, Pam Wilson, Lori Cassell, Karol Arthur, Jana Hibbitt, Letia Winfree, Judy Cox, and Dawn Snider. Row 4: Carol Ransom, Liz Weissinborn, Jill Badgett, Carri Jo Bentley, Shannon Wilson, Debbie Turner, Juli Pulis and Monica Roberts.

Spirit Leaders — Cheerleaders for next year are Karen Burget, Valerie Perdue, Dana Clay, head cheerleader, and Beverly Hardy (front). Row 2: Stephanie Clift, Darla Neasbitt, Shannon Tarver and Dee Dee Woliung.

Taylor's "Trash" Is Talent Smash

Talent competition was fierce in the Mr. Wonderful contest with renditions of "I Love Trash", "Rubber Ducky", and some more traditional songs. A clown act and a cutting from "Oliver" provided variation.

Lisa and Lori Mitchell provided between-acts music (right) while the contestants (below) gave their rendition of "Everything's Coming Up Roses." The dance routine left a few of the fellows up in the air. Contestants are Randy Hartford, David Wilburn, Monty Curry, Ronnie McCraw, Bill Nicholson, Jared Moore, Don Taylor, Cecil Mayes, Dave DeForest, Tim Helm and David Haddock.

Judges Superb

Judges for the evening were introduced by Mistress of Ceremonies RoeAnne West. Judges were the well known Denison Herald City Editor Donna Hunt, the director of the fabulous Stingerettes — Darlin Willoughby, that fierce Competitor Duke Sparks and fix it all man James Kendricks.

Crown of Glory — Mistress of Ceremony RoeAnne West crowns Bill Nicholson Mr. Wonderful during a night program at Eisenhower Auditorium.

Nicholson Named Mr. Wonderful 1978

Bill Nicholson, senior, was crowned "Mr. Wonderful" March 31 during the United Service Club's third annual "Mr. Wonderful" Pageant in the Eisenhower Auditorium.

Nicholson was crowned by Rebecca Terry, daughter of USC sponsor Mr. John Terry and English instructor Mrs. Nancy Terry. Rebecca was assisted by RoeAnne West, co-mistress of ceremonies, with Cathy Davis.

Third runner-up for the title was Don Taylor, second runner-up was Joe Locke, and first runner-up was Monty Curry.

Contestants were judged in evening attire, swimsuit, talent and spontaneous questions, according to their stage presence, freshness of style, audience appeal and stylishness.

Locke won the evening attire division, Curry won the swim suit division with his unique barrel attire, Nicholson, who played an electric guitar, standard guitar, and piano sandwiched between acrobatics, won the talent division.

David Wilburn was selected "Mr. Congeniality". Winners were presented awards appropriate to the titles.

Talent acts performed by contestants ranged from a skit from "Oliver" to the introduction of a new dance, "the worm".

Other contestants were: Morry Beatty, Jimmy Clowers, Dave DeForrest, David Haddock, Randy Hartford, Tim Helm, Ronny McCraw, Cecil Mayes, and Jared Moore, last year's winner.

Jackets Strong in Mile, Shot Put, Dash, as Track Competition Begins Weekly

Run for Your Life — Steve Carter passes the baton to Reggie Franklin (above) and Don Taylor adds another first to his record in the mile run (below). Taylor competed in cross country track meets as a consistent winner this year.

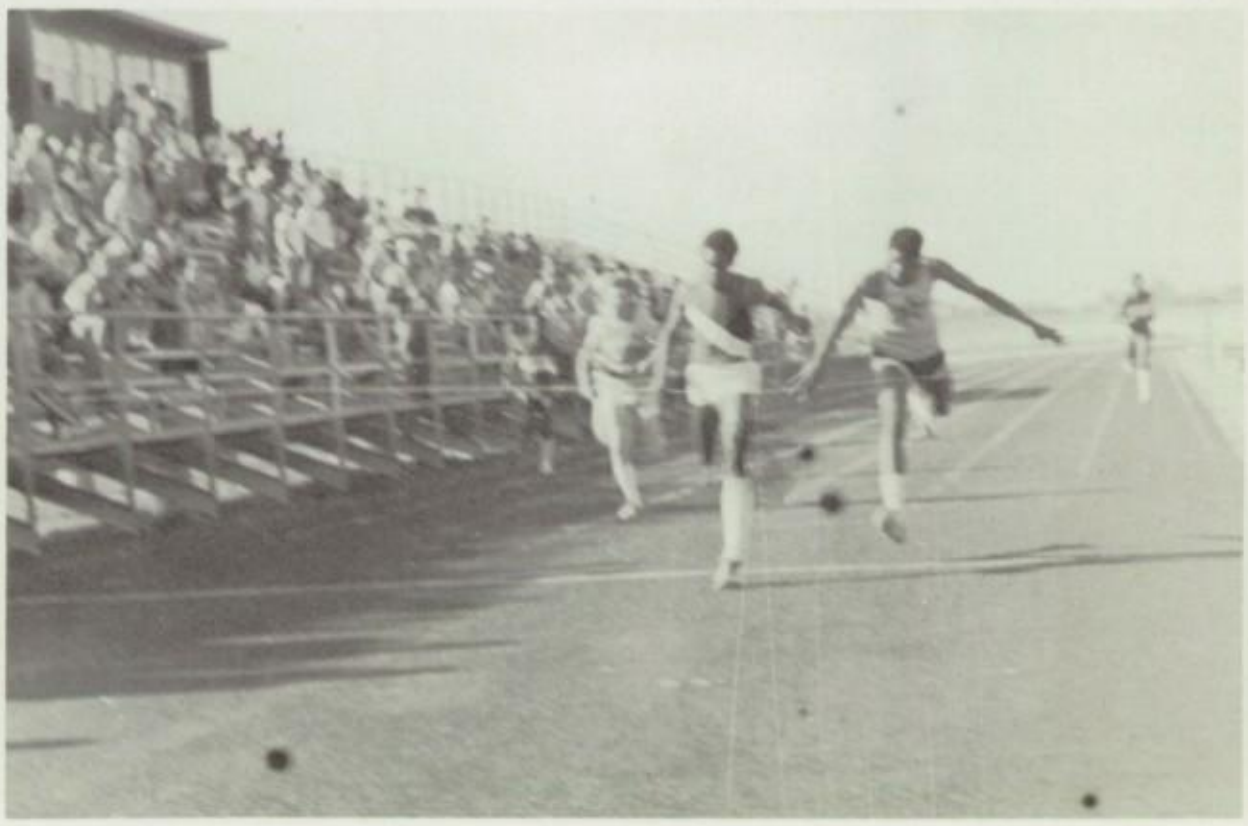
Jacket tracksters started off with wins in the Bishop Lynch and Richardson track meets. In the tough competition, Taylor earned first in the mile (4:29:30 and first in the two mile run at Richardson (9:55). Gregg Watson placed third at BL with 51:22 and first in Richardson with 50.4. Greg Crawford, defending 330 intermediate hurdles champion, took second with 42:03 at BL and Derek Malvern's shot put throw was good enough for third at BL and at Richardson with 47-7. Chris Luper cleared the high jump at 5-8 to add points to the team score.

Giant Toss — Junior Derek Malvern proved to be a bright spot for Jacket Track fortunes as the big three-sport athlete talents to the shot put. Malvern, proven at football and basketball, added points to the Jacket track totals in the relay and the shot put, finishing first in district in the shot.

Jacket track fortunes were improved by the group of young tracksters out for the team. Steve Spradlin placed in the mile, Reggie Franklin, Steve Carter, Kevin Malvern, Mike Bingham, Louis Polk, Eric Banfield, Louis Barret and Dave DeForrest chalked up points for the Jackets as they moved through the week-

end tournaments.

Chris Luper (left) a two-year letterman ran in both relays and the 440. He was captain of the team this year. Watson (below) was second in the district 440 last year and set his sights on a district win this year. In addition to the 440, he runs on the relay teams. Coaches Fred Postier and Lester Fleming put the Jacket tracksters through their paces at meets each weekend beginning early in March and ending with the District Track meet in April. Hopes for a state berth rested on Watson's 440-yard dash performance, and Taylor's success in the mile run.



Stepping Out — Psyche, is an important part of the track. Natalie Polk shows this as she confidently steps out of the ring prior to regional finals.

Polk Puts Shot Wins District, Region

Natalie Polk tossed the shot put her first time, two years ago in Irving. In that meet Polk, a sophomore, showed promise by finishing eighth in a field of 60. Natalie has come a long way since then and for the third consecutive year, she competed in the girls' state and track field meet.

Plagued by a swollen leg this year, Natalie finished a disappointing seventh in the shot put at state. Polk's best throw was just over 40 feet, compared to the 43'8" she tossed a week before at the regional meet.

The winner of the state title was Dallas Richland's Dana Beckleman. Beckleman had finished second in Denton at the regional meet, behind Polk.

Look at My Form — Natalie Polk is about to show her form that has made her the state favorite in the Shot Put. Her best of the season is 43'8"

The Winners — Natalie congratulates the runners-up in the Regional meet. She placed first (above) and received congratulations from a delighted Coach Ann McFarland (below).

Senior Natalie Polk got her first win in the Shot for the year at the Ennis Track meet March 11. As a junior, she placed second in the state meet last year.

Other Jackette tracksters are Cari Hunt, 440 relay team, high jump, only jump, 440, and 80 yard hurdles; Karen Luper discus and 440 relay; Penny Jacquinot, 80 yard hurdles, 440 relay, and 100 yard dash; Letha Castleman, 880 and 440 relay; Karen McDaniel, 80 yard hurdles; Tammy Woods, mile run; Becky Fairchild, mile run, long jump, and 220; and Cherri Smedley, mile run.

Jackette track team traveled to Lewisville for their second track meet of the season. Natalie Polk got her second first place this year with a throw of 42'1½". The 440 relay team placed sixth.

Jackettes made their best showing of the season at the Trimble Tech reays April 8. The girls picked up points from Natalie Polk's first place in the shot. Natalie tossed the iron ball 43'6". Cari Hunt placed sixth in both the long jump and the high jump. Letha Castleman placed sixth in the 880.

Brian Ashburn and Chris Wright shake hands with a South Garland doubles team. The player between the Denison duo is an exchange student from Sweden and a former warm-up boy for Wimbledon Winner Bjorn Borg.

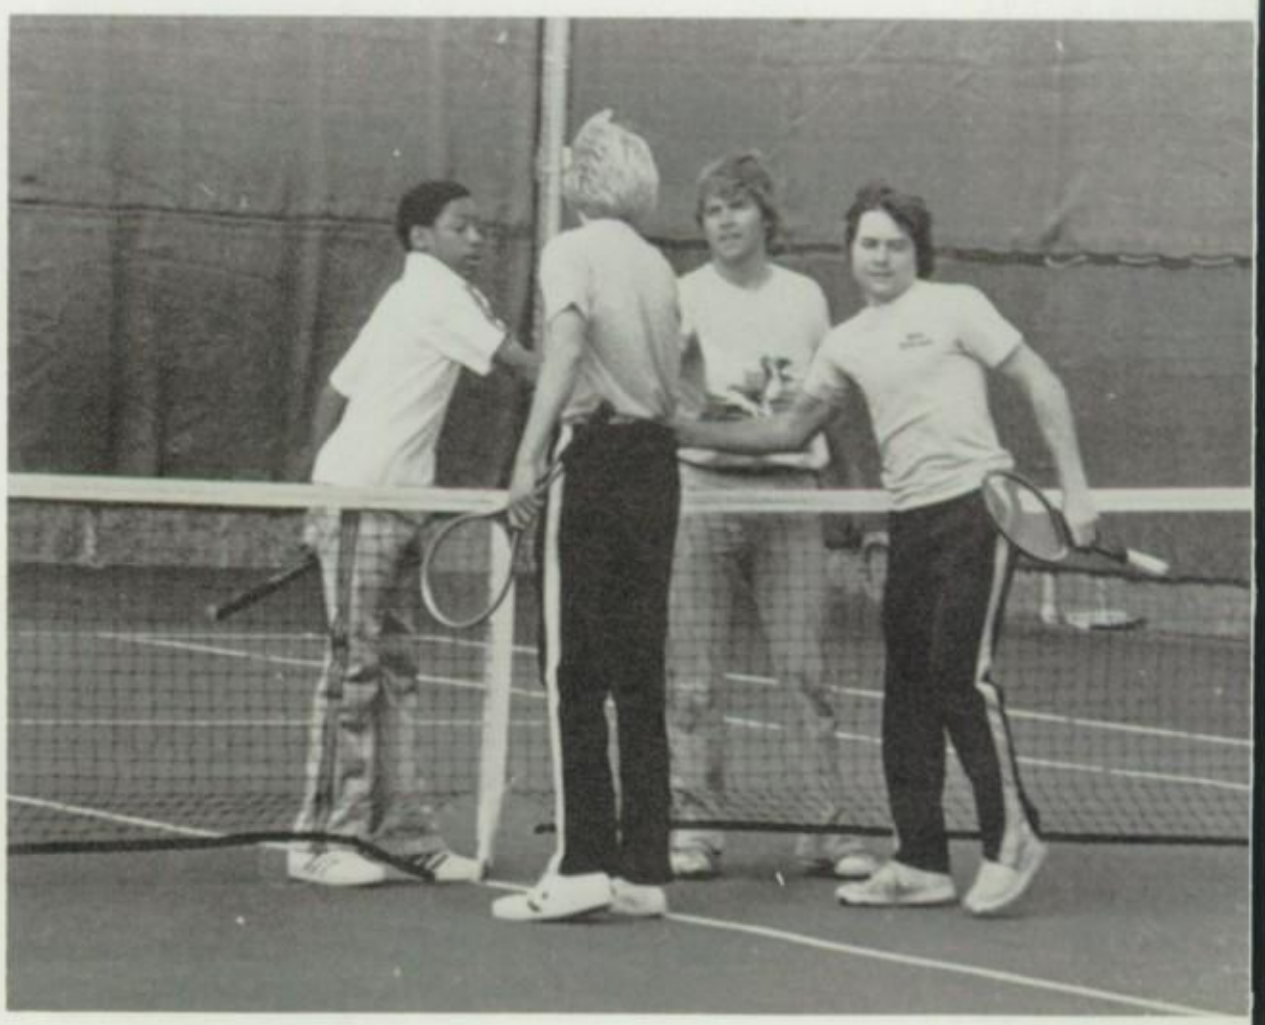
Jacket netters won the team trophy at the Lewisville Invitational in which ten schools competed (above).

Donna Skaggs and Karen Gatlin won first in girls doubles while Chris Wright and Brian Ashburn placed second in boys doubles.

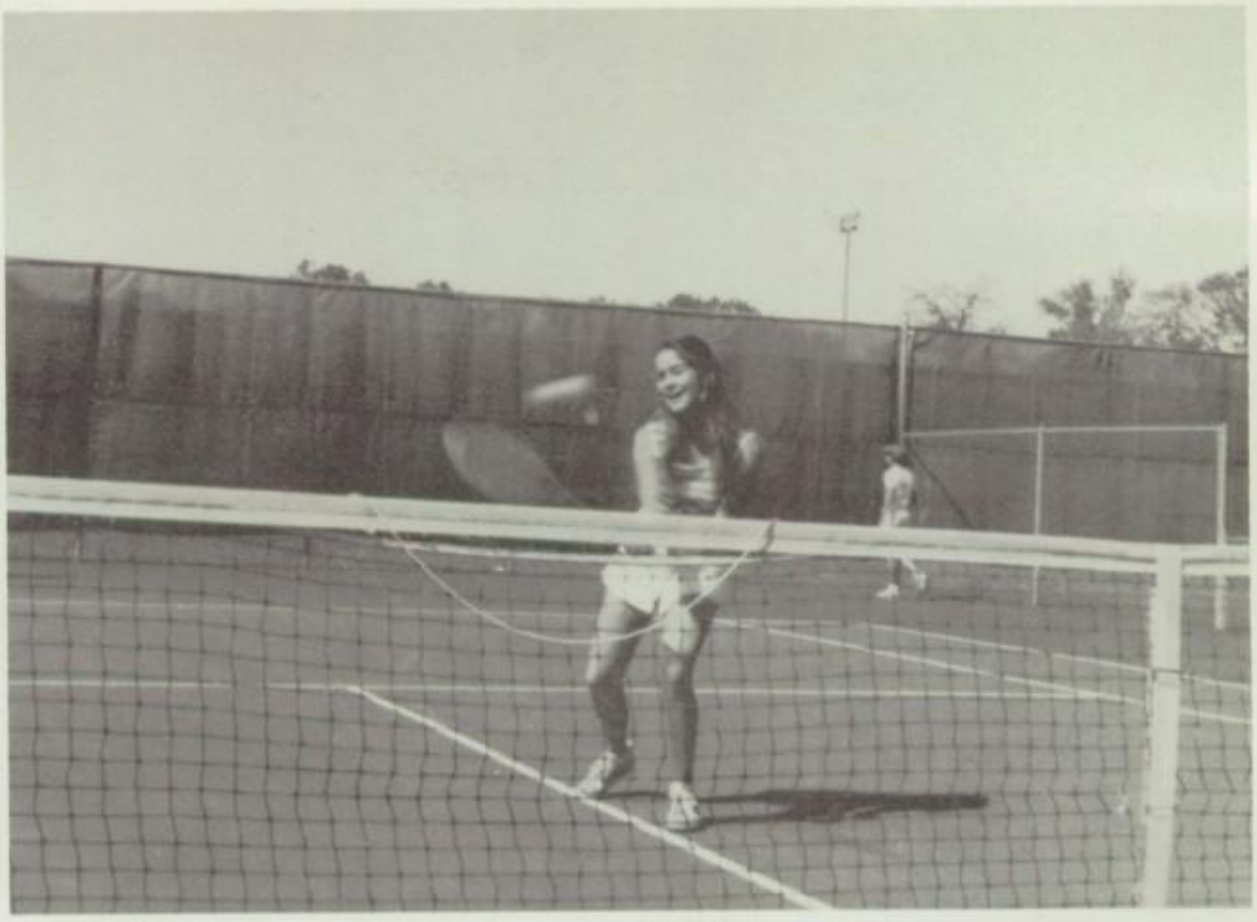
Richardson High won the district tennis title in Plano. They placed first or second in all boys and girls divisions.

Monty Curry and Johnny Allen won the first and lost the second match as did Brian Ashburn and Chris Wright in the Boys doubles.

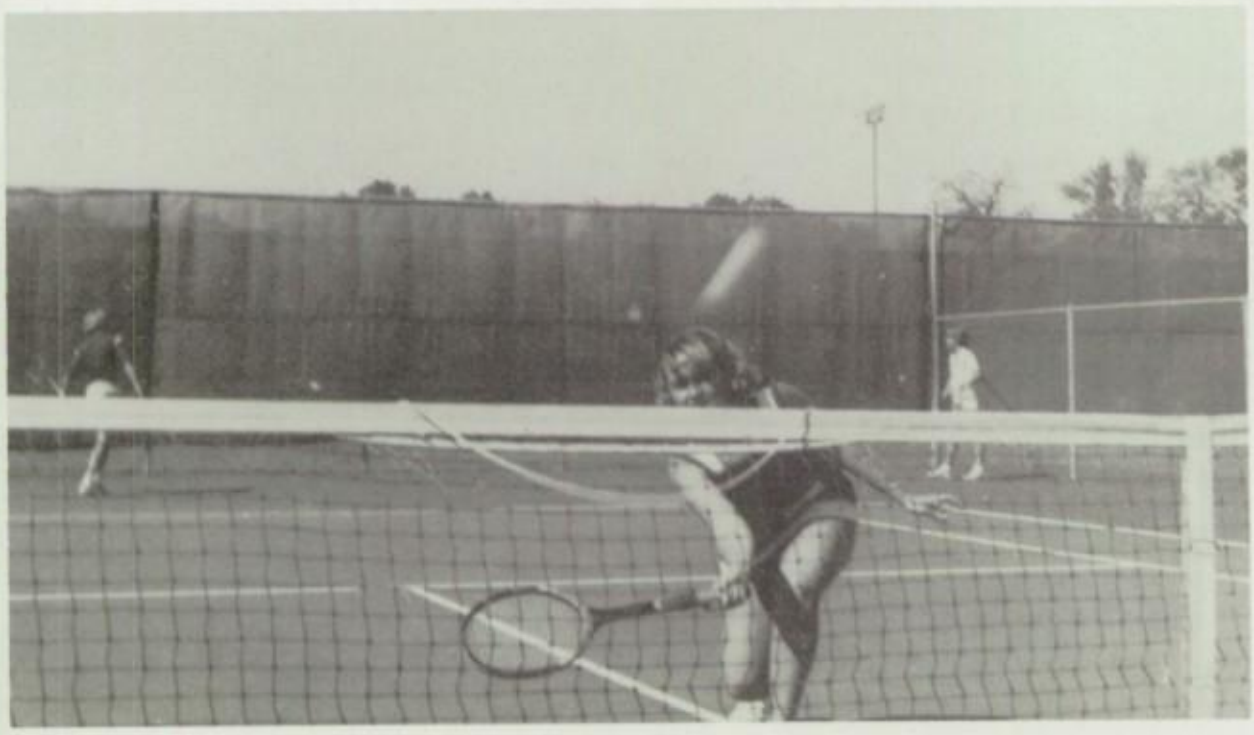
Jana Hibbitt and Michele Hibbitt won the first and the second match in the girls doubles division.



Varsity Netters Bring Trophies Home



Winners — Tina Hammers (top), Michele Hibbitt (center) and Karen Gatlin (bottom) provided points for the tennis team.



South Garland took the team trophy at Denison High Invitational at the Texoma Racquet Club after winning first place in all but one division, and North Garland won that.

At the Paris Spring Invitational girls doubles partners Donna Skaggs and Karen Gatlin made it to the semi-finals and were two of the top four girls out of 42 teams.

Ten of 12 team members won their first round match.

Varsity Netters — Donna Skaggs (left) and Monty Curry (above), Brian Ashburn (below left) and Johnny Allen (below) were winners in the team's full tournament schedule.

"The Marvelous Playbill" by Tim Kelly was the drama department's UIL one act contest play, at J. J. Pearce High, Richardson.

Cast for the play consisted of Lori Bearden, Tammy Brooks, Bill Brussow, Becky Easter, Tim Helm, Karen Johnson, Rachel Rainwater, Russell Snider, Joan Stinson, Susan Thornton, Cathy Walton, and Alan Williams.

Crew consisted of Mary Faber, Greg Helm, Beth May, and Bruce Powers.

Four members were selected for the all-star cast. Lori Bearden, Tammy Brooks, Becky Easter, and Alan Williams.

In the play Chanfalla the gypsy came to a rich town in Spain. He staged a non-existent show "The Marvelous Playbill" for the elite of Castile. Only people with pure blood could see it. Even though there was no show, the people pretended to see it. At that a soldier came in and ended the charades. He ran off the townspeople and told the gypsies to never come back.

You've Got to Be Kidding — Joan Stinson rehearses for the play. A big part of the play.

Pretty as a Picture — Susan Hennigh and her date John Lang look ready for a night of dancing and romancing.

April 8 was the date set for the DenTeens annual Spring Formal. An atmospheric theme "Color My World" was chosen by the sophomore decorating committee.

All year girls have worked to earn the 20 points necessary to attend Spring Formal. However, because there was no Christmas float, the points required was lowered to 10 at the March 29 evening meeting.

Seniors with five or more points were allowed in without having to earn any more points. A senior girl that had less than five points could attend by paying two dollars. This was a new policy put into effect this year for seniors only. The dance began at 7:30 and ended at 12:00. It was held in the gym. George Sappenfield an area photographer took pictures of the couples. Juniors were in charge of entertainment and seniors took on the refreshments.

Stingerettes Review Entertains Crowd

Doing routines to the music from "Star Wars" and "Calling Occupants from Interplanetary Space," the Stingerettes presented "Galaxy 78" April 28. The girls enlisted help from their managers and interested friends to perform as stage crew and emcee the show.

The show is an annual fund-raising project of the drill team.

Fairy Tales, Spiderman Thrill Kids in Children's Theater

Spiderman and Miss Muffett paid a visit to Eisenhower Auditorium to entertain children in the drama department's annual children's theater production.

The department enacts several fairy stories fables and comic stories for children each year.

Rock-a-Bye — Rachel Rainwater and Johnny Flowers performed in the children's theater play (left) while Tammy Brooks and Becky Easter get a hug from Spiderman.

Gwen Hull and Charles Osboun were elected Mascots by four area judges. They were judged on appearance, spirit, personality, cheering skills and on the cheer and chant they did. Harry Wilson also tried out.

Don Newbury, from Tarrant County Junior College, was a big hit at the annual all sports banquet. Don dazzled the crowd with jokes about the Jacket athletes, a phone in his coat, and a half torn shirt.

Boys athletic director Coach Jerry Blankenship and wife Sue laugh at the many antics that Don Newbury performed at the annual All-Sports Banquet.

(Above) Dereck Malvern gets off a throw which puts him in the district finals of the shot put. Malvern came up with the best throw of his career in the finals to finish second, and qualify for regionals. Malvern faced tough competition from the Dallas schools in his events and couldn't fare too well.

(Left) Greg Watson displays the first place medal he received at the regional track meet in Denton. Watson ran a time of 48.3 to beat the second place finisher by some 8 yards.

Tanglewood-on-Texoma was the scene of the district 134A golf tournament. DHS cheerleaders helped host the meet and served sandwiches and drinks to the golfers and the gallery.

Frietsch Is School's First Fem Golfer

Gayle Frietsch (left) won acclaim at DHS as the first girl golfer in Jacket history. However, Frietsch made an even bigger reason for her acclaim in 1977-78 by copping the district 13-4A girls title.

The Denison sophomore had played golf for only a couple of years before this year at Denison High where she showed well at several tournaments prior to the league meet.

Golf coach Osborne Davis had only superlatives to describe Frietsch's play and the young lady showed why by making a pleasing showing at the Regional Tournament, finishing 26th out of more than 60 female participants.

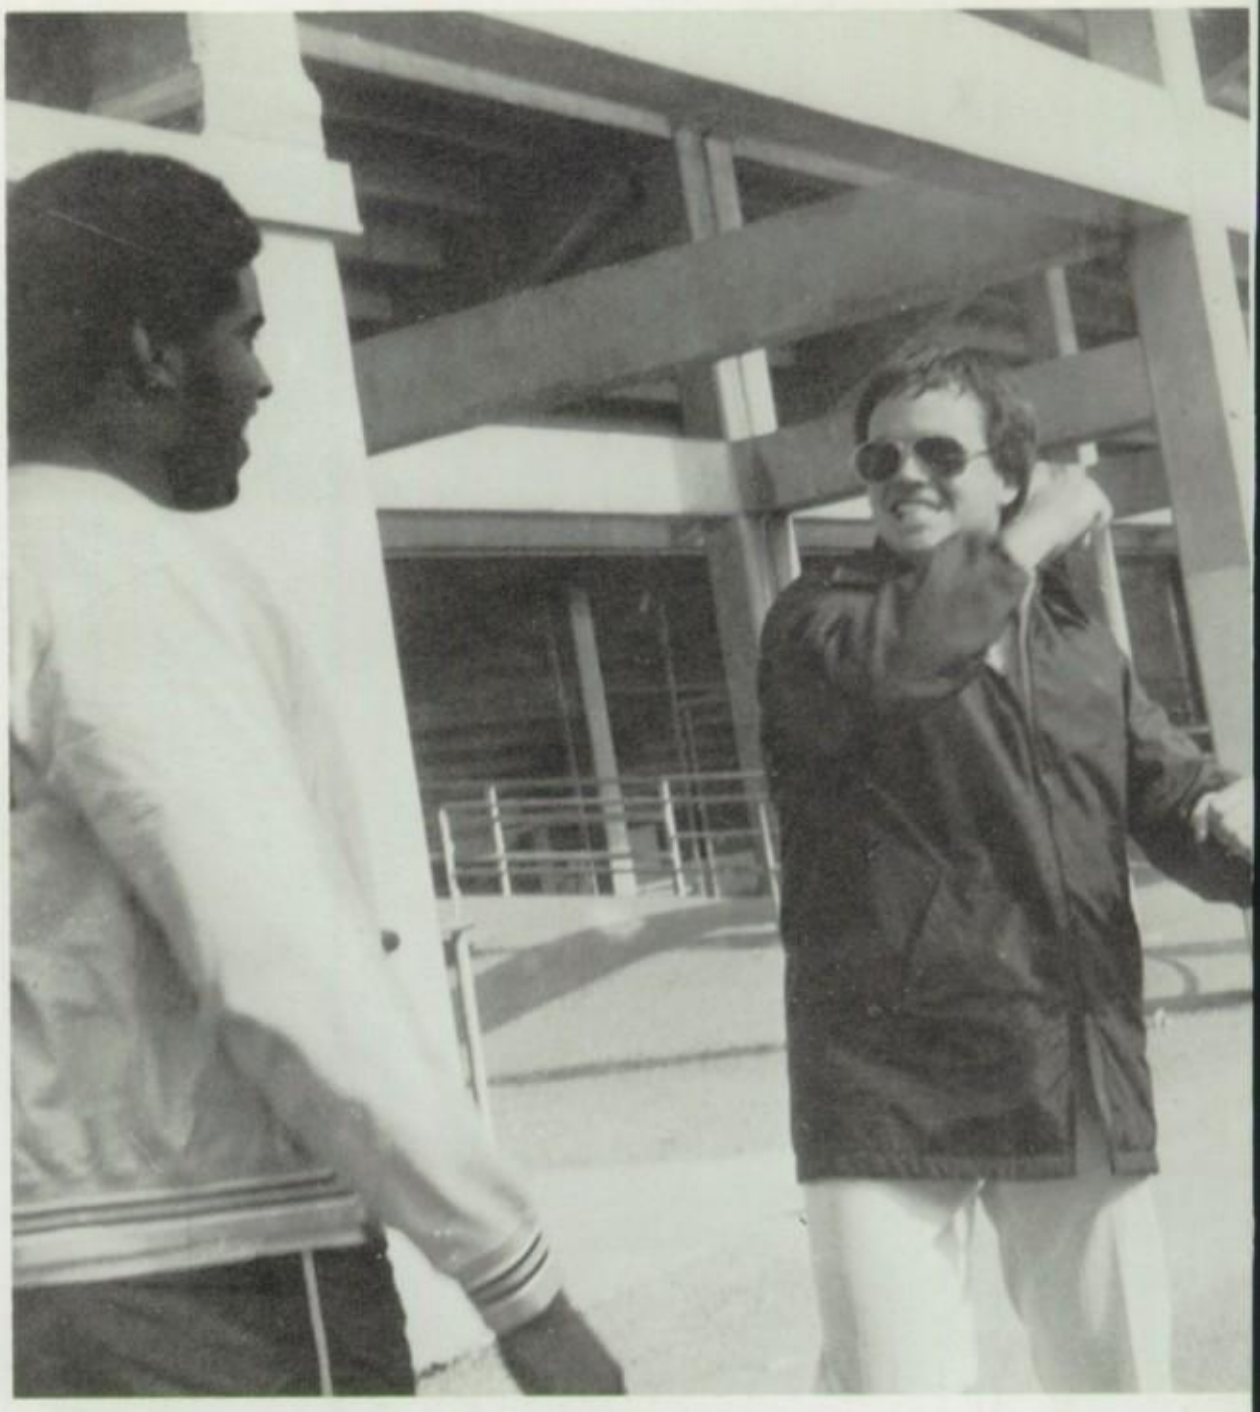
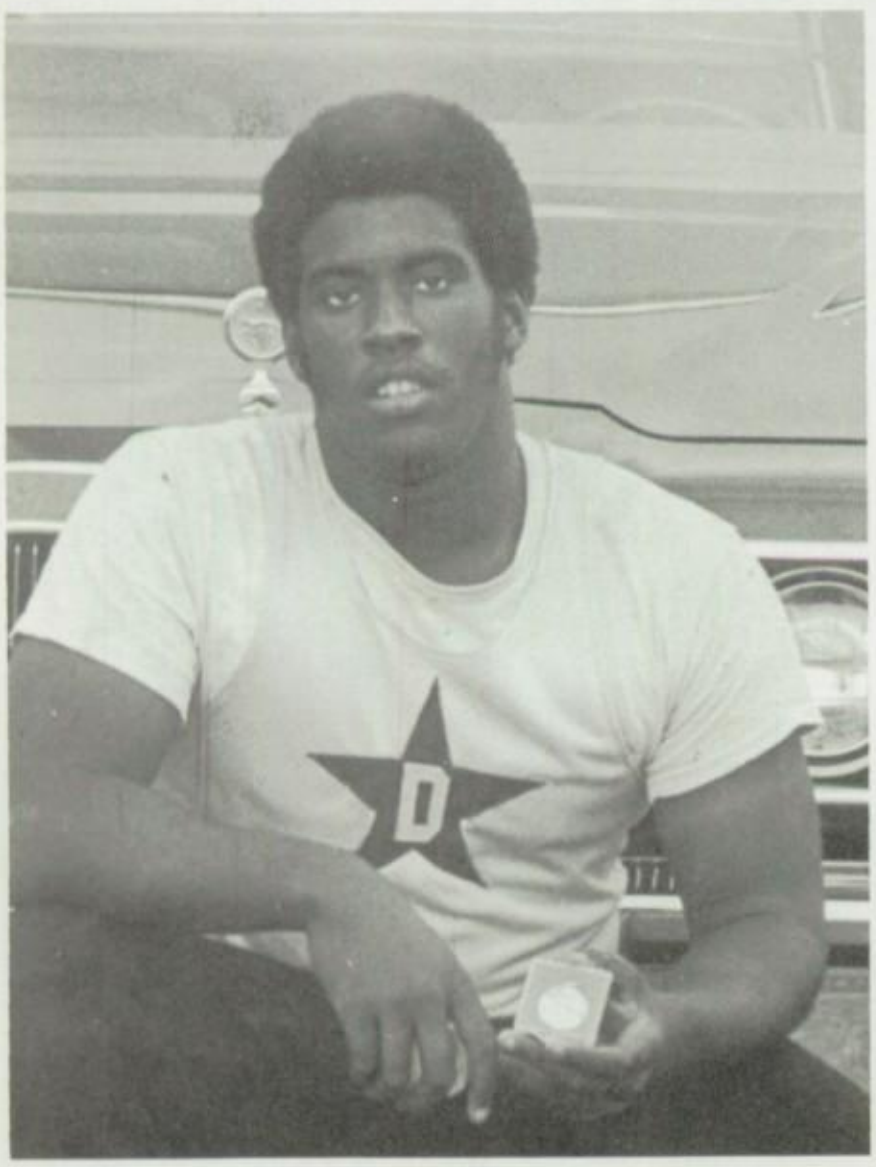
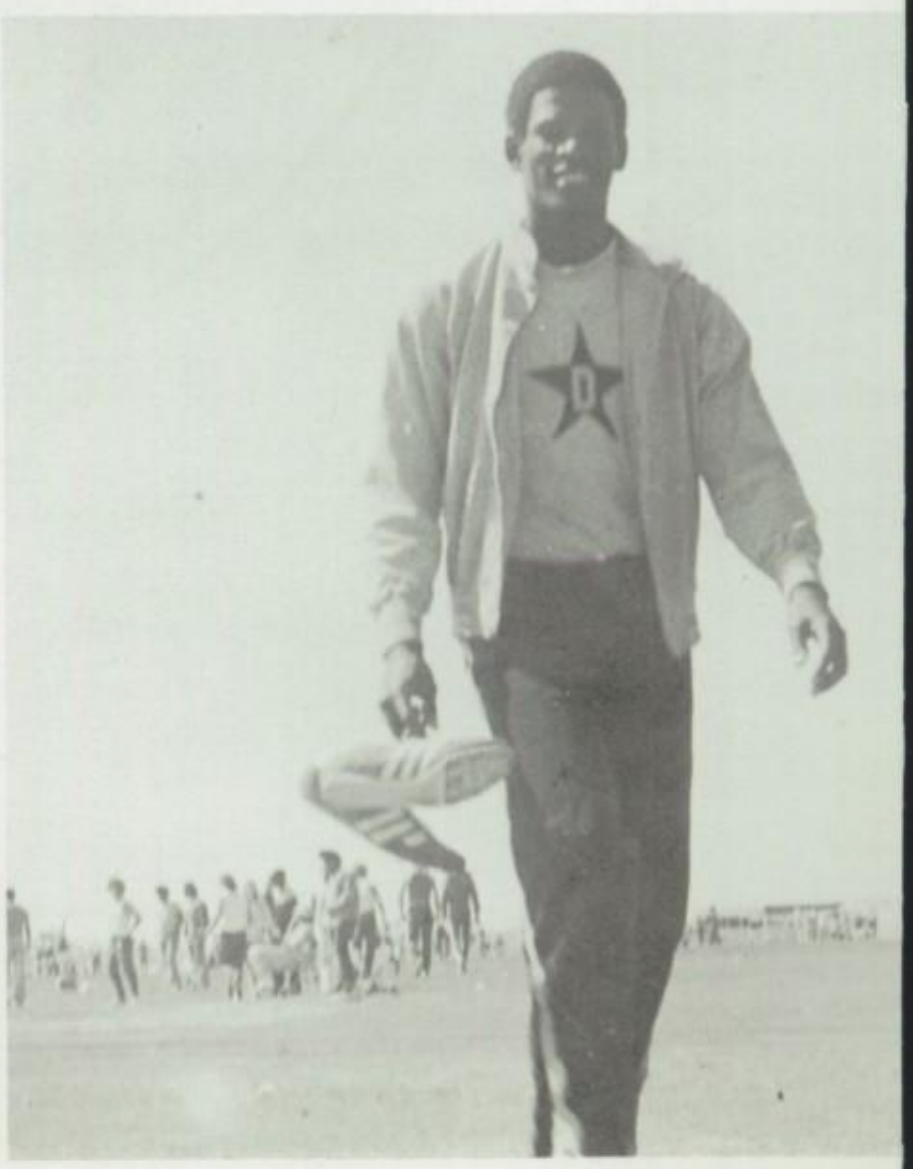
Malvern brought home the gold and Chris Luper (lower right) added team points to Jacket track efforts.







Watson Wins 2nd in State

Gregg Watson made 1978 a year to remember in track for the Yellow Jackets, becoming one of the most successful Denison runners in over 40 years.

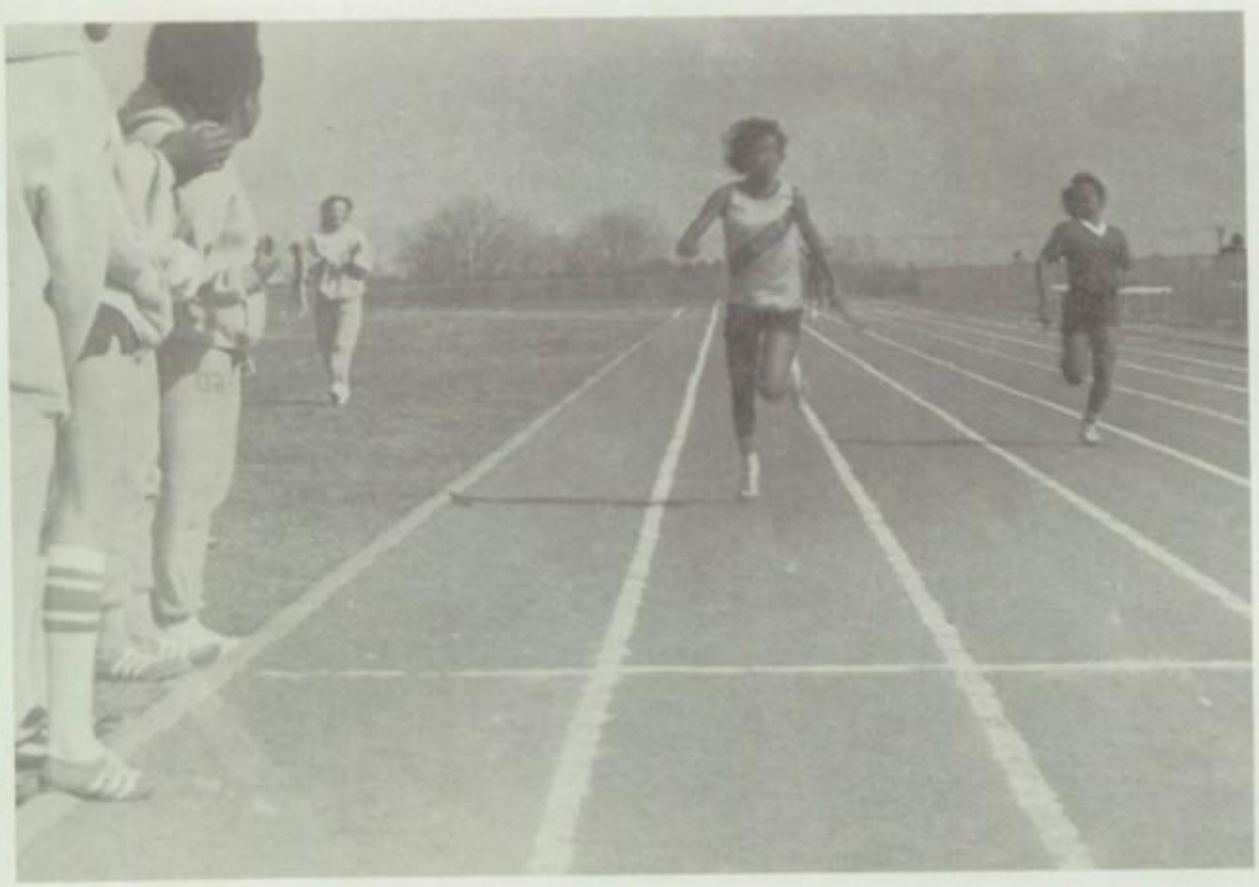
The junior quarter-miler compiled quite a list of accomplishments that ended with a runner-up finish in the state finals. Denison had not had a state champion since 1934, but Watson came within a hair of accomplishing that feat, finishing behind only Richy Faggott of Fort Worth Eastern Hills.

Watson, however, beat Faggott at the regional meet in Denton, and set a school record in the event, as well as a new district standard. The two-year jacket letterman is still a reason for hopes of Denison's first state champion in 44 years.

Jaws III — Alan Williams became the first person to swim on the DHS swim team this year. Williams placed eleventh in the 50 free style as well as the 100 in the regional competition at Texas Christian University.

Up and Away — Jackette Cari Hunt hurdles over her last hurdle and makes a dash for the finish line at the district track meet in Plano. Cari along with Penny Jacquoint and Karen McDaniel were the Jackettes hurdlers this year.

Plenty of Action — David Wilburn got plenty of action as he tags out two opponents at second. Wilburn suffered an injury which sidelined him for the stretch run of the season.



Athletes Hang 'Em Up

Skaggs Signs — Donna Skaggs signed a letter of intent to play tennis on scholarship at Grayson County College (top).
Sissy Runs — Sissy Luper, Junior, passed the Jackette relay team.

Following an encouraging season, the Denison Yellow Jackets had five players mentioned on the all-district teams.

Dave Wilburn was one of only two Jacket seniors on the teams, being named as a second team utility player. Wilburn led the Jackets with a .364 average. James Hussey and Ken Rosser, both juniors, were also second team selections. Hussey hit .306 to win honors at shortstop, while Rossers 6-2 pitching record won him a spot on the mound corps.

Bill Nicholson, a senior outfielder was named honorable mention in the outfield as was junior Greg Neasbitt at the catching position.

Denison finished 7-9 in district on the year, and made a strong run at the district 13-4A second round title.

Sports for 1977-78 came to an end at Denison with the annual Black and Gold Spring football game.

The game was one of the most exciting in recent years as the Jacket coaches sought to answer the questions that would lead to a successful grid campaign in the fall.

Several changes highlighted the game which saw several lettermen show well, as well as several youngsters who have yet to experience contact in a varsity uniform.

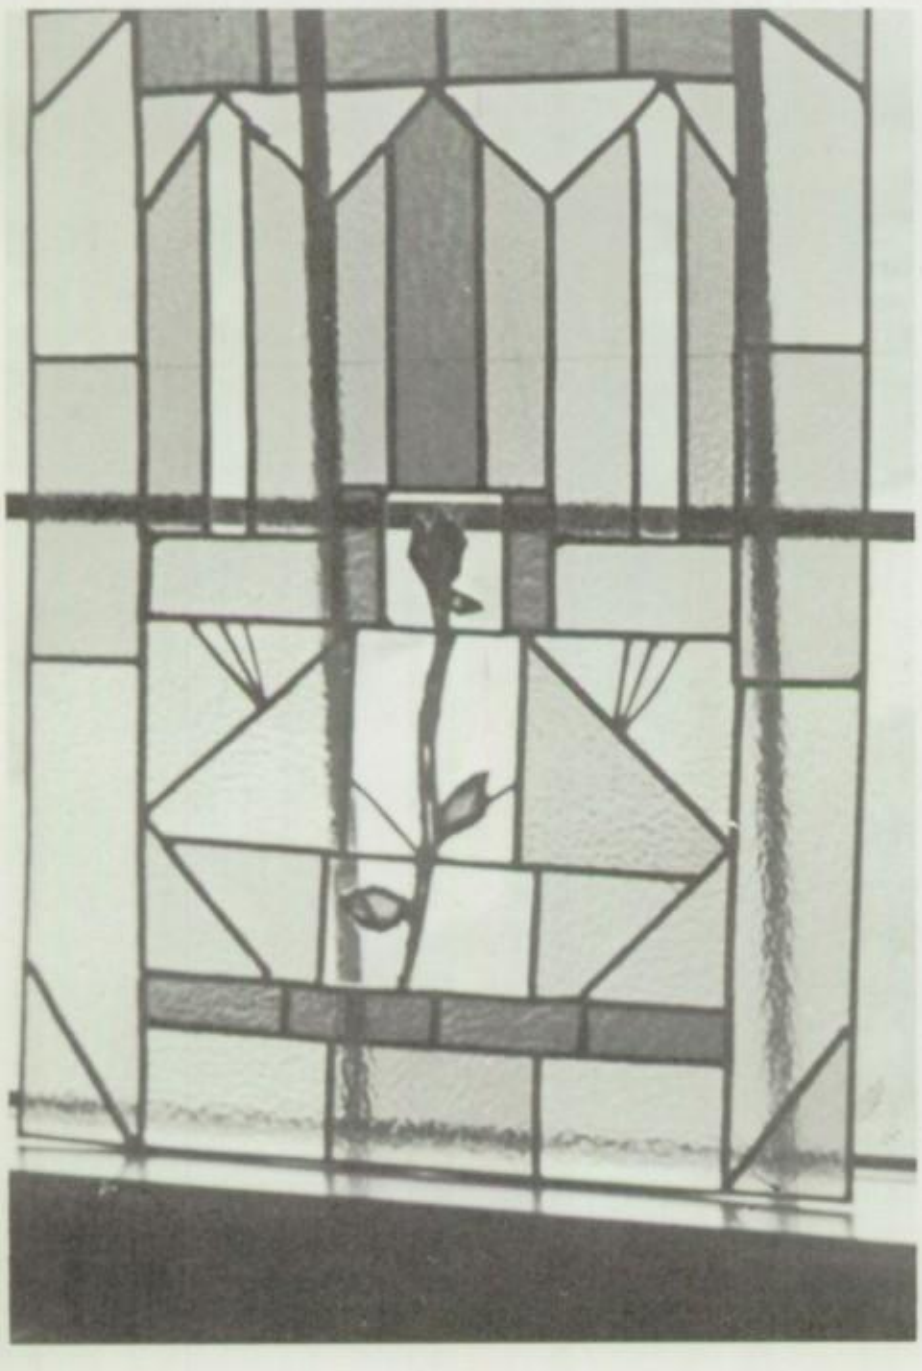
Art Students Join Stained Glass Craze

Mrs. Mary Underwood, art teacher, shows various techniques used to make leaded stained glass windows. First, a pattern is drawn. Glass must be cut to fit each section of the design. After the glass is cut, it is fitted into "H" shaped lead. It must then be hammered into place. It is then soldered at the connecting pieces on both sides. The final window is then formed (lower left). A variety of designs and colors make stained glass popular with artists and crafts fanciers.



The Publication Roast for the Annual and Stinger Staff was held May 25 at Grand-Pappy Point. The staffs enjoyed hamburgers and hot dogs cooked over an open fire. Mrs. Kay Casey presented engraved pens to the Editor-in-Chiefs and a Roget's Thesaurus and a bound copy of the Stinger to each senior.

The Stinger and annual staffs all pitched in and presented an easel to Mrs. Casey in appreciation for all the hard work she has done.

The Drama Club also enjoyed a picnic in the out of doors on April 22 at Munson Park. Awards were presented; among them were Outstanding Newcomers, the "Mac" award and Outstanding Stage Managers.

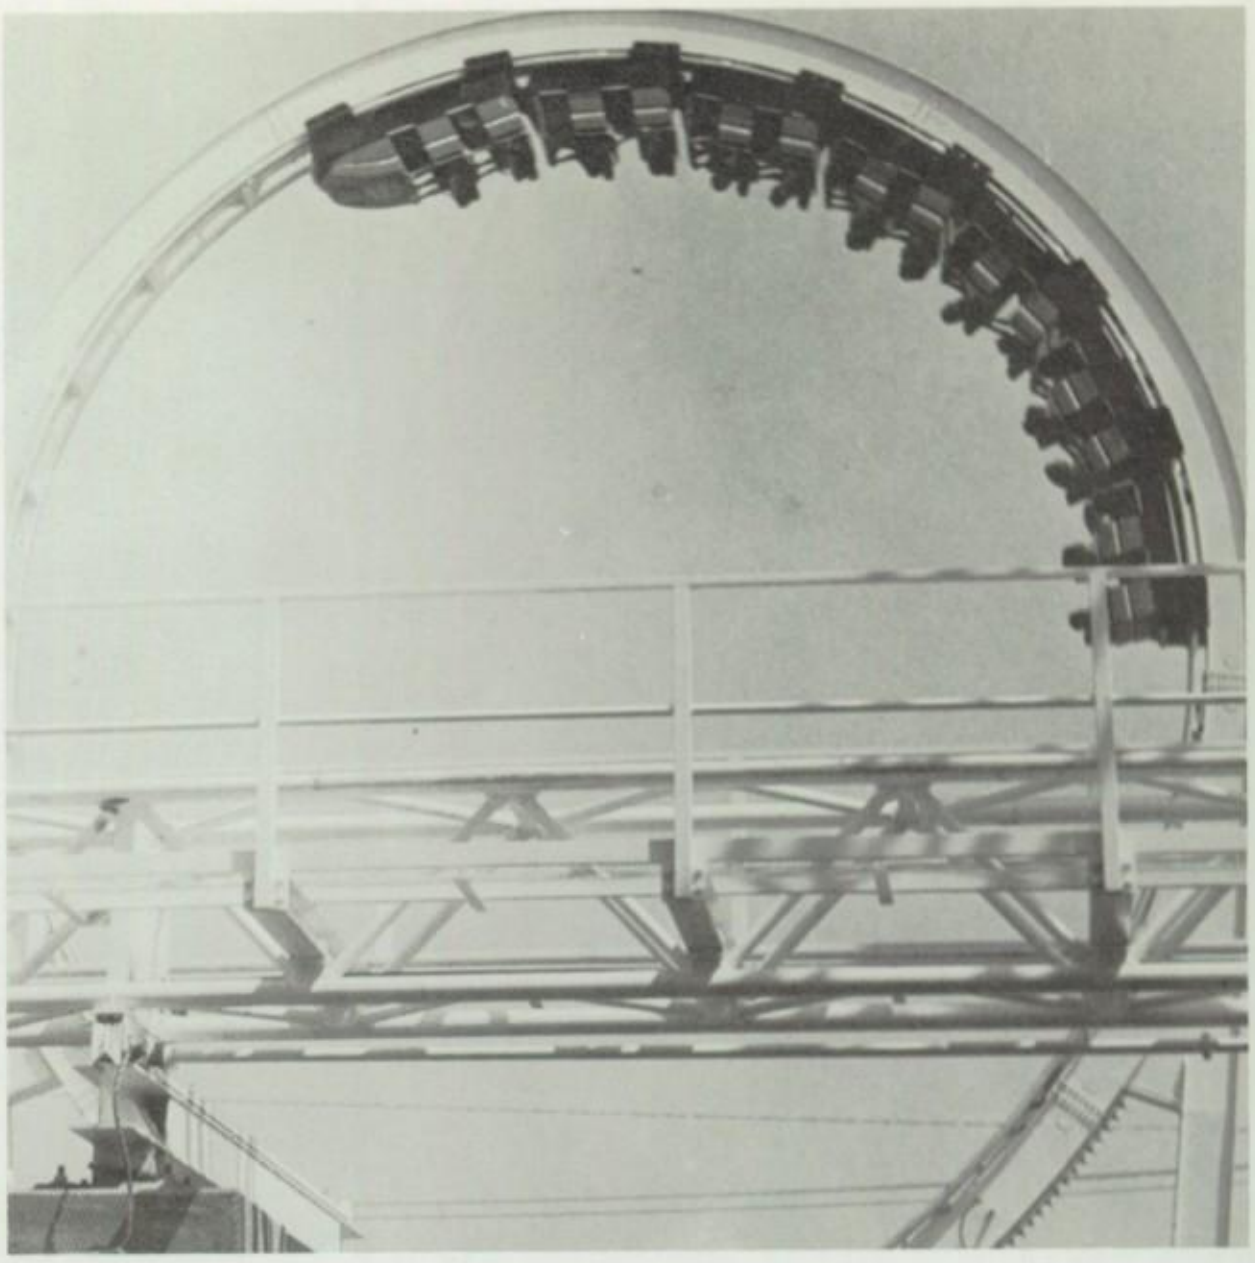
The United Service Club members traveled to Six Flags for a day of fun filled activities.

The Shock Wave, the newest ride at Six Flags (right and lower right) is named just about right. For it was a SHOCK! Hanging upside down are just a few of our members. Getting ready to come down the hill are a few brave souls. "Look Mom no hands."

(Lower Left) excited and anxious to get on the road are Cathy Davis, Tammile Todd and Sarah Sommers.



Leaders — on the Way Up

Vocational students held their annual employee-employer banquet at the Silver Wings Club. D.E., VOE, HECE, TAHOS, ICT joined in the theme: Leaders on the Way Up — School — Student — Employer.

Dr. Frances Willis, Vocational Director, chats with head table guests (above).

Future Teachers Hold Banquet

FTA Banquet was held in the DHS cafeteria. The meal was catered by the Hickory House and the cafeteria. Workers made green beans, baked potatos and rolls. A humorous speech was given by Mrs. Kathrine Summers. The decorations were carried out in drawings that looked like they were done by first graders and apples which opened up and had the menu and program inside. The closing brought on the installment of the new officers. They are Robin Beard, President; Randy Blankenship, Vice-President; Sharron Steele, Sec.; Kelly King, Parl.; and Laura Delaney, Treas.

Thirty-two members of the Future Teachers of America went to area elementary schools to student teach for a day. This is an annual event for the members. This year the group got great praises from the elementary school principal for their work.

Outstanding Officer — Captain Tammy Brooks received the outstanding officer award at the annual Stingerette Drill Team Banquet. Shelle Middleton was named outstanding Stingerette, and Karen Arthur was named Miss Congeniality.

1977 Officers — (above) are Liz Marsich, Tammy, Rhonda Grantham, Beth Butler, Deanne Harley and Lori Mitchell. Director Mrs. Darlene Willoughby is seated.

The annual Drill Team Banquet was held at the Rod and Gun Club. Stingerette director Mrs. Darlene Willoughby announced the new officers which highlighted the evening. They are Captain Karel Anne Berry, Head Lieut. Joanne Clapp, 1st Lieut. Deanne Harley and Laura Delaney, 2nd Lieuts. Shelly Neasbitt and Karol Author.

Let Me Explain — Mr. Jesse Riddle, Band Director, tells his audience about a song that the Stage Band performs.

Say Cheese — JoNell Lang and Paul German smile for the camera before the annual Spring Concert held on May 5.

Practice — Practice — Practice — Early morning rehearsals were not uncommon for the band getting ready for a concert. Here the band is preparing for a morning of rehearsing.

Congratulations — Monica Rodgers gets a standing ovation and a hug from Ginna after being awarded the Rebecca Riddle Award. Alan Riddle was the male recipient of the award.

The Fine Arts Department of Denison Senior High School presented a "Spring Choral Music Festival" May 16.

Host choirs were High School Girls Chorus and the popular Hanson's Headaches, directed by Roger Hanson, Fine Arts Department Chairman and Coordinator of Choral Music for Denison schools.

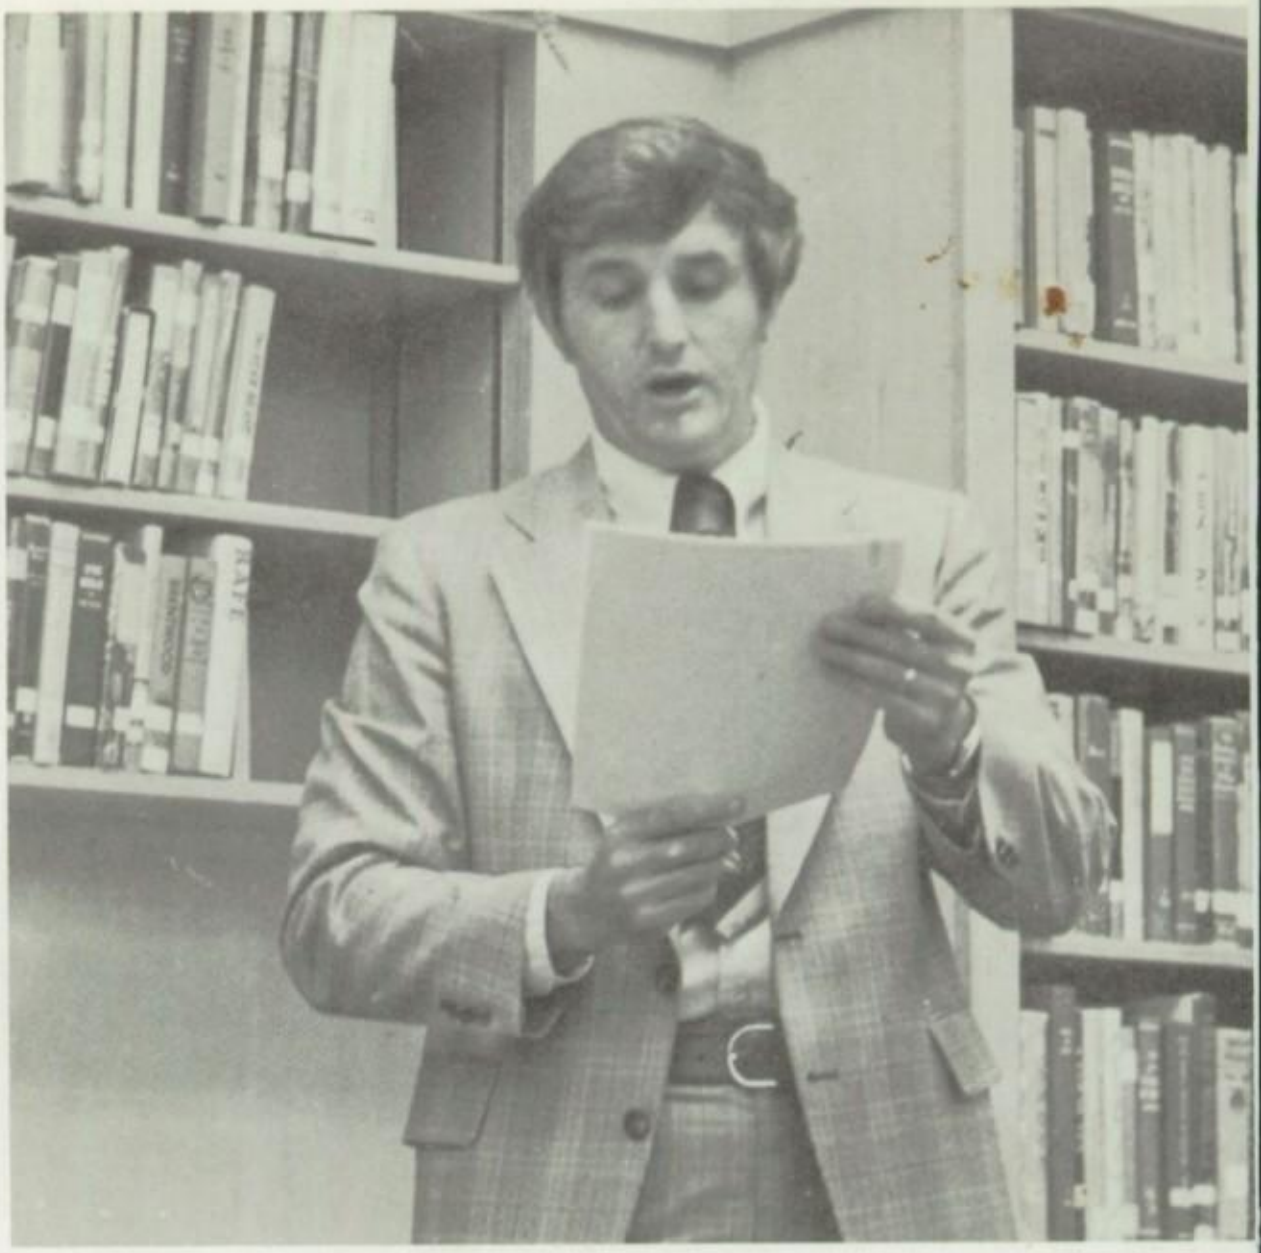
Other choirs participating were from Terrell Middle School, Hughes Junior High School, and McDaniel Junior High School.

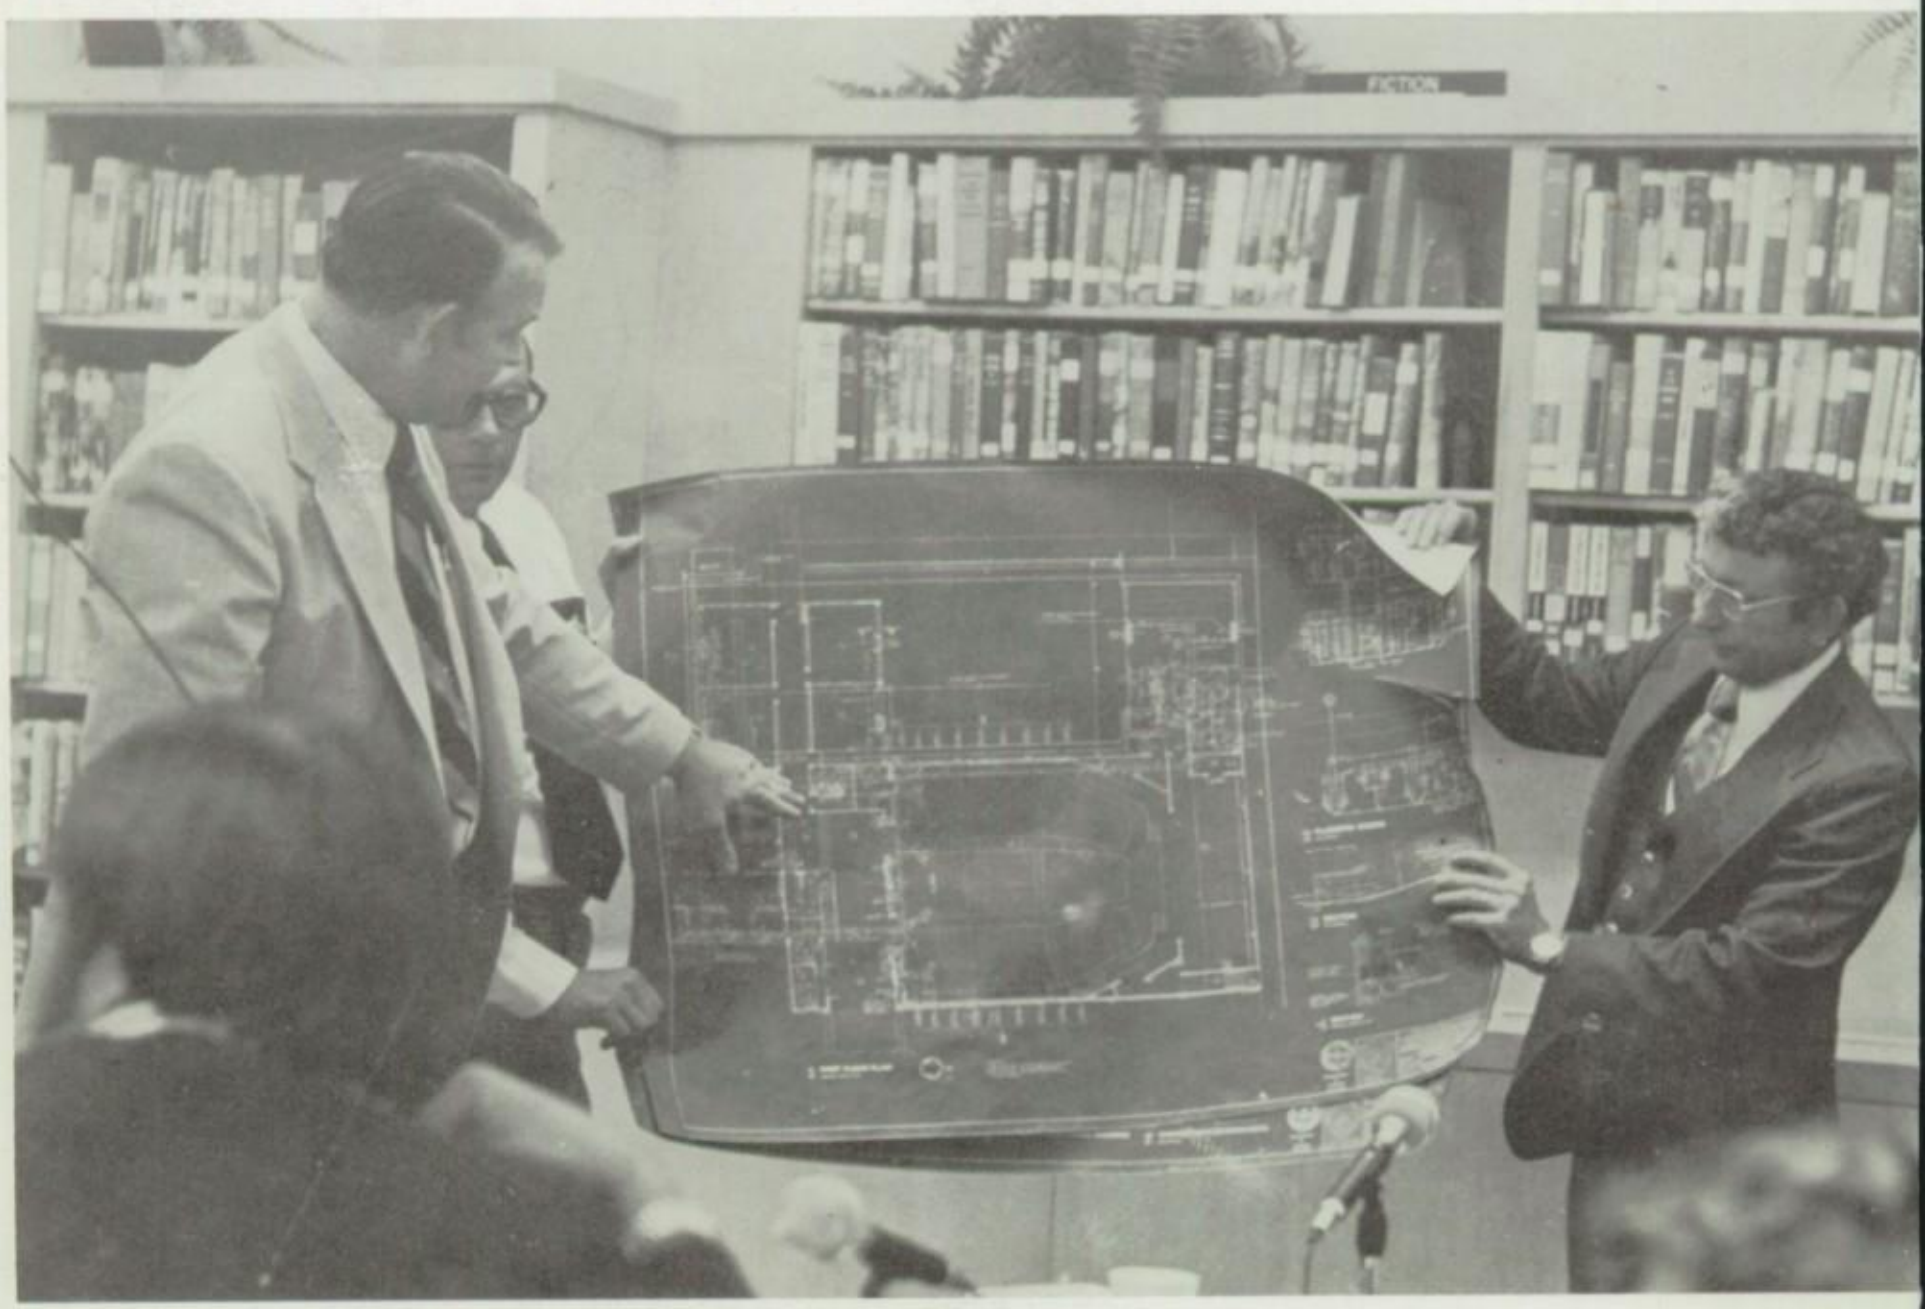
Each choir presented an individual "Mini-Concert" lasting approximately 20 minutes each. The Senior High Girls Chorus, accompanied by Matt Johnson, opened the program singing such favorites as THE WAY WE WERE, CHERISH, BORN FREE, O HAPPY DAY, and others. Hanson's Headaches were the final choir of the evening singing some of their favorites, LET'S GET TOGETHER, THE BEAT GOES ON, AQUARIUS, LET THE SUNSHINE IN, SINCE JESUS CAME INTO MY HEART, HE LIVES TODAY, among others. Accompanists for the Headaches were Ronnie Koiner and Dave DeForest on Bass Guitar.

A special feature of the High School Girls Chorus will be Miss Cindy Haskins demonstrating sign-language to music, or what she calls her "singing hands."

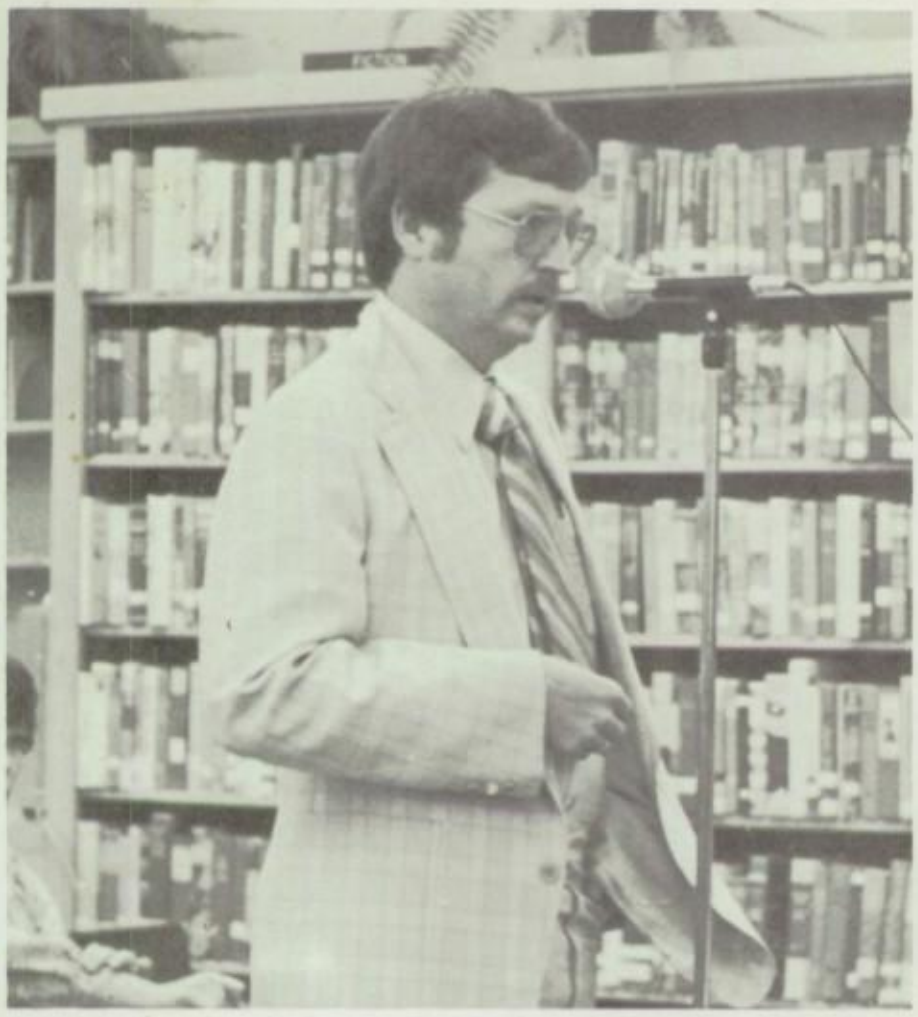
The Student Council surveyed students and faculty and presented their findings to the Board of Education in the form of a request to revise the present policy. Presently, a student must earn a 90 in both academic and citizenship grades and may have no more than four unexcused absences. The Council proposed a sliding scale grade requirement tied to number of absences which they said would improve student attendance and give students who were not "A" students an incentive.

Speaking for Students — Principal Henry Scott (right) made the Council presentation to the board. Mr. Jerry Culpepper points out needed repair to put the auditorium air conditioning in working order. Maintenance director Mr. James Johnson looks on as Assistant Superintendent V. R. Smith holds the plans.



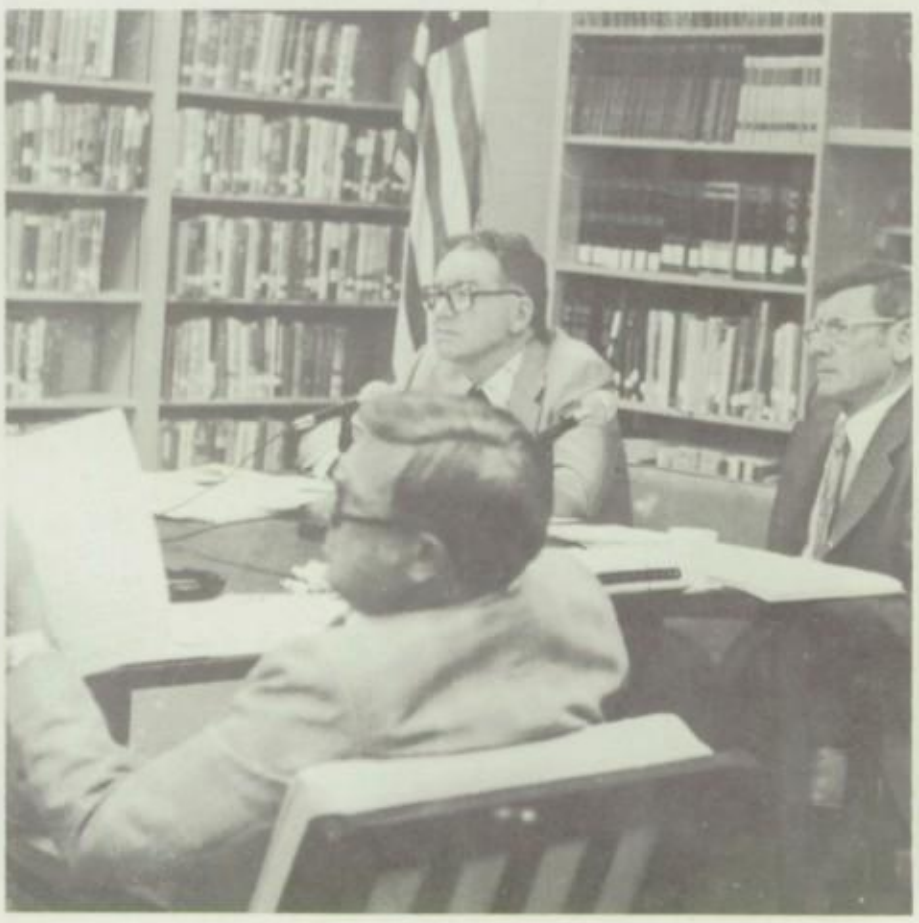


Board Hears Request to Revise Examination Exemption for Students, Purchase New Stingerette Uniforms, Hats



Speakers For — Mr. John Terry (above) and Stephanie Clift (below) spoke in favor of exemption revision. Forest Dusek, Robbie Steele, vice-president of the council, and sponsor Sylvia McBrayer also spoke.

New Uniforms — Mrs. Darlene Willoughby (above) shows new uniforms to board members. The Stingerettes will have a variety with the combinations chosen. Board President Mr. Badgett Steedman and Superintendent Bill K. Ford and Assistant Superintendent Bill L. Jacobs study the air conditioning recommendations brought by Mr. Culpepper.



Susan Hennigh received the Cup of Complete Girlhood presented annually at the DenTeens (formerly Y-Teens) Mother Daughter Banquet held May 15. Dr. Francis Willis (above) was guest speaker and (above left) Mrs. Nancy Terry gave her own little speech on how much she has enjoyed working with Y-Teens. Susan Hennigh, 1977-78 general president, announced the new officers for next year. General officers are RoeAnn West, president; Laura Delaney, vice-president; Elizabeth Johnson, secretary; Denise Hendrix, treasurer; and Stephanie Clift, reporter.

Senior officers are Lisa Herronimus, Angela Ransom, Lynette Head, Debra Morrison, Dana Clay, and Barbara Potts.

Junior officers are Letia Winfree, Elicia Galyon, Jana Hibbitt, Sharon Steele, Karen Johnson, Shaonnon Tarver, and Karol Arthur.

Outstanding DenTeens for 1977-78 were Susan Hennigh, RoeAnn West, and Letia Winfree.

Valedictory Address

Throughout the years there have been many excellent classes that have graduated from Denison High School, but the class of 1978 has distinguished itself as one of the best. It is with great pride that I stand as the valedictorian of this class.

Life can be compared to painting a piece of art. At first we start with a blank canvas. We are now at the stage where our lives are only sketches; it is now time to put in the individual features and details.

Many people have contributed to the artworks of our lives. First were our parents. They gave us our starts in life, often giving up those things they may have wanted or needed so that our pictures would be more complete. They have pointed us in the right direction for sketching the background.

We are indebted to our teachers as well for their ideas on what to include in the details. They helped us put our lives in the right perspective and balance our lives' finished pictures.

God has also stood behind us to guide our brushes. His unseen hand has kept us from making many mistakes in the painting and He will continue His guidance in the future.

Our life-art has been colored by our times of victory and our times of defeat. Thoughtfulness, honor, patience, and truth have all left their marks upon our paintings by coloring with their delicate hues.

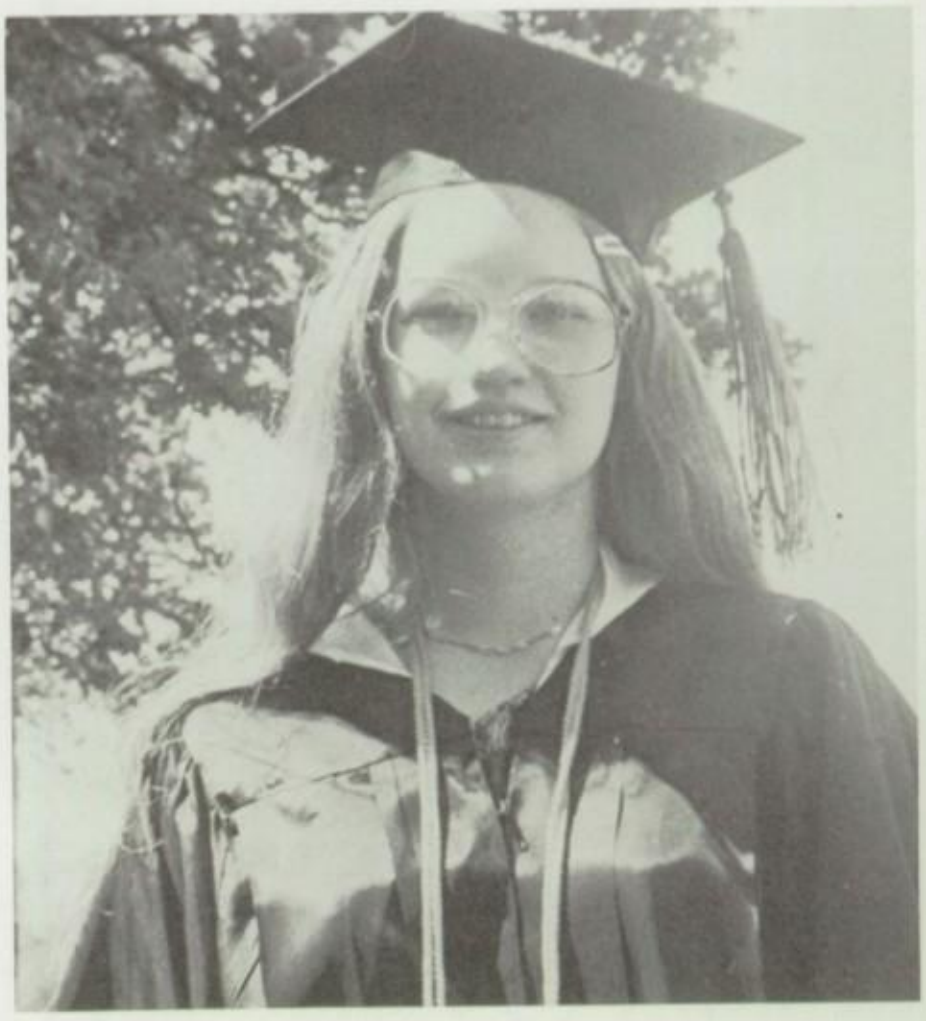
It is now time for us to take our brushes in our own hands and make the strokes which will depict our lives. We will still have the guidance from others, but now we take the responsibility for the lines drawn in our life-artworks. There are many scenes our paintings could portray. We must choose, but we should not limit our vision. We ourselves are the only limits to what our paintings can depict. As Henry Van Dyke said, "Self is the only prison that can ever bind the soul. We must shoot for the stars, because even if our stars' are never grasped, our places are still in the heavens. Whatever goal is sought, it must be the highest and the best. The greatness of an art work is not in that it is the best of all, but that it is the best of its kind. We can attempt to do the best in whatever route we take, whether through college, marriage, or occupations. Our goal is not worth reaching, however, if we do not reach it fairly. A success is really a failure if obtained through dishonesty. A counterfeit painting is of little value to the beholder or to the painter himself.

We have been given skills to guide our brushes. Let us not waste what we have learned; let us strive for the best and make our lives worthy of praise.

When life is over we will have a complete picture, and, even though our paintings will differ as personalities differ, I hope that all the life paintings of this class will be masterpieces.

1978 Valedictorian
Lorrie Nickerson

Lorrie Nickerson follows a family tradition earning the valedictory title, as did her sister, Debra, Class of 1974. The National Merit finalist received the Baush and Lomb science award, is a Texas A&M President's Scholar because of her academic abilities and has been honored by her fellow students as the Girl Most Likely to Succeed. Beside her intellectual pursuits, Lorrie is a member of Hanson's Headaches select choir and trains daily for long distance jogging.



Salutatory Address

It is not the critic who counts; not the man who points out how the strong man stumbled, or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again, because there is no effort without error and shortcoming; who does actually strive to do the deeds; who knows in the end the triumph of high achievement, and who at the worst, if he fails at least fails while daring greatly, so that his place shall never be with these cold and timid souls who know neither victory nor defeat.

This anonymously written essay stresses the importance of setting high goals and continually striving to meet them. I feel that most of our class **will** be those who dare greatly.

Twelve years ago we all had one major goal in common — to graduate from high school. We have now achieved our first objective and are confronted with setting new goals.

One definition of the word "goal" is the finish line of a race. In our case, we are all competing in the race of life. We will all have to overcome the many hurdles before us. All of us will make mistakes, and we hope to benefit from them. Our mistakes should not hold us back, but should give us a reason to strive more diligently toward our life's ambition.

I take great pride in being a member of the 1977-78 graduating class. Before entering a career, 74% of the 346 graduating seniors plan to attend college, with almost 2/3 remaining in this area to attend Grayson County Junior College. Most students will be pursuing degrees in their selected fields of study.

Thirteen of our students will be receiving many educational and career opportunities through the armed services.

Rather than pursuing a college degree, approximately 60 of our group will be going directly into the business world. Only 13 of my 346 classmates are undecided about plans for their future.

These figures substantiate that our 1977-78 graduating class is indeed ambitious. We should ask ourselves, "Have we set our goals high enough?" This quotation from Robert Browning has a great deal of meaning: ". . . a man's reach should exceed his grasp, or what's a heaven for?"

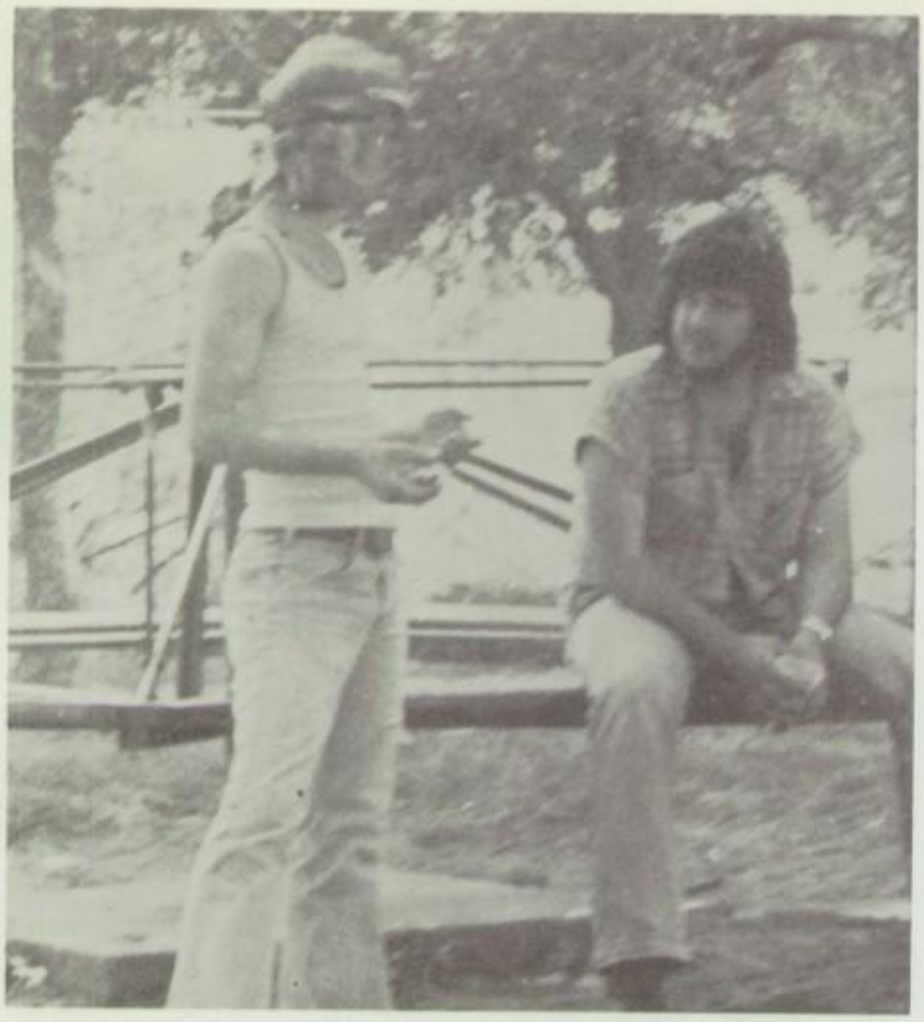
Students Celebrate, Vacate

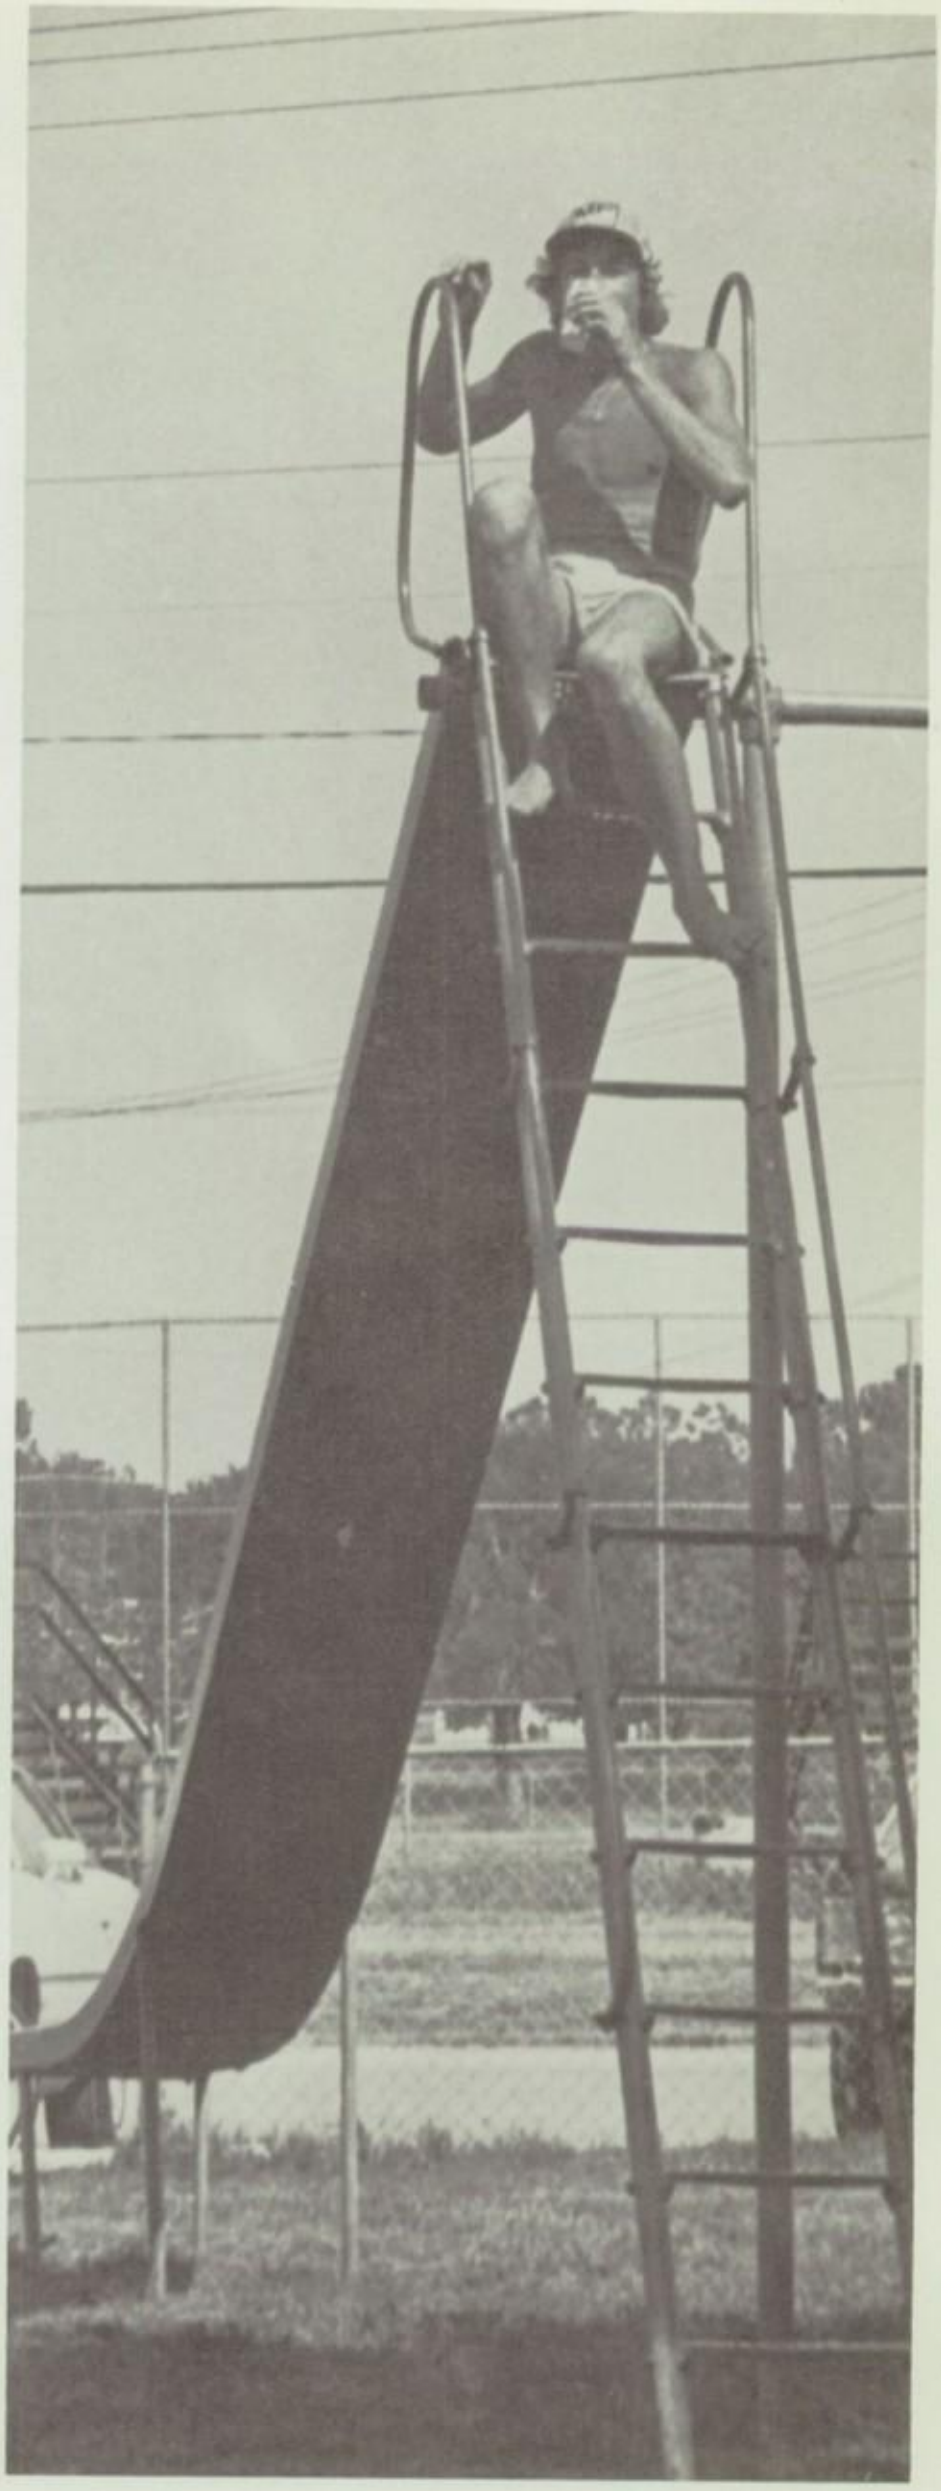
(Left) Senior Day is finally here and I'm not ready. (Below) Greg Augustine and Blanda Manning sure are hung up on poker. (Lower right) Sun bathers enjoy the sunny outdoors by the pool as well as those inside the pool and it's a good way to catch up on all the events.

There were many activities during Senior Day. There were several contests such as the sack race, tug of war and egg tossing. There were several sports going on such as golf, volleyball, baseball, and tennis.



Want to Go for a Spin — Ernest Jackson and Brian Rowland discuss some of the things going on at Senior Day.

I Need a Coke — Shelly Middleton and Jan Broughton look hot and tired as they head for the coke stand.



Attention — Does anyone else want to go down the slide?

Boy Am I Ready for This — is the expression read on Julie Harrison's face but Liz Hasse seems to have other thoughts about it.

Just One More Pin — Sandra Whittington gives a helping hand to Terri Thomas, as last minute preparations are being made.

What a Big Baby! — Bryan Gray is awfully big for his age but when it comes to zipping his gown he still needs a little help from Tammy Brooks (above).

There were many happy faces and many unhappy faces. With a graduating class of 348 most were present to receive their diplomas. The tears of joy were present and that along with other signs of joy such as the toss of the hat.

There is a new beginning for all graduating seniors.

Proud Seniors — (Top) Randy Hartford, Kim Schick, Ronda Beard, and David Wilburn are prepared for graduation and sure are happy about school being out.

Me a Graduate? — Johnny Allen looks completely surprised about graduation.

Follow Me Girls! — LeAnn Adams leads the way to the seats out on the football field (right).

To Anita,
It was fun knowing you through band & choir. Keep up the Musical talent. I hope someday you'll be able to play the flute as well as I wanted to but never could! Good luck always and may God be with you.
Nini

How can you be in high school? It was only yesterday you rode my bus. Terrell! — Have a good year — D. Heatley

Anita,
Thank you for being in band. May God Bless You
Love Teddie

Anita, you're a real sweat girl who really tries hard in Band. Thanks for being a friend. Good Luck. Remember, flutes are #1!
Love, Sara '80

To a sweet girl who is in my Biology class. Hope we both pass this year. Stay nice,

Anita,
I do know you can do it. I believe in you and I know you'll succeed.
Love ya,
Jenny

Special Thanks

A special thank you on behalf of the whole Yellow Jacket Annual Staff and advisor goes to JoNell Lang and Blanda Manning who gave their time and efforts far beyond all expectations to complete this largest Yellow Jacket ever.

Other staff members who toiled in the heat and put in hours of "overtime" also deserve a big "thank you." They are Susan Hennigh, Bruce Powers, Jalene Hawk, Theresa Watkins, and Ann Derichsweiler.

Another big thanks to the Stinger Staff and especially to Sports Editor Hank Largin, Gregg Watson, Sissy Luper, Elizabeth Johnson, and Zach Cassita.

To a very
sweet and nice
person be kind in
the future from:
Brian Reeves
